**Indian Railway Establishment Code
Sixth Edition- 2020**

PREFACE

There are two volumes of Indian Railway Establishment Code - Vol. I was last revised in 1985 and Vol.II in 1987. Similarly there are two volumes of Indian Railway Establishment Manuals - Vol. I was last revised in 1989 and Vol.II in 1990.

2. Establishment rules and procedures have undergone several changes in past few decades. Hence necessity was felt to bring about consolidation, delegation, simplification and updation of the relevant rules. It was decided to merge both the volumes of Indian Railway Establishment Codes and some relevant chapters/rules of Indian Railway Establishment Manuals into a single volume of Indian Railway Establishment Code (IREC) to be issued by the President in exercise of powers conferred on him by the proviso to Article 309 of the Constitution of India . Further, instead of continuing with Indian Railway Establishment Manuals (IREMs) as separate rules, it was decided to have a separate volume each on **Rules for Non-gazetted staff of Indian Railways** and **Railway Welfare Rules**, to be issued under Railway Board's powers. The provisions and Chapters included in the present edition, subject to what is stated in Paragraph 3 below, supersede all the rules and orders on the subject contained in 1985 edition (IREC Vol.I) and 1987 edition (IREC Vol.II) to the extent these have been revised and incorporated in this volume.

3. The revised edition will have twenty Chapters . The Chapter-6 dealing with Medical Attendance Rules stands deleted. Railway employees, their spouse and eligible dependent(s) will be entitled to medical facility as detailed in Chapter – VI and other relevant chapters of Indian Railway Medical Manual, 2000 (Third Edition) as amended from time to time. Contents of Chapter 8 and 12 of the IREC Vol.I (1985 edition) dealing with Staff Benefit Fund and Compensation for injuries and losses etc., have not been included in this edition, but would be incorporated in the **Railway Welfare Rules**. Contents of Chapter 10 dealing with State Railway Gratuity Rules have been dropped because of their irrelevance in today's context. Chapter -19 on Confidential Report was deleted from the Establishment Code in 2001, hence stands deleted.

4. The revised edition has been made more comprehensive by adding relevant chapters / para, as detailed below, of the existing Indian Railway Establishment Manuals - Vol. I (1989 edition) :

- i. Rules 120 (iii) (Rules for Recruitment of Gr. C & D Staff)of Chapter-I included as Rule 224 (service agreements) in Chapter -2
- ii. Rules 327 to 341 (Section-B Gazetted - Rules regulating Seniority) Chapter –III have been included as Rule 214-A in Chapter -2
- iii. Chapter- XIV (forwarding of applications from serving Railway employees for posts outside Railways) included as Rule 244(2) to 244(12) in Chapter -2.
- iv. Chapter - XII (Change in Name) included as Rule 245 in Chapter -2
- v. Chapter - VII (other compensatory allowances) included as para 1420 to 1423 in Chapter – 14

5. Relevance of several Chapters in APPENDIX has been revisited. Appendix-I dealing with the Railway Services (Conduct) Rules, 1966 and Appendix-II dealing with instructions for the submission receipt and transmission of petitions to the President of India may be included in the Railway Servants (Discipline & Appeal) Rules, 1968. Appendix–III dealing with rules regulating the Compassionate Fund of the Government of India may be included in the Railway Welfare Rules. Appendix- IV concerning the Provident Funds Act, 1925 is dropped. Appendix-V relates to study leave rules as per rule 556 of Chapter -5, hence included as an Annexure after the Leave Rules. This edition will have three appendices: Appendix –I (earlier Appendix- VI of R-1) dealing with delegations made by President with reference to rule 103(11), Appendix – II (earlier Appendix-I of R-2) dealing with rates of contribution payable during foreign service and Appendix –III Concordance.

PREFACE

The State Railway Establishment Code, Vol. I was originally published in September, 1940. Subsequently four editions were brought out as Indian Railway Establishment Code, Volume I in 1945, 1951, 1959 and 1971 respectively. The 1971 edition has now been revised to incorporate all amendments issued upto 31-12-83 in respect of relevant provisions, and is issued by the President in exercise of powers conferred on him by the proviso to Article 309 of the Constitution of India.

2. The revised edition of the Code is a self-contained compilation made by rearranging the Chapters of 1971 edition after simplifying and rationalizing the existing rules. The provisions and Chapters included in the present edition, subject to what is stated in Paragraph 3 below, supersede all the rules and orders on the subject contained in 1971 edition to the extent these have been revised and incorporated in this volume.

3. Contents of Chapter II, III, IV & V of the 1971 edition dealing with Travelling Allowance, Compensatory Allowance, House Rent Allowance and Overtime & Running Allowance, have not been included in this edition, but would be incorporated in the revised edition of Establishment Code Volume II. Contents of Chapters VIII and XIV dealing with 'Passages' and 'Sterling Accounts' have been dropped because of their irrelevance in today's context. Contents of Chapter X on 'Language Examination' have been merged with the Chapter on 'Recruitment'. Contents of Chapter XI regarding 'Educational Assistance' have not been included as the relevant material is contained, in Establishment Manual. Contents of the entire Chapter XVII dealing with 'Discipline' have also been excluded as these Rules have already been published in a separate booklet.

109. Scales of Pay of Groups A & B Railway Servants.— The Revised Scales of Pay (Pay level in pay matrix as per RSRP rules 2016) admissible to Railway servants in Group A & B shall be as notified by government with the sanction of the President.

No alteration in the scale of pay of a post or service can be made without the sanction of the President.

110. Sanctioned strength of cadres.—Subject to any statutory provision in this regard, the strength including both the number and character of posts of the Railway Services, Group A and B, shall be determined by the Railway Ministry.

Note.—Provided the total number of sanctioned gazetted posts in any grade (Principal Heads of Departments, Heads of Departments, Deputy Heads of Department, Senior Scale, Junior Scale and Group B Officers) of the service concerned is not exceeded, the General Managers are empowered to vary solely in the public interest having regard to changes in the work and responsibilities of the posts concerned (and not in the interest of officers) the distribution of posts within that grade for a period of not exceeding 12 months.

111. The cadres of the services and departments included in Railway services Groups A & B (other than Medical Department and specialists and Indian Railway Protection Force Service) posts on Indian Railways shall be fixed in accordance with the principles stated below:--

(1) Separate cadres shall be maintained for each Railway.

(2) (a) The number of permanent working posts, that is, posts required for ordinary duty on a railway, shall first be determined for each service or department and divided in grades as classified in RSRP Rules.

- (i) Higher Administrative Grade Plus
- (ii) Higher Administrative Grade
- (iii) Senior Administrative Grade
- (iv) Selection Grade
- (v) Junior Administrative Grade
- (vi) Senior Scale
- (vii) Junior Scale/Group 'B'

(b) The General Working posts (including Apex), that is posts required for general purposes of the railway which may be filled by gazetted railway officers of any service may normally be determined and divided in proportion to the sanctioned strength of each cadre.

(c) The number of posts to be allotted to the Junior Scale shall be calculated with reference to the total number of Administrative Grade and Senior Scale posts, and shall be so fixed as to allow a continuous flow of promotion from lower to higher grade after a given period of service. For this purpose all the administrative posts, including the general administrative posts shall be taken into account. The rest of the posts included in (2) (a) (vii) above shall be allotted to group 'B'.

(d) The total number of posts thus arrived at for each grade in a department shall form the permanent duty strength of each service or department.

(3) Posts required for meeting deputation, leave and training requirements will be provided in Junior Scale based on requirements assessed from time to time. These posts shall be intended ordinarily to provide for the deputation/training and/or grant of leave to a member of the Department without the necessity of making an officiating appointment to the Junior Scale or to Group B post in the chain or vacancies consequent on the deputation, training and/or grant of leave to the member in question.

(4) The permanent duty strength together with the posts sanctioned as "deputation, training and leave reserve" shall form the total permanent cadre of the service or department concerned.

112. The permanent strength of the Medical Department shall be fixed with reference to the permanent posts required for ordinary duty and will include at the Additional Divisional Medical Officer's level a leave and deputation reserve of 20 per cent of the permanent working posts.

Instruction for working the Cadres

113. Excess over sanctioned number. – The number of posts sanctioned for each grade in a department shall in no case be exceeded without the sanction of the authority competent to create a post, either permanent or temporary, in the grade.

114. General Posts. – If a general post included in the permanent cadre of a service or department is held by a member of another service or department, such post shall be treated, for the purpose of comparing sanctions with actuals, as permissible additions to the permanent cadre of the latter department by a corresponding reduction in the permanent cadre of the former, for the period for which such arrangement lasts.

115. Reversion to open line. – When a permanent open line gazetted railway officer holding a post in the office of the Railway Board or in an office/project/organisation directly subordinate to that authority proceeds on leave, deputation or attains superannuation he shall be treated as having reverted to the Railway on the cadre of which he is borne, except,

- (i) When he is expected to return to his post at the end of the leave; and
- (ii) Either the leave taken by him is leave on average pay not exceeding four months or he holds a permanent post in the office/project/organisation.

On reversion to the parent railway he shall be considered as a permissible excess over the permanent cadre of that railway for the period of his leave.

116. Holding of posts in abeyance or keeping them unfilled.—No gazetted post in Group A or B may be held in abeyance without the sanction of the authority competent to create it. If it is proposed to keep such post(s) unfilled for more than six months, the matter shall be reported to the Railway Ministry.

Note.—For the purpose of this rule, when the duties of a post are performed by another officer in addition to his own duties such post shall be considered to have been kept unfilled.

117. Checks to be applied to cadres.—The cadres shall be checked in the manner prescribed in the Indian Railway Code for the Accounts Department and all reasonable precautions (e.g. reversion of the officers officiating) taken before hand to prevent the occurrence of avoidable excess over the cadre.

118. Tenure posts. – (1) The President may declare any posts outside the cadre of a regular service as tenure posts.

(2) No officer in Group A shall in the normal course hold any of the posts, beyond 5 years in Railway Board, RDSO and CTIs .

Cadres of Railway Servants—Group C

119. In the Railway Board and attached offices.—The number and character of Group C posts in the office of the Railway Board and other offices, projects, organizations, immediately under its control shall be such as may be determined by the Railway Board. Any other authority to whom the powers may be specifically delegated by the Railway Board may create posts on the conditions prescribed in their respective schedules of power.

120. On Railways, Production Units or other Establishments.—The number and character of Group C posts may be determined by the General Managers or the authority to whom such powers are delegated, provided that the prior sanction of the Railway Ministry is necessary for the introduction of a new category not already obtaining on a Railway.

121. Scales of Pay (Pay Level in Pay Matrix) of all the posts in Group C shall be as per the RSRP Rules 2016. The introduction of a new revised scale (Pay Level in Pay Matrix) for a particular category shall require the concurrence of Ministry of Finance and approval of President.

