D.O. No. 1-5/2023-DIGED/-Part(3)

I am happy to bring to your knowledge that Rashtriya e-Pustakalaya (ReP), launched by Department of School Education & Literacy, Ministry of Education, serves as a free digital library and a collection of non-academic books. It offers literature, stories and multilingual content, with the objective of making reading joyful and accessible for all learners. The library's content has been systematically organised into four age-appropriate categories: 3-8 years, 8-11 years, 11-14 years, and 14+ years, in alignment with the pedagogical structure of the National Education Policy 2020.

You would be glad to know that currently Rashtriya e-Pustakalaya hosts over **5,500 non-academic titles** from more than **200 publishers**, available in **23 languages**. The ReP application is available on Web, Android, and iOS platforms, and is developed and implemented by the National Book Trust, India (NBT) under the aegis of the Ministry of Education.

According to the latest UDISE+ 2024-25 data, **63.5% of schools have internet connectivity and 57.9% of schools have Computer facility** for pedagogical purpose. This existing ICT and internet infrastructure must be utilised to promote digital reading and learning among students through Rashtriya e-Pustakalaya (<https://ndi.education.gov.in/home>).

Kindly instruct all schools under your jurisdiction that are equipped with ICT facilities or smart-classroom infrastructure to download and register on Rashtriya e-Pustakalaya portal/application for use of students on desktops etc.

In addition, every teacher may be encouraged to download the App not only for familiarisation but also for becoming avid reader themselves. The teachers may similarly encourage the students to do the same for anywhere and anytime reading. Rashtriya e-Pustakalaya aims to cultivate a lifelong passion for reading among children and teachers by imparting knowledge and fostering pride in India's rich cultural and literary heritage. Your proactive support and cooperation are vital for translating digital infrastructure into meaningful learning outcomes.

I look forward to your earnest support and immediate action in enabling the effective implementation of this initiative across schools in your State/UT/AB/Board.

*Best wishes*

Your sincerely

*17/12/2025*  
(Sanjay Kumar)
