Sub :Entry in the Service Register regarding the intimation of
purchase / disposal of movable / immovable property -
reg.

It was observed by Vigilance Department that verification of the
statement of annual IPR could not be made as it is not available in a single file
and spreads over a period of time.

In order to simplify the issue besides bringing transparency Vigilance has
recommended making entry in the individual SR wherever transaction of
movable / immovable properties of employees are noted by the competent
authority. Accordingly henceforth the noting of movable / immovable property
transactions of the employees should be entered in the SRs of the individual
employees.

This issues with the approval of CPO.
