RBA No. 13/2014

No. 2014/AC-II/25/9

New Delhi, dated 6.08.2014

**The General Managers,
All Zonal Railways & PUs.**

Sub: Irregular calculation of saving while computing Income Tax to evade tax.

During the course of preventive check conducted by Vigilance, Deptt. in a Division on one of the Zonal Railways, it has been detected that fictitious amount had been entered in the Income Tax Calculation Sheet to provide undue benefit to certain employees in calculation of their income tax by the concerned staff dealing with the salary/pay sheet.

The modus operandi, in the instant case, as noticed by Vigilance was that during income tax calculation in the months of January to March, the pay clerk entered heavy fictitious amounts under the columns for overdrawn wages/savings/House Rent Allowance/IT recovery etc. thereby reducing the income tax liability. It has also been noticed that user IDs being utilized were being shared among the dealing staff. The Division concerned, subsequently undertook measures to plug the systematic flaws by ensuring that all pay sheet related transactions take place exclusively through Pay Roll application only.

It is requested to review the position in this regard on your railway to streamline the system to prevent such irregularities.
