Contd.....2/-

(i) Hence, the minutes of CEC meeting dated 20.04.2014 lacks bonafide. As such the minutes dated 20.04.2014 of the CEC meeting of the Federation deserves to be held untenable and unsustainable. Consequently all subsequent decisions and the decisions taken in the said meeting of the CEC dated 20.04.2014 pursuant to that are held to be invalid.

(ii) Since the meeting dated 20.04.2014 of the CEC is held invalid, it is also declared that the subsequent meetings and decisions taken in meetings after 20.04.2014 are also invalid. The circulation of office bearers of the Federation by the Railway Board after 20.04.2014 is also not as per the rules and regulation of the society and based on meeting of 20.04.2014 and hence invalid.

(iii) A valid Voter list has to be first circulated containing all the valid members of the society and then only fair, free and transparent elections can be held in the society. Hence a valid voting list be first prepared by the Society Governing body.

(i) Board's letter dt. 04.08.2014 circulating thereby the list of elected office bearers of CEC/AIOBCREF based on the election held on 11.5.2014 stands null and void and the same may be treated as withdrawn, as if it has not been issued at all. Further, Board's letter dated 27.10.2015 issued subsequently vide which the re-designation of office bearers of CEC/AIOBCREF was circulated also stands null and void.

**OFFICE OF THE REGISTRAR OF SOCIETIES AND FIRM  
NEW DELHI DISTRICT  
GOVERNMENT OF NCT OF DELHI  
12/1, JAM NAGAR HOUSE, SHAHJAHAN ROAD, NEW DELHI : 11**

NO. F.ROS/ND/Society/692/2015/10319-23 Dated: 14/11/16

**ORDER**

Whereas, Hon'ble High Court of Delhi vide orders dated 28.08.2015, 09.10.2015 and 20.11.2015 passed in W.P (C) No. 8240 / 2015, has directed, the Registrar of Societies/Sub-Divisional Magistrate, Chanakypuri, to examine the issues relating to All India OBC Railway Employees Federation after considering the contentions/submissions of the petitioner and to take a view on the matter thereon within four weeks. After careful examination of the representations submitted by the petitioner as well as entire file of the Society (Regd. No. S-33475), the following issues are considered for resolution and findings are rendered as follows:

1. The provisional certificate of registration was declared invalid by the Registrar of Societies vide order dated 23.09.2015. The amendments carried out and the provisionally amended constitution were also declared invalid due to procedural deficiencies vide order dated 20.11.2015.
2. Validity and genuineness of the minutes of the Central Executive Committee (CEC) of the All India O.B.C Railway Employees' Federation (AIOBCREF/Federation) dated 20.04.2014.

**FINDING:** As per the minutes of the CEC meeting dated 20.04.2014, members namely Shri S. Ramachandra Rao, Shri Krishna Mohan Prasad, Shri S. Bheesmuudu and Shri T. Ravichandran attended the said meeting in New Delhi and their attendance was marked at S.No. 3, 13, 18 and 25 of the minutes. At the same time the official Railway records also reveals that these officials were present on their official duties at Visakhapatnam, Chakradharpur, Raipur and at Chennai respectively as on 20.04.2014. The intimation about afore said members presence in their respective offices is coming from senior Railway officials from different quarters would amply reflect that these members were not present in the CEC meeting on 20.04.2014 in Delhi. It is impossible for the same officials to present in both the CEC meeting and also at their official workplace on the same day at the same time. Moreover, many such members whose attendance was marked in the CEC meeting submitted sworn affidavits to the extent that they were not present in the said CEC meeting and no such meeting to place on 20.04.2014 at New Delhi and thus the question of their signing of the CEC minutes won't arise and they also declared it before the Registrar of Societies in a personal hearing on 03.10.2015.

*S. Narayana*

The original records related to the CEC meeting held on 20.04.2014 were lost in November 2015 as reported by O. Sunderamaiah and an FIR was also lodged.

Thus, the expulsion decisions shown to be taken by the purportedly held CEC meeting dated 20.04.2014 are invalid.

Hence, the minutes of CEC meeting dated 20.04.2014 lacks bonafide. As such the minutes dated 20.04.2014 of the CEC meeting of the Federation deserves to be held untenable and unsustainable. Consequently all subsequent decisions and the decisions taken in the said meeting of the CEC dated 20.04.2014 pursuant to that are held to be invalid.

3. Validity of all decisions taken pursuant to the meeting dated 20.04.2014 and those orders, notifications issued after the meeting dated 20.04.2014.

**FINDING:** Since the meeting dated 20.04.2014 of the CEC is held invalid, it is also declared that the subsequent meetings and decisions taken in meetings after 20.04.2014 are invalid. The circulation of office bearers of the Federation by the Railway Board after 20.04.2014 is also not as per the rules and regulation of the society and based on meeting of 20.04.2014 and hence invalid.

4. Grant of Certification to governing body who were elected as CEC / Governing body members of the Society, in the elections held on 24.08.2014 at New Delhi.

**FINDING:** Since the meeting dated 20.04.2014 of the CEC is held invalid, it is also declared that the subsequent meetings and decisions taken in meetings after 20.04.2014 are invalid. A valid Voter List has to be first circulated containing all the valid members of the society and then only fair free and transparent elections can be held in the society. Hence a valid voting list be first prepared by the Society Governing Body.

5. Validity of the minutes of the CEC dated 20.09.2015 and 29.09.2015 and validity of circulation of office bearers of the Federation by the Railway Board on 27.10.2015.

**FINDING:** Since the meeting dated 20.04.2014 of the CEC is held invalid, it is also declared that the subsequent meetings and decisions taken in meetings after 20.04.2014 are invalid. The circulation of office bearers of the society by the Railway Board after 20.04.2014 is hence invalid.

6. Examination of the original minutes of the CEC dated 20-4-2014 produced by the Ex. General of the Federation with the record of the Federation dated

*[Handwritten signature]*

05.05.2013 through a Forensic Science Expert at Central Forensic Science Laboratory (CPSL).

**FINDING:** Since, original record of the Federation dated 20.04.2014 is missing as reported by O. Sundararamaiah and hence its examination in comparison with the meeting dated 05.05.2013 is not possible at this stage. Further decision can be taken in this regard only after production of original record by the Federation before the undersigned.

7. Prohibition on holding of future elections & meetings till the disputes are resolved by this office.

**FINDING:** As observed above, the undersigned is of the opinion that the Federation at this juncture shall declare its valid voter list and then the list shall be undisputed for any election to be meaningful. As such, it is highly desirable that first of all the Federation / Railway authorities prepare an undisputed list of members and voters of the Federation and thereafter an open election conducted under secret ballot system in the presence of Railway Board / concerned Railway administration appointed observers should be conducted. Or otherwise, several rounds of litigations from various quarters are bound to surface. Hence any future elections shall only be held after circulation of valid voter list and then due procedure be diligently followed to avoid any further litigation and smooth running of the society. That it is desirable that the Railway administration should circulate the lists of the office bearers after proper validation granted by concerned Registrar of the Societies to avoid further disputes and legal complications.

Given under my hand and seal on this            day of January 2016.
