विषय/Sub: System improvement – Notifying the names of the
Invigilators while conducting the Departmental
examination.

It has been reported by the Vigilance Department that during one of
their checks, at a written examination conducted by one of the Departments
the names of the Invigilators deputed for the written examination was not
notified in advance by the department concerned.

Therefore it is being advised that the Department conducting written
examination should ensure that the names of employees with their designation
who are being nominated to be Invigilators for the written examination should
be notified in advance to the nominated employees and a copy of the list of
invigilators should also be marked to the Vigilance Department for information.

The above system improvement may be followed strictly in order to
conduct the written examination in a fair and transparent manner.