122. Supernumerary Posts.—Supernumerary posts are permanent posts created under special circumstances for operation for a limited period as such at the discretion of the competent authority to create the posts in the administrative convenience.

Government of India's Orders

While it is obviously not possible to give an exhaustive list of the circumstances in which supernumerary posts may be created, the following broad principles governing the creation of such posts may be indicated.—

- (i) A supernumerary post is normally created to accommodate the lien of an officer, who, in the opinion of the authority competent to create such a post, is entitled to hold a lien against a regular permanent post but who, due to non-availability of a regular permanent post, cannot have his lien against such post.
- (ii) It is shadow post i.e., no duties are attached to such posts. The officer, whose lien is maintained against such a post, generally performs duties in some other vacant temporary or permanent posts.
- (iii) It can be created only if another vacant permanent or temporary post is available to provide work for the person, whose lien is retained by the creation of the supernumerary post. In other words, it should not be created in circumstances which, at the time of creation of the post or thereafter, would lead to an excess of the working strength.
- (iv) It is always a permanent post. Since, however, it is a post created for accommodating a permanent officer till he is absorbed in a regular permanent post, it should not be created for an indefinite period as other permanent posts are, but should normally be created for a definite and fixed period sufficient for the purpose in view.
- (v) It is personal to the officer for whom it is created and no other officer can be appointed against such a post. It stands abolished as soon as the officer for whom it was created vacates it on account of retirement or confirmation in another regular permanent post or for any other reason. In other words, no officiating arrangements can be made against such a post. Since a supernumerary post is not a working post, the number of working posts in cadre will continue to be regulated in a manner that, if a permanent incumbent of one of the regular posts returns to the cadre and all the posts are manned, one of the officer of the cadre will have to make room, for him. He should not be shown against a supernumerary post.
- (vi) No extra financial commitment is involved in the creation of such posts in the shape of increased pay and allowances, pensionary benefits etc.

POWER TO FRAME RULES

123. The Railway Board have full powers to make rules of general application to Group C railway servants under their control.

124. The General Managers of Indian Railways have full powers to make rules with regard to railway servants in Group C under their control provided they are not inconsistent with any rules made by the President or the Railway Board.

Note 4.—Stammering is not to be regarded as disqualifications for office clerical staff who do not have to come in direct contact with public.

Note 5.—There should be no bar to the admission into clerical service on Railways of a candidate (either sex) who is blind in one eye. The guiding consideration should generally be whether the candidate's vision is adequate for the performance of duties attached to the service or post and whether undue risk attaches in his/her being accepted for appointment.

Government of India's decisions.—

1.The proceedings of a medical examination conducted by a Medical Officer or a Medical Board constituted to examine a railway servant, or a candidate for railway service, could be treated as confidential. Candidates recommended to be disqualified by a Medical Board or a Medical Office should not be informed of the reasons which led the Board or officer to recommend disqualification. This procedure should be carefully observed.

2. In cases, however, where a Medical Officer or a Medical Board considers that minor disability disqualifying a candidate for railway service can be cured by treatment (Medical or Surgical) a statement to that effect is recorded by the Medical Officer or the Medical Board, as the case may be. There is no objection to a candidate being informed of the Medical opinion to this effect by the Administration and when a cure has been effected it will be open to the Administration to ask for another medical examination.

223. First-Aid.—The railway servants in categories which the General Manager may prescribe, will in addition, be required to acquire an approved certificate of competency in First-Aid. They will keep their knowledge in First Aid alive during the entire period of their service through refresher courses at intervals that may be prescribed from time to time.

- (a) The period of apprenticeship/ Training.

- (e) The forfeiture of the security deposit, if any, and recovery of the cost of training at the discretion of the administration in the event of violation of the terms of the agreement by the apprentice.
- (f) No guarantee or promise of employment on completion of apprenticeship.
- (g) All agreements shall be stamped, the cost being borne by the railway servant concerned.

Note.—In the case of all railway servants the offers of appointment should stipulate inter alia that in all matters not specifically provided herein, or in the recruitment rules, they will be governed by the provisions of the Indian Railway Codes and other extant orders as amended/issued from time to time.

For Group A officers, their service agreement is to be executed as provided in their Recruitment Rules.

225. Date of Birth.—(1) Every person, on entering railway service, shall declare his date of birth which shall not differ from any declaration expressed or implied for any public purpose before entering railway service. In the case of literate staff, the date of birth shall be entered in the record of service in the railway servant's own handwriting. In the case of the illiterate staff, the declared date of birth shall be recorded by a senior railway servant and witnessed by another railway servant.

(2) The date of birth as recorded in accordance with these rules shall be held to be binding and no alteration of such date shall ordinarily be permitted subsequently. It shall however, be open to the President in the case of a Group A & B railway servant, and a PCPO in the case of a non-gazetted staff to alter the date of birth within three years from date of appointment.

- (i) where in his opinion it had been falsely stated by the railway servant to obtain an advantage otherwise inadmissible, provided that such alteration shall not result in the railway servant being retained in service longer than if the alteration had not been made, or
- (ii) where a satisfactory explanation submitted within three years' service of date of appointment.
- (iii) where the PCPO is satisfied that a clerical error has occurred, including in the case of illiterate staff, alteration of date of birth may be allowed as per normal rule without any restriction of three years.

Railway Ministry's decision.—(a) When a candidate declares his date of birth he should produce documentary evidence such as a Matriculation certificate or a Municipal birth certificate, if he is not able to produce such an evidence he should be asked to produce any other authenticated documentary evidence to the satisfaction of the appointing authority. Such authenticated documentary evidence could be the School Leaving Certificate, or some other reliable document.

(b) In the case of level-1 employees care should be taken to see that the date of birth as declared on entering regular level-1 service is not different from any declaration expressed or implied, given earlier at the time of employment as casual labourer or as a substitute.

Note.—The source/basis on which the date of birth has been recorded in the Service Records of the employee at the time of entering service may be recorded below the date of birth recorded.

(Authority:--Railway Board's letter No.E(G)99 FR 1/1 dt. 7-12-99)

226. Transfers.—Ordinarily, a railway servant shall be employed throughout his service on the railway or railway establishment to which he is posted on first appointment and shall have no claim as of right for transfer to another railway or another establishment. In the exigencies of service, however, it shall be open to the President to transfer the railway servant to any other department or railway or railway establishment including a project in or out of India. In regard to Group C railway servants, the power of the President under this rule in respect of transfer, within India may be exercised by the General Manager or by a lower authority to whom the power may be re-delegated.

Railway Ministry's decision.—Requests from railway servants in Groups C for transfer from one railway to another on grounds of special cases of hardships may be considered favourably by the railway administration. Such staff transferred at their request from one railway to another shall be placed below all existing confirmed and officiating staff in the relevant grade in the promotion group in the new establishment, irrespective of date of confirmation or length of officiating service of the transferred employees. (Railway Ministry's letter No. E. 55SR/6/6/3 dated 19th May, 1955).

227. A competent authority may transfer a Railway servant from one post to another provided that, except:-

- (1) On account of inefficiency or misbehavior, or
- (2) On his written request,

A Railway servant shall not be transferred to, or except in a case of Additional Post charge, appointed to officiate in a post carrying less pay than the pay of the post on which he holds a lien. (Authority:- Railway Board's letter No. E(NG)I-98/CN5/2 dt.5-2-99)

228. Retention of lien on transfer.—The lien of a permanent staff transferred to another railway will be retained by the transferring railway till he is finally absorbed on the other railway.

229. Transfer on request.—Transfers ordered in the interest of employees shall be within the same seniority group, or different group or a mutual exchange. If such transfers are within the same seniority group under the same railway the seniority is not affected but if the transfers are inter divisional or outside the seniority group, the railway Ministry's decision below rule 226 for inter railway transfers shall apply.

230. Transfer on mutual exchange.— Transfer on mutual exchange may be considered between employees belonging to two different seniority groups either in the same division /HQ/Unit or another division /HQ/Unit , as the case may be. The senior of the two employees will be given the place of seniority vacated by the other person. The junior will be allowed to retain his former seniority and shall be fitted into the seniority below the persons having the same seniority.

231. Transfer from one department to another.—Person employed in one department shall not be eligible for employment in another except with the previous consent of the head of the department in which they are employed. Without such prior consent the head of an office or department shall not employ a person either temporarily or permanently, if he knows or has reasons to believe that such persons belongs to another establishment under Government. A railway servant who takes up a new employment without the consent of the head of department commits a breach of discipline and is liable to be punished. Divisional Railway Managers, may, however, transfer Group-C (level-1) employees (peons, track maintainers, Khalasi, unskilled and semiskilled, etc.) from one department to another or from one Division to another. Divisional Railway Manager may also transfer Non- Gazetted Railway employees working in Level-2 and above from one department to another for divisional controlled posts subject to the condition that requests should not be entertained for change of category to commercial and other non- technical popular categories like clerk, accounts clerk, Ticket Collector, Senior Clerks, Junior Accounts assistant, Commercial Apprentice, Traffic apprentice, ECRC etc.

232. (a) Deleted

(b) Deleted

233. Charge of Office—The charge of an office must be made over at its headquarters, both the relieving and relieved railway servants being present unless for special reasons by the authority under whose orders the transfer takes place permits.

Note.—In respect of railway servants posted abroad, railway Ministry's sanction is necessary to allow them to make over or resume charge of office elsewhere than at headquarters.

(Railway Ministry's letter No. F(E)61 FR-81 dated 21st Sept. 1961.)

234. Headquarters of a Railway servant.—(a) Deleted

(b) The headquarters of any other railway servant are either the station which has been declared to be his headquarters by the authority competent to prescribe his headquarters for the purpose of traveling allowance, or in the absence of such declaration, the station where the records of his office are kept.

Note.—An officer under suspensions regarded as subject to all other conditions or service applicable generally to railway servants and cannot leave the station without prior permission. As such, the headquarters of a Railway servant should normally be assumed to be his last place of duty. However, where an individual under suspension requests for a change of headquarters, there is no objection to a competent authority changing the headquarters if it is satisfied that such a course will not put the Railway Administration to any extra expenditure like grant of traveling allowance or other complications.

235. Leaving jurisdiction.—(a) No railway servant is entitled to pay or allowances for any time he may spend beyond the limits of his charge without proper authority.

A Principal Financial Adviser may pass pay and allowances to the General Manager of a Railway under the latter's own orders for any period during which he may be absent from his jurisdiction on duty.

