Sub: Payment of pension/family pension under New Pension System (NPS)

~~~~~

A number of references are being received from various forums regarding non-payment of family pension/pension to beneficiaries in case of death/disability of employees covered under NPS. In this regard, CRIS has confirmed that necessary NPS module in IPAS is already in place for payment of pension. However, a number of accounting units on Railways are not using the utility (Ann.1). It is, therefore, requested to review the position in respect of your Railway besides ensuring that all the Accounting units in your Railway have been included in Ann. 1. Further, the utility for revision of pension/family pension as per recommendations of 7<sup>th</sup> CPC has also been developed by CRIS and released in August 2019, the link of which is available on home screen of IPAS. As per information available in IPAS, in 976 cases pension is still being paid as per 6<sup>th</sup> CPC. Railway wise position is enclosed at Ann.2.

Kindly advise all accounting units to implement the above utility in IPAS immediately and also ensure that the pension/family pension of all beneficiaries are revised as per 7<sup>th</sup> CPC through IPAS, if not already done.
