Guidelines were issued from time to time on the preventive  
measures to contain the spread of Corona Virus (COVID - 19) .Last such  
instructions were issued vide PBC 13/2021 and PBC 47/20201.

It is seen that the number of such cases are increasing and the  
preventive measures as issued from time to time should be followed  
scrupulously and the Standard Procedure Order issued vide PBC 148/2020  
dated 03/09/2020 followed strictly.

To restrict the increasing cases of COVID - 19 infections it has  
been decided that all Headquarters Offices including Construction (CN) will  
function with 50% minimum attendance with the remaining staff are to work  
from home, this would come to effect from

15-04-2021 to 30-04-2021. For the divisional offices as well as workshop administrative offices DRM's and CWM's are empowered to take a decision in the matter depending upon local conditions. Further the instructions given in PBC No. 77 / 2020 dated 09-05-2020 is to be read in conjunction with the above order.

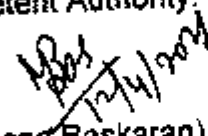

In terms of DOP&T OM No.11013/9/2014-Estt A III dated 06/04/2021, all central Government employees of the age of 45 years and above are to get themselves vaccinated so as to effectively contain the spread of COVID - 19. However all staff of age below 45 especially frontline staff may be encouraged to get themselves vaccinated.

Even after vaccination, frequent washing of hands / sanitization, wearing of masks / face cover and observing social distancing etc., should be followed.

The sanitizations of the office premises must be carried out during all weekends until further instruction. The workshops should function by strictly following the SOP as enumerated in Point B 1 - A of the Tamil Nadu Government G.O. dated 08-04-2021.

The vaccination camp to be conducted in all areas for vaccination in their premises.

This issues with the approval of the Competent Authority.