236. Casual Leave.—Casual leave is not recognized and is not subject to any rule. Technically, therefore, a railway servant on casual leave for half a day or full day is not treated as absent from duty, and his pay is not intermitted. Casual leave, however, must not be given so as to cause evasion of the rules regarding –

- (i) date of reckoning pay and allowances,
- (ii) commencement and end of leave, and

or so as to extend the term of leave beyond the time admissible by rule.

Note.— Full pay is admissible to a railway servant on casual leave. If in any case less than full pay is allowed, it would amount to an imposition of a penalty not provided for in the Discipline and Appeal Rules.

Other General Conditions of Service applicable to all Railway Services

237. Whole time of railway servant at the disposal of Government.—Unless in any case it be otherwise distinctly provided, the whole time of a railway servant is at the disposal of the Government which pays him, and he may be employed in any manner required by proper authority, without claim for additional remuneration, whether the services required of him are such as would ordinarily be remunerated from the Consolidated Fund of Government of India, from a local fund or from the funds of a body incorporated or not, which is wholly or substantially owned or controlled by the Government.

238. Omitted. (Authority : Rly. Board's Letter No.E(NG)I-98/CN5/2,dt. 5-2-99).

239. Lien.—Unless in any case it is otherwise provided in these rules, a Railway servant on acquiring a lien on a post will cease to hold the lien previously acquired on any other post.

240. Retention of Lien.— A Railway servant who has acquired lien on a post retains the lien on that post—

- (a) while performing the duties of that post;
- (b) while on foreign service, or officiating in another post;
- (c) during joining time on transfer to another post, unless he is transferred alongwith his title to a post on lower pay, in which case his lien transferred to the new post from the date on which he is relieved of his duties in the earlier post; and
- (d) while on leave; and

- (e) while under suspension;

Provided that no lien of a railway servant shall be retained;

- (i) where a Railway servant has proceeded on immediate absorption basis to a post or service outside his service/cadre/post in the Government from the date of absorption; and
- (ii) On foreign service/deputation beyond the maximum limit admissible under the orders of the Government issued from time to time.

241. Omitted. (Authority: Rly. Board's Letter No.E(NG)I-98/CN5/2, dot. 5-2-99.)

242. Termination of Lien-(a) Except as provided in Rule 240 and clause (b) of this rule a Railway servant's lien on a post may in no circumstances be terminated.

(b) A Railway servant's lien on a post shall stand terminated on his acquiring a lien on another post (whether under the Central Government or State Government) outside the cadre on which he is borne.

243. Transfer of Lien-Subject to the provisions of Rule 227 a competent authority may transfer to another post in the same cadre, the lien of a Railway Servant who is not performing the duties of the post to which the lien relates.

244. Forwarding of applications to another post in railway service or outside the Railways.—

(1) Permission to a railway servant to submit an application for a post, to appear for an examination for a post, or to transfer his services to another post in railway service or in another office or Department under the Government of India or under a State Government shall not ordinarily be refused unless the head of the office or department in which he is employed considers that the grant of permission would not be consistent with the interests of the public service.

Railway Ministry's decision.—

(1) The applications from serving employees for employment elsewhere submitted otherwise than in response to advertisements or circulars inviting applications, should not be forwarded.

(Authority: Railway Board's letter No. E(NG)65-RC-1/186 dated 29-1-1966.)

(2) The lien of a permanent Railway servant appointed under another Central/State Government or office may be retained on the Railway for a period of two years (three years in exceptional cases). If he is not permanently absorbed within this period in the new post, he should immediately on expiry of the said period, either resign from the Railway service or revert to his parent office. Applications should be forwarded only if an undertaking to abide by these conditions is given by the staff concerned.

(Authority:- Railway Board's letter No. E (NG)-I-96/AP/2 dated 18-12-2000.)

Note: - Rules for forwarding of applications to another post in railway service or outside the Railways will be regulated by rules/instruction issued by Railway Board and its subsequent modifications time to time.

(2) . (a) Railway employees may be given 4 opportunities in a year to apply in response to notices of Government Departments/Public Sector Undertakings/autonomous bodies wholly or substantially financed and controlled by Central or State Government except where holding of any such applications is considered justified in the public interest by the competent authority.

(b) Applications in response to UPSC advertisement will not be counted against the four opportunities mentioned above.

Note : (1) The authorities should interpret the term 'public interest' strictly subject to the condition that forwarding of application should be the rule rather than the exception. In taking the decision to withhold the application the competent authority has to balance the interest of the state against the necessity of causing hardship to the individual.

(c) While it is not feasible to lay down the specific exhaustive guidelines for withholding of applications, some of them can be listed illustratively as follows :—

(i) The Railway employee is engaged on important time-bound projects and the work would be seriously dislocated if he is relieved.

(ii) A railway employee is under suspension

(iii) Disciplinary proceedings are pending against him and a charge sheet has been issued.

(iv) Sanction for prosecution, where necessary has been accorded by the competent authority

(v) where a prosecution sanction is not necessary, a charge-sheet has been filed in a Court of law against him for criminal prosecution.

(vi) Where he is undergoing a penalty — no application should be forwarded during the currency of such penalty.

(vii) When the conduct of a Government servant is under investigation (by the CBI or by the Controlling Department) but the investigation has not reached the stage of issue of charge-sheet or prosecution sanction or filing of charge-sheet for criminal prosecution in a court, the application of such a Government servant may be forwarded together with brief comments on the nature of allegations and it should also be made clear that in the event of actual selection of the Government servant, he would not be released for taking up the appointment

(viii) A railway employee is applying for a post which is equivalent in status and rank.

(Authority: Railway Board's letter No. E(NG)/78/AP/I dated 27-2-1979)

(3). Authorities competent to forward applications.—Applications of staff and officers below Junior Administrative Grade may be forwarded by the General Manager or by the lower authority to whom he may further delegate these powers. When, however, the lower authority decides to withhold an application it should be done only with the approval of the General Manager or the Head of Department concerned.

Applications of Officers of the Junior Administrative Grade and above in response to vacancies notified by Railway PSUs/Autonomous Bodies for appointment on deputation basis may be forwarded to the PSUs/ABs with the approval of General Manager. Applications of officers of the Junior Administrative Grade and above for deputation to other than Railway PSUs/ ABs may be forwarded to the Railway Board for disposal. Orders for deputation of the officers in all cases shall be issued by the Railway Board.

(Authority: Board's letter No 2018/E(O)II/41/dated 7.3.2018 addressed to the CMD/MDs of all Railway PSUs & Autonomous Bodies and copies endorsed to all Indian Railways & PU's)

(4). Application for employment in a private concern.—When a railway employee desires to apply for a post in a private concern he should first offer to resign or retire from railway service. For this purpose, any employment other than the employment under the Central Government or State Government, public sector enterprise wholly and partly owned by the Central Government or a State Government or an autonomous body wholly or substantially financed and controlled by the Central Government or a State Government will be treated as a private employment.

(Authority: Railway Board's letter No. E (NG) 57 RC1/56 dated 21-1-1961 and E (NG) 1/84 AP/9 dated 11-4-1986]

(5). (1) Retention of lien on selection on the basis of the forwarding of application :—

- i. If a permanent railway employee is selected on the basis of his application for posts in other Central Government Department/Offices, his lien may be retained in the parent department for a period of 2 years. If the employee concerned is not permanently absorbed within a period of 2 years from the date of his appointment in the new post, he should immediately on expiry of the period of 2 years either resign from Railway service or revert to his parent cadre. An undertaking to abide by this condition may be taken from him at the time of forwarding of his application to other departments/offices.
- ii. Temporary railway servants with less than 2 years service will be required to sever connections with railways in case of their selection for outside posts.
- iii. When a permanent railway servant has joined a department/office where he is not confirmed within a period of 2 years due to some reasons, he may, in exceptional cases, be permitted to retain the lien in the parent department/ office for one more year. While granting such permission, a fresh undertaking similar to the one indicated above may be taken from the railway employee.
- iv. Timely action should be taken to ensure extension/ reversion/ resignation of railway employees to their parent cadres on completion of the prescribed period of 2/3 years. In cases, where employee does not respond to instructions, suitable action should be initiated against him for violating the agreement/ undertaking given by him as per (i) and (iii) above and for termination of his lien.

(2) Termination of Lien :-

- i. A Railway servant's lien on a post may in no circumstances be terminated even with his consent if the result will be to leave him without a lien upon a permanent post. Unless his lien is transferred, a Government servant holding substantively a permanent post retains lien on that post. It will not be correct to deny a Government servant lien to a post he was holding substantively on the plea that he had not requested for retention of lien while submitting his Technical Resignation, or to relieve such a Government servant with a condition that no lien will be retained.
- ii. A Railway employee's lien on a post shall stand terminated on his acquiring a lien on a permanent post (whether under the Central Government or a State Government) outside the cadre on which he is borne.
- iii. No lien shall be retained:
 - (a) where a Railway servant has proceeded on immediate absorption basis to a post or service outside his service/ cadre/ post in the Government from the date of absorption; and
 - (b) on foreign service/ deputation beyond the maximum limit admissible under the orders of the Government issued from time to time.

(6). Continuity of service on technical resignation :— A permanent railway servant appointed in another Central Government Department/Office has to resign from his parent department unless he reverts to that department within a period of 2 years or 3 years in exceptional cases. Such resignations shall not be deemed to be resignation within the meaning of Rule 41(2) of Railway Services (Pension) Rules, 1993 for the purpose of pension. As a consequence, continuity of service benefits should be allowed to such employees in the matter of leave also i.e. the railway employee will be allowed to carry forward the leave earned by him, not only on the Railway but that earned during the temporary service or probation in the Civil Department also.

(7). The applications of railway employees for posts under State Government and their undertakings etc. may be forwarded subject to the provisions of para (5) and instructions issued from time to time and within the limit laid down for forwarding applications for outside posts.

(Authority:- Railway Ministry's letter No. E(NG)I/2006/AP/2 dt. 30.3.2006)

(7-A) : Forwarding of applications for posts advertised by Central/ Public Sector Undertakings/ Central Autonomous Bodies :— Applications of Railway servants in response to press advertisement for posts in Central Public Enterprises/Autonomous Bodies may be forwarded with a clear understanding with the Railway servants that in the event of

their selection for the post applied for they will sever their connections with the Railways before joining the Public Sector Undertakings/ Autonomous Bodies. There is no question of retention of lien in such cases. A Railway servant selected on the basis of his application with proper permission for post in Central Public Enterprises/Central Autonomous Bodies will be required to give his/her technical resignation before his/her relief from Railway service. The Railway servant may thereafter be relieved to take up appointment in the Public Sector Undertaking/ Autonomous Body. The relieving order should indicate the period within which the official should join the Public Sector Undertaking/ Autonomous Body. Normally this period should not be more than 15 days. This period may be extended by the competent authority for reasons beyond the control of the official. Necessary notification/ orders accepting the resignation of the Railway servant from Railway service should be issued from the actual date of his/her joining the Public Sector Undertaking/Autonomous Body. The period between the date of relieving and the date of joining Public Sector Undertaking/ Autonomous Body can be regulated as leave of the kind due and admissible and if no leave is due, by grant of extra ordinary leave. In case he/she is not able to join the Public Sector Undertaking/Autonomous Body within the period allowed by the competent authority, he/she should report back to the parent office forthwith.

(8) . Permission for applying for posts advertised by International Organisations/ Foreign Governments:— Railway servants may apply in response to open or public advertisement of vacancies by the International Organisation and Foreign Government's with the prior permission of the cadre controlling authority concerned. In rare cases, when the time available for submitting the application is short, a Railway servant may send his application to the concerned agency in advance with a copy to his cadre controlling authority and this may be confirmed or withdrawn subsequently depending on the decision of the authority. The cadre controlling authorities would consider each case only from the point of view of whether the Railways servant could be spared or not, no other general considerations should be applied in taking a decision in the case. A Railway servant may be permitted to apply in response to a public advertisement even if he has completed the permitted number of years he can spend in international/ foreign assignment in his career. However, in such a case, he would have to resign or take retirement from Government service on selection. A Railway servant applying for an international assignment in response to public advertisement will not be given the status of "official nominee" for the assignment. Correspondence relating to the grant or denial of permission will be between a Railway servant concerned and the cadre controlling authority/ Government and latter will not correspond with the international organisation/ foreign Government on the subject.

(Authority: Railway Board's letter No E(NG)I-96/AP/2(2) dated: 16.8.99)

(9). Forwarding of applications from railway employees to U.P.S.C.—The Railway employees who wish to appear at the competitive examination conducted by UPSC or wish to apply for posts, recruitment to which is proposed to be made by selection through UPSC may submit their complete applications in the prescribed form direct to UPSC. They should, however, immediately inform the Head of their office/ department giving details of the examination/posts for which they have applied requesting him to communicate his Permission to the Commission directly. The execution of the deed in format provided should be followed by publication of the change in a prominent local newspaper as well as the Gazette of India, publication being undertaken by the railway servant at his own expense. For the publication of the advertisement in the Gazette of India, the railway servant should approach the Manager of Publications, Government of India, Publication Branch. Note.(i)—The appointing authorities are empowered to reduce or waive, at their discretion the stipulated period of notice to be given by a railway servant but the reason justifying their action should be recorded. This power cannot be re-delegated.

(ii) However, in respect of Group 'A' probationers of railway services undergoing probationary training at the Centralized Training Institutes, this power may be exercised by the heads of Centralized Training Institutes where their probationary training has been centralized.

(Authority: Railway Board's letter No. E(Trg.)2004(13)/2 dated 08.12.2004)

- (iv) **that the post, which was vacated by the person or any other comparable post is available;**

- (v) **withdrawal of resignation shall not be accepted where a railway servant resigns his service or post with a view to take up a private employment or in company wholly or substantially owned or controlled by the government or under a body controlled or financed by the government; and**
- (vi) **when an order is passed by the competent authority allowing a person to withdraw his resignation and to resume duty, the order shall be deemed to include condonation of interruption in service but the period of interruption shall not count for qualifying service.**

Extension of Service and Re-employment of persons previously in Government Service

401.	General
402.	Re-employment of person who has been dismissed from Government service or convicted for a criminal offence
403.	Disclosure about past Government service and the reason for its termination
404.	Intimation of settlement benefits received in respect of previous employment
405.	Criteria for grant of extension / re-employment to railway servants

401. General.—(1) No extension of service/re-employment shall be granted as a rule or a Railway servant beyond the age of 60 years in exceptional circumstances with the approval of Ministry of Railways.

(2) During the period of extension of service, Railway servants will be governed by the conditions of service applicable to them before the date of superannuation.

(3) The terms and conditions for re-employment shall be prescribed by the Railway Ministry from time to time.

402. No person who has been dismissed from Government service or convicted for a criminal offence shall be re-employed, without the sanction of the President, or if the employment or re-employment is to a Group C post, without the sanction of the **General Manager**.

A Railway servant (Group-C) who is dismissed, removed or compulsorily retired from service may be re-employed with the personal approval of General Manager.

403. If a person seeking employment in Railway service is already in Government service or was formerly in such service, it shall be his duty to disclose this fact to the appointing authority and in the latter case give the reason for the termination of his service with Government.

404. When a person who was formerly in civil, railway or military employment obtains re-employment, whether temporarily or permanently in railway service, it shall be incumbent on him to declare to the appointing authority the amount of any gratuity, provident fund or pension received by him in respect of his previous employment.

405. Criteria for grant of extension / re-employment to railway servants —Extension of service/re-employment to railway servants after superannuation should be considered as per Railway Board's directives issued for this only in exceptional circumstances and in public interest keeping in view the following guide-lines:--

- (1) No proposal for extension of service/re-employment beyond the age of superannuation should ordinarily be considered. The over-riding consideration is that it must be clearly in the public interest and in addition it must satisfy one of the following two conditions:--
 - (i) that the in service officers are not ripe enough to take over the job; or
 - (ii) that the retiring officer is of such outstanding merit that it is considered necessary to retain him in service further.

- (2) No extension of service/re-employment should be considered on the ground that a suitable successor is not available unless it is established that action to select a successor had been taken well in advance, but the selection could not be finalised in time for justifiable reasons.
- (3) A proposal for the grant of extension of service/re-employment based merely on the consideration that the officer's predecessors had been given extension/re-employment should obviously not be accepted.
- (4) Appointment of retired officers in the Board of Management of Company, Public Sector Undertakings or enterprise under the Ministry of Railways should not as a rule be proposed. In exceptional circumstances which would justify the appointment of a retired officer, a detailed justification should be given for the consideration of the Appointment Committee of the Cabinet.
- (5) To provide for any eventuality for curtailing the period of extension/re-employment, the order granting an extension of service/re-employment should include a clause providing for termination of service after three/one month's notice at any time within the period of extension/re-employment.
- (6) No railway servant who is on extension of service after the prescribed date of retirement should be promoted to another post during the period of extension of service.

(Authority: Railway Board’s letter No. E(P&A)I-2017/CPC/LE-5 dated 01.11.2019/ ACS 138: RBE 186/2019)

General Conditions

503. Right to leave.—Leave cannot be claimed as of right and leave of any kind may be refused or revoked by the authority* competent to grant it, but it shall not be open to that authority to alter the kind of leave due and applied for except at the written request of the Railway servant. *See schedule.

“Provided that leave applied under rule 522, shall not be refused or revoked without reference to the Medical Authority, whose advice shall be binding.”

(Authority: Railway Board’s letter No. E(P&A)I-2017/CPC/LE-5 dated 01.11.2019/ ACS 138: RBE 186/2019)

Railway Ministry’s decision.—The above provisions are not, however, intended to be so used as in effect to a bridge to the employees’ leave entitlements. It is desirable in the interests of efficiency that employees take leave at suitable intervals and return to work keen and refreshed. The leave sanctioning authority should draw a phased programme for the grant of leave to

the applicants by turns with due regard to the priority of claims to leave at the same time ensuring for adequate presence of staff so that no dislocation in the normal working of establishment is caused.

504. Effect of dismissal, removal or resignation on leave at credit.—(1) Except as provided in rule 541 and this rule, any claim to leave to the credit of a railway servant, who is dismissed or removed or who resigns from railway service ceases from the date of such dismissal or removal or resignation.

(2) Where a railway servant applies for another post under the Government of India but outside the Railways, if such application is forwarded through proper channel and the applicant is required to resign his post before taking up the new one, such resignation shall not result in the lapse of the leave to his credit.

(3) A railway servant who is dismissed or removed from service and is reinstated on appeal or revision, shall be entitled to count for leave his service prior to dismissal, or removal, as the case may be.

(4) A railway servant, who having retired on compensation or invalid pension or gratuity is re-employed and allowed to count his past service for pension or State Railway Provident Fund benefits, as the case may be, shall be entitled to count his former service towards leave.

Railway Ministry's decision

Break in Service due to strike.—Strikes may be divided into two categories—

(a) Legal strikes, i.e. those which have been called after complying with the provisions of the Industrial Disputes Act, 1947 and

(b) Illegal strikes, i.e. those in which the preliminaries to the calling of a legal strike have not been observed

Strikes falling under (a) above do not constitute a break in service and it would be appropriate for the Railway administrations to treat the period of absence as leave with or without allowances as the case may be without reference to the Railway Board.

In case of illegal strikes, however, the absence of the employees concerned is tantamount to a break in service and cannot be condoned without the sanction of the President.

When a break in service due to participation in an illegal strike is condoned by the President as dies non i.e. neither constituting a break in service nor counting as service such a period is deleted as being non-existing in so far as the particular employee or employees are concerned and therefore the status quo ante the interregnum is restored in all respects from the date following the last day of the period treated as dies non. In other words service prior to the break so condoned will be treated as continuous with the services after the break itself for all purposes but the period of break itself will not be taken into account for any purpose.

(Case No. E48 ST/191(L) & E 51.ST/1-44).

505. Conversion of one kind of leave into another .—(1) At the request of a railway servant made before he ceases to be in service, the authority which granted him leave may convert it retrospectively into leave of a different kind which was due and admissible to him at the time the leave was granted, but the railway servant cannot claim such conversion as a matter of right.

Provided that no such request shall be considered unless received by such authority, or any other authority designated in this behalf, within a period of 30 days of the concerned Railway servant joining his duty on the expiry of the relevant spell of leave availed of by him.

(Authority:- Railway Board's letter No.F(III)/98/LE1/1 dt. 5-2-98)

(2) The conversion of one kind of leave into another shall be subject to adjustment of leave salary on the basis of leave finally granted to the railway servant, that is to say, any amount paid to him in excess shall be recovered or any arrears due to him shall be paid.

Note.—Extraordinarily leave granted on medical certificate or otherwise may be converted retrospectively into ‘leave not due’ subject to the provisions of rule 528.

506. Commencement and end of leave.—Leave ordinarily begins on the day on which transfer of charge is effected and ends on the day preceding that in which charge is resumed.

507. Combination of different kinds of leave.—Except as provided otherwise under these rules, any kind of leave under these rules may be granted in combination with or in continuation of any other kind of leave.

Explanation.—Casual leave which is not recognised as leave under these rules shall not be combined with any other kind of leave admissible under these rules.

508. Combination of holidays with leave.—(1) When the date immediately preceding the day on which a railway servant’s leave begins or immediately following the day on which his leave expires is a holiday or one of a series of holidays, the railway servant may leave his station at the close of the day before, or return to it on the day following such holidays, provided that—

(a) his transfer or assumption of charge does not involve the handing or taking over of securities or moneys other than a permanent advance;

(b) his early departure does not entail a correspondingly early transfer from another station of a railway servant to perform his duties; and

(c) the delay in his return does not involve a corresponding delay in the transfer to another station of the railway servant who was performing his duties during his absence or in the discharge from railway service of a person temporarily appointed to it.

(2) in the case of leave on medical certificate:--

(a) When a Railway servant is certified medically unwell to attend office, holidays if any immediately preceding the day he is so certified shall be allowed automatically to be prefixed to leave and the holidays if any immediately succeeding the day he is so certified (including that day) shall be treated as part of the leave; and

(b) When a Railway servant is certified medically fit for joining duty, holidays if any, succeeding the day he is so certified shall be allowed automatically be allowed to be suffixed to the leave and holidays, if any, preceding the day he is so certified (including that day) shall be treated as part of the leave.

(3) On condition that the departing railway servant remains responsible for the moneys in charge, the competent authority may in any particular case waive the application of clause (a) of proviso to the sub-rule (1).

(4) Unless the authority competent to grant leave in any case otherwise directs—

(a) If holidays are prefixed to leave, the leave and any consequent rearrangement of pay and allowances take effect from the day after the holidays; and

(b) If holidays are suffixed to leave, the leave is treated as having terminated and any consequent rearrangement of pay and allowances takes effect from the day on which the leave would have ended if holidays had not been suffixed.

Railway Ministry’s decision—All holidays notified locally by Railway Administrations may be treated as holidays for the purpose of rules 506 and 508. Since the declaration of holidays as recognized holidays rests with the President the lists of holidays should be approved by that authority.

The above decision does not apply to offices which follow holidays declared by Central and State Government or Union Territories

(Railway Ministry’s case No. F43/HL(1))

509. Employment during leave.—A Railway servant on leave may not take any service or accept any employment without obtaining the previous sanction of—

- (a) the President if the proposed service or employment is outside India; and
- (b) the authority empowered to appoint him, if in India.

Note—This does not apply to casual literacy work, or to service as an examiner or similar employment nor does it apply to acceptance of foreign service with the sanction of the competent authority.

510. Maximum amount of continuous leave.

- (1) No Railway servant shall be granted leave of any kind for a continuous period exceeding five years.
- (2) Unless the President, in view of the exceptional circumstances of the case otherwise determines, a Railway servant who remains absent from duty for a continuous period exceeding five years other than on foreign service, with or without leave, shall be deemed to have resigned from the Railway service:

Provided that a reasonable opportunity to explain the reasons for such absence shall be given to that Railway servant before provisions of sub-rule (2) are invoked.

Provided further that this rule shall not apply to a case where leave is applied on medical certificate, in connection with a disability.”

Note:- Here and hereafter “disability” means “specified disability”, “benchmark disability” and “disability having high support needs” as referred to in the Rights of Persons with Disabilities Act, 2016 (49 of 2016).

(Authority: Railway Board’s letter No. E(P&A)I-2017/CPC/LE-5 dated 01.11.2019/ ACS 138 & RBE 186/2019)

(3) Leave applied on medical certificate in connection with disability should not be refused or revoked without reference to a Medical Authority, whose advice shall be binding. The ceiling on maximum permissible leave laid down in sub-rule (1) above may not be applied to leave on medical certificate applied in connection with the disability. Any leave debited for the period after a Railway servant is declared incapacitated shall be remitted back into his/her leave account. For a Railway servant who is unable to submit an application or medical certificate on account of disability, an application/medical certificate submitted by a family member may be accepted.

512. Grant of leave.—Priority of claims to leave.—In case where all applications for leave cannot, in the interest of the public service, be granted, an authority competent to grant should, in deciding which applications should be granted, take into account the following considerations—

- (c) The amount and character of the service rendered by each applicant since he last returned from leave.
- (d) The fact that any such applicant was compulsorily recalled from his last leave.
- (e) The fact that any such applicant has been refused leave in the public interest.

Railway Ministry's decision 1.—The order sanctioning leave on average pay/half average pay to Railway servant shall indicate the balances of such leave at his credit.

519. Commuted Leave/Leave on production of Medical Certificate by the Railway Servants shall be regulated as follows:-

1. (i) A Railway servant (Gazetted or Non-gazetted), on being a Central Government Health Scheme (CGHS/Railway Health Service(RHS) beneficiary and living in an area covered by the CGHS/RHS at the time of illness, shall be required to produce a Medical and Fitness Certificate in the Form prescribed in Annexure XI to Rule 538 and 541 of Indian Railway Medical Manual, Volume I, Third Edition 2000 either from an authorized CGHS Medical Officer or a Railway/Government Authorized Medical Officer.

In circumstances where the Railway Doctor's line visits do not materialize, the Railway employee who are covered by the line jurisdiction of the Railway Doctor and who have fallen ill, may obtain a Medical Certificate from a Registered Medical Practitioner (RMP) subject to the condition that if the leave applied for on medical grounds is for more than 3 days, the employee should report to the Railway doctor if he is fit to travel or send intimation about his condition, if he is bed-ridden, at such intervals as directed by the Railway doctor.

(ii) Railway servants (Gazetted or Non-gazetted), who are not CGHS beneficiaries, (including those who have opted out of the CGHS/RHS or are CGHS or RHS Card Holders, but at the time of illness are residing outside the jurisdiction of the CGHS/RHS facilities or take ill while being outside the Headquarters) are required to produce a Medical and Fitness Certificate from his Authorized Medical Attendant (AMA) provided that in the case of a Non-gazetted employee, if no AMA is available within a radius of 8 kilometers of his residence or place of temporary stay outside the Headquarters, the leave sanctioning authority may at his discretion, sanction Leave/Commutated Leave on production of a Medical Certificate from the Registered Medical Practitioner, after satisfying itself of the facts/merits of the case.

(iii) In case of hospitalization/indoor treatment permitted in a private hospital recognized under the CGHS/Central Services (Medical Attendance) Rules, 1944 and Railway Medical Attendance Rules as contained in Indian Railway Medical Manual, Third Edition, 2000, a Railway servant (Gazetted or Non-gazetted), whether a CGHS/RHS beneficiary or not, may produce the requisite Medical/Fitness Certificate from the Authorized Medical Officer of such a hospital in case his hospitalization/indoor treatment, is on account of the particular kind of disease (e.g heart, cancer etc.) for the treatment of which the concerned Hospital has been recognized by the Ministry of Health and Family Welfare. There may be instances where an employee may be initially admitted to such a hospital at a stage when the disease has not yet been fully diagnosed and it may subsequently be established that the disease was not that, the suspicion of which prompted his/her admission to the hospital. In such cases, the leave sanctioning authority, with the approval of the General Manager, may grant Leave/Commutated Leave on the basis of the Medical Certificate from the Authorized Medical Officer of such a hospital, if he is satisfied about the genuineness of the case.

(iv) In cases where a Non-gazetted Railway servant finds it difficult to obtain Medical/fitness Certificate from a CGHS/RHS doctor or AMA in exceptional cases, the leave sanctioning authority, may consider grant of leave on the basis of the Medical/Fitness Certificate from an RMP after taking into account the circumstances of the specific case. Such a certificate should be, as nearly as possible, in the prescribed form as given in Annexure XI of Rule 538 and 541 of Indian Railway Medical Manual, Volume 1, Third Edition 2000, and should state the nature of illness and the period for which the Railway servant is likely to be unable to perform his duties. The competent authority may, at its discretion accept the certificate, or in cases where it has reasons to suspect the bonafides, refer the case to the Divisional Medical Officer for advice or investigation. The Medical Certificate from registered private practitioners produced by the Railway servant in support of their application for leave may be rejected by the competent authority only after a Railway Medical Officer has conducted the necessary verifications and on the basis of the advice tendered by him after such verifications.

(v) Certificate of Fitness in the case of employees working in the Zonal Railways and Field Units will continue to be governed by the provisions contained in Rule 538 and 541 of Indian Railway Medical Manual, Volume I, Third Edition 2000.

Note: Ordinarily, the jurisdiction of a Railway Medical Officer will be taken to cover Railway servant residing within a radius of 2.5 kilometers of the Railway Hospital or health unit to which the Doctor is attached, and within a radius of one kilometer of a Railway station of the Doctor's beat.

(Authority Board's letter No. E(P&A)I-97/CPC/LE-7 dated 29.08.2002.)

Railway Ministry's decision-1. – Where a Railway employee remained on medical leave upto and including 3 days duration and reported back for duty with a fitness from the medical practitioner, he may be allowed to join duty without obtaining fitness certificate from the Railway Medical Officer subject to the conditions that the employee furnished a declaration that he had not suffered during this period from any eye disease. In the other cases where the duration of sickness is more than 3 days, the railway employee should be put back to duty within 24 hours on his producing fitness certificate from a private medical practitioner, provided he is found fit by the competent railway medical officer. In case there is any delay beyond 124 hours in obtaining the fitness certificate from the competent Railway Medical Officer, the employee concerned will be deemed to have been put back to duty within 24 hours of his producing the medical certificate of the private medical officer.

(Rly. Ministry's letter No. E(G)78LE 1-17 dated 18-1-1979)

Railway Ministry's decision 2. – With a view to preventing misuse, the Railway administration may withdraw for specified periods (From 1st April to 30th June in Summer, from 1st October to 15th November during Diwali and when mass sick reporting is contemplated by staff of any department) the privilege of acceptance of medical certificate from Registered Medical Practitioners for grant of Medical Certificates to Group C Railway servants.

Annexure III A -

- (a) the nature and extent of the disability;
- (b) the date from which such disability has occurred or manifested, to the extent it may be medically possible to indicate the same;
- (c) whether there are reasonable prospects for the Railway servant to be fit to resume duties, and if not, categorically state that such Railway servant is completely and permanently incapacitated for further service.

(2A) For the purposes of these rules, a doctor in Central Government Health Scheme or a Government Hospital, or a specialist in Government Hospital in cases requiring specialized treatment, or a Medical Board in a Government Hospital in the case of multiple disabilities shall, in addition to the authority certifying specified disability under the provisions contained in Chapter X of the Rights of Persons with Disabilities, 2016 (49 of 2016), be the Medical Authorities competent to issue certificate of disability in the form at **Annexure-III A**.

(2B) Notwithstanding anything in these rules, no references from the Head of Office or any other authority may be required for issue of medical certificate of disability.

3. Where, however, the authority competent to grant leave is not satisfied about the genuineness of a particular case, it will be open to such authority to secure a second medical opinion by requesting a Government Medical Officer/Railway Medical Officer not below the rank of Civil Surgeon/Medical Superintendent or Staff Surgeon/Divisional Medical Officer to have the applicant medically examined on the earliest possible date.

4. It shall be the duty of the Divisional Medical Officer to express an opinion both as regards the facts of the illness and regards the necessity for the amount of leave recommended and for that purpose he may either require the applicant to appear before himself or before a Medical Officer nominated by himself.

5. The grant of medical certificate under this rule does not in itself confer upon the railway servant concerned any right to leave. The medical certificate shall be forwarded to the authority competent to grant leave and orders of that authority awaited.

6. The authority competent to grant leave may at its discretion, waive the production of medical certificate in case of application for leave for a period of not exceeding 3 days at a time. Such leave shall not, however, be treated as leave on medical certificate and shall be debited against leave other than on medical grounds.

7. Every certificate of a Medical Officer recommending the grant of leave to a railway servant must contain a proviso that no recommendation contained in it shall be evidence or a claim to any leave not admissible to the railway servant under the term of his contract or the rules to which he is subject. The certificate should be forwarded to the authority competent to grant the leave and the orders of that authority should be awaited.

EXPLANATION:

Sub-clauses (7) & (8) under Sub-rule (3) of Rule 526 of Indian Railway Establishment Code, Volume I (1985 Edition) have been incorporated with the President's approval effective from 4-7-1987. Incorporation of these Rules have been necessitated due to amendments made by the Department of Personnel & Training in the Central Civil Services (Leave) Rules, 1972 vide their Notification No. 13014/1/87 Estt. (L) dated 17-7-1987. It is certified that retrospective effect given to these rules will not adversely affect any employee to whom these rules apply.

Railway Ministry's decision.—It is not necessary that a railway servant should return to duty before availing of half-average pay leave which he has earned during this spell of leave. As the half-average pay leave becomes due on completing a year's service which term include extraordinary leave, the leave account can be credited with the amount of such leave, as soon as it is earned. If a railway servant who is already on leave, subsequently applies for an extension of leave, his application can be treated as a fresh application for leave and in such circumstances there is no objection to the grant of half pay leave in continuation of the leave already granted to him. There is also no objection to the grant of such leave during a spell of leave already granted to a railway servant provided he submits his application or formally requests for the conversion of the leave already granted to him into half pay leave. In such cases it will be necessary to revise the original leave account and subsequent leave will have to be granted according to the amended leave accounts.

(Railway Board's Letter No. E(G)56-CPC/LR/8 dated 13-1-1958.)

- (b) when commuted leave is granted, twice the amount of such leave shall be debited against the leave on half-average pay due;
- (c) there is no limit to the number of days of commuted leave to be availed of during the entire service;
- (d) leave on half average pay upto a maximum of 180 days shall be allowed to be commuted during the entire service where such leave is utilised for an approved course of study which is certified to be in the public interest by the leave sanctioning authority;
- (e) where a railway servant who has been granted commuted leave and resigns from service or at his request is permitted to retire voluntarily without returning to duty, the commuted leave shall be treated as leave on half average pay and the difference between the leave salary in respect of commuted leave and leave on half average pay shall be recovered.

Provided that no such recovery shall be made if the retirement is compulsorily thrust upon him by reason of ill health incapacitating the railway servant for further service or in the event of his death.

Annexure- A (Rule 702 (1)(b)(i))	Undertaking by the government servant in connection with defence
Annexure-B (Rule 702 (1) & (3))	Furnishing of Bond for availing interest-free advance

701. (1) A railway servant may be involved in legal proceedings in the following types of cases, viz., the cases in which acts are done--

- (i) in the execution or performance of the official duty,
- (ii) not in the execution of the official duty, or having connection with the official position, and
- (iii) in neither of the above capacities.

(2) All claims for reimbursement of legal expenses falling under items (i) and (ii) above shall invariably be referred to the General Manager for his consideration. Cases falling under item (iii) may be those in which a person may be allegedly involved in cases having nature of bribery, illegal gratification, corruption, etc. Though such act or omissions may be committed by railway servant in the garb of his official position or connected therewith but should be treated as private affairs. No reimbursement will be admissible in such cases.

(3) Normally, reimbursement of the fees of only one counsel should be considered. The fees should comprise of professional charges only and should ordinarily exclude other charges such as travelling allowance, etc.

(4) The Union Public Service Commission shall be consulted in regard to cases of type (i) of rule (1) above under article 320 (3)(d) of the Constitution on any claim for a cost incurred by a railway servant in defending legal proceedings instituted against him in respect of acts done or purporting to be done in the execution of his official duty. In other cases of type (ii) above it is not obligatory to consult the Union Public Service Commission, though the Government may do so if considered necessary.

(5) The General Manager/ Additional General Manager may frame subsidiary rules prescribing the procedure to be followed by a railway servant in arranging for his defense. Failures to observe this procedure may result in the reimbursement of the legal expenses incurred by him being withheld.

702. Suits arising out of circumstances connected with the execution or performance of the Official duties or position of the railway servant.—

(1) **Proceedings initiated by Private parties.**—When a suit arising out of circumstances connected with the duty of a railway servant is brought against him the following provisions shall apply—

- (a) (i) if the railway servant is sued by a party claiming from him wages of money arising out of transactions in which he is concerned only in his official capacity, and bonafide on behalf of Government, it will be necessary for the railway servant to defend the suit by pleading that Government should be made the defendant as the party really interested.
- (ii) if however, the suit against the railway servant is for damages in respect of an alleged act of the railway servant as an employee of government, the party aggrieved may, as a general rule, bring the suit against such railway servant.
- (iii) whether the suit falls under sub-rule(i) or sub-rule(ii) of this rule, the railway servant who fails to defend the suit or to reply to the plaint in person or by counsel as the circumstances may require, becomes personally responsible.
- (b) (i) If the government, on consideration of the facts and circumstances of the case consider that it will be in the public interest that government should themselves undertake the defence of the railway servant in such proceedings and if the railway servant agrees to such a course, the railway servant should be required to make a statement in writing as in **Annexure 'A'** and thereafter government should make arrangements for the conduct of the proceedings as if the proceedings had been instituted against the government.

Where in a civil suit a railway servant is sought to be made liable for damages for acts or negligence in discharge of his official duties of civil nature and Government is impleaded on the ground of vicarious liabilities, the Government should arrange for the defence of the railway servant also, provided the defence of the Government and the railway servant are substantially the same and there is no conflict of interest. Each case should be examined in consultation with the Law Officers before undertaking common defence.

(ii) (a) If the railway servant proposes to conduct his defence in such proceedings himself, the question of reimbursement of reasonable costs incurred by him for his defence may be considered in case the proceedings conclude in his favour. In determining the amount or costs to be so re-imbursed, the government will consider how far the Court has vindicated the acts of the railway servant. The conclusion of the proceedings in favour of the railway servant will not by itself justify re-imburement.

(b) To enable the railway servant to meet the expenses of his defence, the Government may sanction, at their discretion, an interest-free advance not exceeding the government servant's substantive pay for three months, after obtaining from the railway servant a bond in the form reproduced as **Annexure 'B'**.

The recovery of the advance may be made in not more than twenty four equal monthly installments, the exact number being determined by the sanctioning authority provided the advance is recovered before the date of retirement. The recovery of the advance should commence on the first issue of pay/leave salary/subsistence allowance following the month in which the advance is drawn.

- (c) No second advance in respect of the same proceedings will be admissible. There will, however, be no objection to the grant of more than one advance if they relate to different proceedings against a railway servant.
- (d) Deleted

(e) The amount of advance is debited under the minor head "Other Advances" subordinate to Major Head "Loans to railway servants" under Section "P-Loans and advances by the Central Government."

(2) Proceedings initiated by Government.—Government will not give any assistance to a railway servant for his defence in any proceedings, civil or criminal, instituted against him by the State in respect of matters arising out of or connected with his official duties or his official position. Should however, the proceedings conclude in favour of the railway servant, the government will entertain his claim for reimbursement of costs incurred by him for his defence and if government are satisfied from the facts and circumstances of the case that the Railway servant was subjected to the strain of the proceedings without proper justification, they will consider whether the whole or any reasonable proportion of the expenses incurred by the railway servant for his defence should reimbursed to him.

(3) Proceedings initiated by railway servant on his being required by government to vindicate his official conduct.—A railway servant may be required to vindicate his conduct in a court of law when specific allegations are made in

the Press / Media against him as an individual public officer. The question whether costs incurred by the railway servant in such cases should be reimbursed by the Government and if so to what extent, should be left over for consideration in the light of the result of the proceedings. Government may, however, sanction an interest-free advance not exceeding railway servant's substantive pay for three months in each case on the execution of a bond by the railway servant in the form reproduced in **Annexure 'B'**. In determining the amount of costs to be reimbursed on the conclusion of the proceedings, the Government will consider to what extent the Court has vindicated the acts of the railway servant in the proceedings. Conclusion of the proceedings in favour of the railway servant will not by itself justify reimbursement.

(4) Proceedings instituted by a railway servant Suo-Moto with the previous sanction of Government to vindicate his conduct arising out of or connected with his official duties or position.—If a railway servant resorts to a court of law with the previous sanction of the government to vindicate his conduct arising out of or connected with his official duties or position, though not required to do so by government, he will not ordinarily be entitled to any assistance, but government may, in deserving cases sanction advances in the manner indicated above, but no part of the expenses incurred by the railway servant will be reimbursed to him even if he succeeds in the proceedings.

(5) Proceedings instituted against a railway servant by another railway servant in respect of matters connected with the formers official position or duties.—Where, on the basis of the facts and circumstances of the case, it is considered that it would be in public interest to defend a railway servant in a case filed against him by another railway servant in respect of matters connected with the formers official duties or position latter railway servant be treated as a 'private party' and assistance given to the former in terms of Rule 702(1) (b) (i). This will not apply to cases in which the railway servants has/have been impleaded as co-respondent by other railway servant(s) in suits against the Government in regard to conditions of service, such as seniority etc.

(6) Proceedings in respect of matters not connected with the official duties or position of the railway servant.—Government will not give any assistance to a railway servant or reimburse the expenditure incurred by him in the conduct of proceedings in respect of matters not arising out of or connected with his official position, irrespective of whether the proceedings were instituted by a private partly against the railway servant or vice-versa.

(7) Procedure for conducting defence.—

(i) It shall rest entirely with government to determine whether it would be just and proper that the defence should be undertaken at the expense of government. If there is a prima facie evidence that a railway servant has acted improperly, he should be left to conduct his own defence, leaving the question of reimbursement to him of the legal expenses incurred by him to be considered by government subsequently on its merits.

(ii) Where suits or criminal charges are brought against railway servants, arising out of circumstances connected with their duty, the General Manager of a railway is empowered to undertake their defense by employing such legal assistance as may be considered necessary, should however, the law charges in any particular case be estimated to exceed Rs, 50,000/- , the prior sanction of the President shall be obtained to the expenditure being incurred. Any costs awarded by the Court of the railway cannot be set off against the expenditure for the purpose of this limit.

Railway Ministry's orders.—

(a) The prior approval of the Railway Ministry and Department of Legal Affairs, Ministry of Law and Justice , should invariably be obtained in regard to the proposal of engagement of lawyers and terms and conditions of such engagement except in cases handled by the Railway Advocates/Central Government Advocates.

(b) Where a lawyer is engaged at more than the prescribed fee of Department of Legal Affairs, Ministry of Law and Justice at the request of Ministry of Railways , the express prior sanction of the Minister of Railways, through Legal Advisor (Railways) and Department of Legal Affairs, Ministry of Law and Justice should be obtained.

(c) If in any case it is considered essential to engage the Attorney General of India or the Solicitor General of India to appear in any Court, the approval of the Ministry of Railways and through Legal Advisor (Railways) and Department of Legal Affairs, Ministry of Law and Justice should be obtained.

(d) When a lawyer is engaged for a number of cases for which he has to appear in the Court on one and the same day and total amount of fees connected, with those cases exceed the prescribed limits, if the fee for each case is within those limits, the procedure laid down in sub-paragraph (b) above need not be followed.

703. When the Government of India are interested in a criminal prosecution either the Solicitor of the State Government in whose State the accused is prosecuted should be employed, or, when the prosecution is directly controlled from the headquarters of the Government of India, the Solicitor will, if necessary, take further advice from the Advocate General or the Government Advocate, according to the State in which the prosecution is being conducted .

When an administrative decision has been taken to file a petition before Supreme Court against any order of the Court/Tribunal by the competent authority of Railway, the proposal is to be forwarded to Legal Adviser (Railways) to examine the feasibility of filing such petition as per the procedure of Department of Legal Affairs, Ministry of Law and Justice. The Incharge, Central Agency Section, Supreme Court is to be contacted, to take appropriate steps to defend any petition filed against Railways before the Supreme Court of India.

The engagement of counsel(s) for contesting the cases before Supreme Court, should also be done in consultation with Incharge, Central Agency Section, Ministry of Law & Justice, through the office of Legal Adviser (Railways).

704. No prosecution shall be instituted without adequate legal advice being given in writing, and no prosecution shall be instituted or withdrawn in any manner contrary to such legal advice without reference to the Railway Ministry.

Government of India's decision. - Advocates or other legal practitioners engaged on behalf of the Government of India should not settle out of Court or compromise any suit or other civil proceeding without the express sanction of the Government save in exceptional circumstances when there is not sufficient time to consult appropriate authorities of the Government of India and when not to settle or compromise the matter would be definitely prejudicial to the interests of the Government. When, in exceptional circumstances, such compromise or settlement is made without the express authority of the Government of India, the advocate or other legal practitioner engaged on their behalf should record in writing special reasons for entering into the compromise or settlement on his own authority. Similar instructions would apply to reference of a case to arbitration except that as such a course is not required to be taken urgently the advocate or legal practitioner engaged on behalf of the Government of India should, in each case, obtain the previous sanction of the Government before agreeing to arbitration on their behalf.

If Vakalatnama or Power of Attorney is to be executed in favour of the advocate or other legal practitioner to be engaged on behalf of the Government of India care should be taken to incorporate the above condition therein.

705. The fact that a case is under police investigation or judicial proceedings shall not preclude a railway administration from making departmental inquiries with the object of either modifying the procedure which has given rise to the fraud or taking any disciplinary action, provided that such departmental inquiries do not hinder or prejudice any police investigation or judicial proceedings in progress. Before instituting such departmental inquiries against group C and group B employees, the Law Officer of the railway concerned shall invariably be consulted whereas in the matter of group A employees the Legal Adviser should be consulted.

706. In addition to above Rule 19 of Central Civil Services (Conduct) Rules, 1964 as amended from time to time is to be referred for clarification and parity among all employees of Union of India.

(3) The share payable to a widow in terms of sub-rule (1) (iii) above, who re-marries before payment of the Provident Fund dues of the deceased subscriber, shall be paid to her irrespective of the re-marriage. Similarly, the share of special contribution to Provident Fund that has been sanctioned by the controlling officer in her favour under sub-rule (1) (i), has also to be paid to her irrespective of her re-marriage.

(Railway Ministry's letter No. F(E) 56PF-6/1 dt. 29-1-1957.)

944. Deductions.-(1) Subject to the condition that no deduction may be made which reduces the credit by more than the amount of any contribution made from railway revenues with interest thereon before the amount lying to the credit of the subscriber in the fund is paid out of the fund, deduction may be ordered therefrom :-

- (i) by the President in the case of Group A or Group B servants and the controlling officers in other cases,-
 - (a) of any amount, if a subscriber has been dismissed from the service for grave misconduct; provided that if the order of dismissal is subsequently cancelled, the amount so deducted shall on his reinstatement in the service be replaced at his credit, In the fund;
 - (b) of any amount, if a subscriber resigns his employment under the Governments within five years of the commencement thereof otherwise than by reason of superannuation, or declaration of competent medical authority that he is unfit for further service:-

Provided that no order regarding the withholding or deductions from the amount of Government contribution to provident fund shall be made unless the Railway servant has been given a reasonable opportunity for making a representation in the matter :

(Railway Ministry's letter No. F(E) III/75-PFI/9 dt. 27-8-76.)

Railway Ministry's decision 1.-The dismissal from service of railway servant consequent on his conviction by a criminal court for an offence which is neither against the Railway nor connected with his work as a railway servant is really for grave misconduct and is covered by sub-rule 1 (i) above.

(Railway Ministry's letter No. E (D&A) 57/RG/6-31, dt. 19-6-57.)

- (ii) by the controlling officer of any amount due under a liability incurred by the subscriber to the Government. In respect of Group C railway servants, the powers of the controlling officer may be exercised by heads of departments, Divisional Railway Managers, Chief Workshop Managers and Deputy Chief Mechanical Engineers holding independent charge of workshops provided the deduction does not exceed 10 percent of the contribution made from railway revenues with interest thereon lying to the credit of the subscriber in the fund :

Provided that in the case of recovery of a house building advance, the amount advanced, with interest thereon, outstanding and remaining unpaid, when the sum standing to the credit of any subscriber/creditor falls due for payment (including the amount of special contribution to Provident Fund credited to the subscriber's account at the time of his retirement), shall be deducted therefrom by the Controlling Officer; but such deduction shall not exceed the total amount of any contribution, including special contribution to Provident Fund, credited from Railway revenues to the account of a subscriber .

(Railway Ministry's letter No. F(E)III/72 ADV. 3/13 dt. 25-1-79 and F(E) III.78PF 1/1 dt. 23-1-79).

Railway Board's decision 2.-The position in regard to making deductions in case of dismissal, removal or resignation from service is as follows :-

- (i) The words 'grave misconduct' appearing in sub-rule (1) (i) (a) above embrace cases of dismissal and not merely cases of dismissal for reasons of 'serious misconduct'. While a particular offence may be serious enough to merit dismissal by itself it may not be grave enough to justify the forfeiture or the whole or part of the Government Contribution in addition to dismissal from service and loss of special contribution to provident fund in consequence thereof. The question as to which case is grave enough to merit forfeiture of Government contribution to Provident Fund and to what extent this should be done is, therefore, one which must be decided by the Controlling Officer on the merits of each individual case. The relevant provisions in the Act/Rules are only of a permissive nature and the Controlling Officer can exercise his discretion in the matter.
- (ii) Government contribution cannot be withheld in cases of removal from service whatever the reasons for such removal may be, as it would be *ultra vires* of the Provident Funds Act to do so ;
- (iii) Case of a Subscriber who quits service within five years of the commencement of his service by resignation, should be regulated by the provision of sub-rule (1) (i) (b). The question regarding the types of cases in which the Government Contribution should be withheld and the quantum thereof is to be decided by the Controlling Officer on the merits of each case. No deductions should normally be made under this rule in cases where the resignation (a) is on grounds accepted by the Controlling Officer as good and sufficient from the point of view of the Administration or (b) has been caused by circumstances clearly beyond the control of the Railway servant ; and
- (iv) A subscriber cannot be said to have incurred a liability unless the loss caused to Government by his carelessness is or has become legally recoverable. The term "legally recoverable" would mean that the amount due under a liability should either be indisputable or admitted. This would mean that the claim should be of such a nature as a Court or Law would have no difficulty in entertaining and passing a decree thereon, should it go before it in the form of an action for recovery. If, on the other hand, the claim were to be of a nature that can be successfully challenged by the defendant sought to be made liable meaning thereby that the action be thrown out by a Court of Law, the Government will not be advised in treating the claim as a liability incurred by the subscriber within the meaning of Section 6 of the Provident Funds Act, 1925. Whatever is sought to be recovered should also be an ascertained sum and not a liability that may or may not arise out of a disputed set of circumstances.

(Railway Ministry letter No. F (E) 52/PF-43(8), dt. 5-11-1953 and 21-6-1956 and No. F(E)57/PF 43(2) dt. 5-7-1958 and No. E(D&A) 57/RG-6-57, dt. 19-6-1958.)

(2) The head of the department in the case of a Group A or Group B servant and a Group A or Group B railway servant in the case of a Group C railway servant may order that the payment of any contribution by Government to the Account of a subscriber and the interest thereon be postponed for a period of 15 months, if commercial debits are involved, and 6 months, if the commercial debits are not involved, so as to enable the recovery of any sums due under sub-rule (1) (ii), which may not have been ascertained and advised to the Accounts Officer in time to enable him to make the recovery before the payment falls due. In no case the amount of railway servant's own subscription along with interest thereon may be so withheld.

(Railway Ministry's letter No. F(E)III/68/PF-1/16 dt. 12-5-1969).

(3) If the subscriber's conduct is under inquiry for an alleged irregularity or loss of railway funds, no part of the contribution to his account from railway revenues together with interest thereon shall be paid before orders are passed on the report of inquiry unless the controlling officer directs otherwise.

945. Payment of Provident Fund.-(1) The amount standing at the credit of a subscriber, or the balance thereof after any deduction under rule 944 shall ordinarily be tendered for payment within two months of the date when it becomes payable under rule 944 unless in the case of death of the subscriber satisfactory proof of title of the claimants has not been received by the Accounts Officer within that time, in which case the amount shall ordinarily be tendered for payment within a fortnight of the receipt of such proofs by the Accounts Officer .

(2) Payment of Amounts standing to the credit of a subscriber shall be made in India only.

(3) If the Accounts Officer has received notice of any assignment, attachment or encumbrance affecting a subscriber's assets in the fund or any portion thereof, he shall make payment only of that portion which is not affected by the assignment, attachment or encumbrance and obtain the orders of the Government of India regarding the disposal of the balance.

946. Annual Statement of account.-(1) As soon as possible after the close of each year the Accounts Officer shall send to each subscriber a statement of his account in the fund showing the opening balance at the beginning of the year, the total amount credited or debited during the year, the total amount of interest credited at the end of the year, and closing balance at the end of the year.

(2) The Accounts Officer shall attach to the statement of account an enquiry whether the subscriber desires to make any alteration in any nomination made under rule 941 or under the corresponding rule heretofore in force.

(3) Subscribers should satisfy themselves as to the correctness of the annual statement, and errors should be brought to the notice of the Accounts Officer within three months of the receipt of the statement.

(4) The Accounts Officer shall, if required by the subscriber inform him not more than once a year, of the total amount standing to his credit in the fund at the end of the last month for which his account has been written up.

(Railway Ministry's letter No. F (P)65PF-1/14, dt. 25-1-68) (A/cs 248-RI dt. 25-1-1968.)

1104. On first appointment.--For appointment to posts under the Railways on the results of a competitive examination and/ or interview open to railway servants and others.- Railway servants and permanent/provisionally permanent Central and State Government employees will be entitled to joining time under these rules. Temporary Railway employees who have not completed 3 years or regular continuous service, though entitled to joining time, would not be entitled to joining time pay.

1107. Amount of joining time admissible.--Not more than one day's joining time shall be allowed to a Railway servant to join a new post within the same station or which does not involve change of residence from one station to another.

1301. (F.R.9) Definitions.--Unless there be something repugnant in the subject or context ,the terms defined in this Code are applicable to this Chapter and succeeding Chapters of this volume.

1302. (F.R.17) (1)--Pay and Allowances.-- Subject to any exceptions specifically made in these rules and to the provision of sub-rule (2) a railway servant shall begin to draw the pay and allowances attached to his tenure of post with effect from the date he assumed the duties of the post, and shall cease to draw them as soon as he ceases to discharge those duties:

Provided that an officer who is absent from duty without any authority shall not be entitled to any pay and allowances during the period of such absence

Audit Instructions

Date of reckoning pay and Allowances. --(1) Government servant will begin to the pay and allowances attached to his tenure of post with effect from the date on which he assumes the duties of that post if the charge is transferred before noon of that date. If the charge is transferred in the afternoon, he commences to draw them from the following day. This rule does not, however, apply to cases in which it is the recognised practice to pay a Government servant at higher rate for more important duties performed during a part only of a day.

(2) The date from which a person recruited overseas shall commence to draw pay on first appointment shall be determined by the general or special orders of the authority by whom he is appointed.

1303. (F.R.9) (21) (a)-Pay.- Pay means the amount drawn monthly by a Government servant as :-

- (i) the pay other than special pay or pay granted in view of his personal qualifications, which has been sanctioned for a post held by him substantively or in an officiating capacity or to which he is entitled by reason of his position in a cadre: and
- (ii) overseas pay, special pay and personal pay; and
- (iii) any other emoluments which may be specifically classified as pay by the President .

Average Pay. —Average Pay means the average monthly pay earned during the 12 complete months immediately preceding the month in which the event occurs which necessitates the calculation of average pay:

Provided that in respect of any period spent on foreign service out of India the pay which the railway servant would have drawn if on duty in India but for foreign service out of India shall be substituted for the pay actually drawn:

Provided further that in the case of railway servants entitled to running allowance, average pay for the purpose of leave salary shall include a fixed component representing pay element in the running allowances as notified by government through administrative instructions from time to time.

Audit Instructions

(1) Average Pay. --According to the definition of “average pay” in this Rule, the average is to be taken of the monthly pay earned during the 12 complete months immediately preceding the month in which the leave is taken and for this purpose “the 12 complete month immediately preceding” should be interpreted literally.

(2) **Definition of month**--The term "month" in this Rule means "calendar month" in calculating a period expressed in terms of months and days, complete calendar months, irrespective of number of days in each, should first be calculated and the odd number of days calculated subsequently.

(3) **Ministerial servant** means a railway servant of a subordinate service whose duties are entirely clerical and any other class of servant specially defined as such by general or special order of a competent authority.

(4) In the case of Civil Government servant sent for training or embodied/called upon for duty in the Territorial Army, Auxiliary Air Defence Reserve, the leave salary should be calculated on the basis of the pay which he would have received if he had not proceeded on training etc. the pay under the Army/ Air Force Rules actually drawn during the period of training or embodiment should not be taken into account for this purpose.

1304. (F.R. 9) (20)-Overseas Pay.--Overseas pay means pay granted to a railway servant in consideration of the fact that he is serving in a country other than the country of his domicile.

1305. (F.R. 9) (23)--Personal Pay.--Personal pay means additional pay granted to a railway servant-

(a) to save him from a loss in substantive pay in respect of a permanent post other than a tenure post due to a revision of pay or to any reduction of such substantive pay otherwise than as a disciplinary measure; or

(b) in exceptional circumstances, on other personal considerations.

Government of India's decision

(1) All cases in which it is proposed to grant personal pay under F.R.9 (23) (b) may be referred to the Railway Board. In submitting such cases the instructions conveyed in Railway Board's letter No.0193-F dated the 6th September, 1938 should be carefully borne in mind.

(2) **Principles to determine grant of personal pay.** --The following principles should be strictly observed for the grant of personal pay under F.R.9 (23) (b): --

No application for the grant of a compensatory personal pay should be entertained unless--

(a) the officer's service has been consistently satisfactory and has been of a character superior to what is ordinarily expected of the incumbent of the appointment;

(b) the officer is fit for promotion but there is no possibility of giving him any advancement in the near future; and

(c) the officer has been at least for the five years on the same pay or if his pay is progressive, on the maximum pay of his appointment.

The mere fulfilment of the conditions mentioned above should not be regarded as securing a personal pay to an officer as a matter of course, the purpose of the conditions being to enable obviously weak claims to be summarily rejected.

(M.F.D. No. D-4171-Ex-II/33 dt.26-10-33)

1306. (F.R. 9 (24))--Presumptive pay of a post.--When used with reference to any particular railway servant, means the pay to which he would be entitled if he held the post substantively and were performing its duties; but it does not include special pay unless the railway servant performs or discharges the work or responsibility, in consideration of which the special pay was sanctioned.

Audit Instructions

Presumptive pay of a post. --The first part of the definition is intended to facilitate the use of the term in relation to a Government servant who has been absent from a post for some time but still retains lien on it.

1307. (F.R. 9 (25))—Special Pay:—means an addition, of the nature of pay, to the emoluments of a post or of a railway servant, granted in consideration of—

- (a) the specially arduous nature of duties; or
- (b) a specific addition to the work or responsibility and includes non-practicing allowance granted to doctors in lieu of private practice.

Authority competent to grant special pay.--The power of granting special pay as defined in this Rule shall be exercised only by the authority empowered to regulate the scales of ordinary pay.

(G.I., H.D.letter No.F-272-23 dated 16th Sept. 1926)

Railway Ministry's Orders

Two rates of Special Pay. --When a post on the cadre of a service carries different rates of special pay for “old entrants” and “new entrants”, single rate of special pay should be granted to all future incumbents of the post and that this should be the rate, if any, considered suitable for “new entrants”.

(Railway Board's letter No. 9916-F-IV dt. 25th May,1938.)

Audit Instructions

Calculation of Special Pay in certain cases.--When special pay has been sanctioned in the form of a portion or percentage of pay in the ordinary line and the pay in the ordinary line includes an element of sterling overseas pay, such special pay should be determined as follows—

- (a) the special pay is admissible on the sterling overseas pay as well as on the rupee basic pay;
- (b) the special pay must be expressed and drawn wholly in rupees;
- (c) the sterling overseas pay should for the purpose of calculating the special pay be converted into rupees at the rate of 1\$.6d. to the rupee.

Audit Ruling

A provision in the contract of a Government servant appointed to a particular post that he should “also do all things that may be required of him” does not contemplate his being required to perform onerous additional duties in another post without remuneration.

1308. (F.R. 9 (27)) -- Subsistence grant means a monthly grant made to a railway servant who is not in receipt of pay or leave salary.

1309. (F.R.9(28)): -- **Substantive Pay** means the pay other than special pay, personal pay or emoluments classed as pay by the President under Rule 1303(iii), to which a railway servant is entitled on account of a post to which he has been appointed substantively or by reason of his substantive position in a cadre.

NOTE--In the case of a person with a lien on a permanent post under a State Government, “Substantive Pay” means the “substantive pay” as defined in the relevant rules of the State Government concerned.

1310. (F.R. 9 (31) (a)) Time-scale pay means pay which, subject to any conditions prescribed in these rules, rises by periodical increments from a minimum to a maximum . It includes the class of pay formerly known as progressive.

(b) Time-scales are said to be identical if the minimum, the maximum, the period of increments and the rate of increment of the time-scales are identical.

(c) A post is said to be on the same time-scale as another post on a time-scale, if the two time-scales are identical and the posts fall within a cadre, or a class in a cadre, such cadre or class having been created in order to fill all posts involving duties of approximately the same character or degree of responsibility, in a service or establishment or group of establishments; so that the pay of the holder of any particular post is determined by his position in the cadre or class, and not by the fact that he holds that post.

Railway Board's Orders

Method of calculation of average cost of a post on a time-scale of pay. --(a) The President has decided that in the case of Groups C establishment on a time- scale of pay, the mean cost of the scale of pay applicable to such establishment should be taken to be the 'average cost' of that time-scale.

(b) The 'average cost' of a Group A or B post should be worked out in accordance with the following formula—

$$\text{Average cost} = \frac{A+C(-A)}{2+2} [1-(S+1)\{0.006 + \frac{1-.004}{G-E}\}]$$

0 Where-

A- minimum pay,

C-pay just before promotion to the second grade,

S-period of rise from A to C,

E-average age at entry in the first grade, and

G-average age at the time of promotion to the second grade

(Railway Board's letter No.2038-F,dt 11th Jan 1937)

1311. F.R.20--Pay during periods treated as Duty under Rule 103(15), (a) (F.R.9 (6) (b)).- - In respect of any period treated as duty under Rule 103 (15) (a) (F.R.9 (6) (b)), a railway servant may be granted such pay as competent authority may consider equitable but in no case exceeding the pay which the Railway Servant would have drawn had he been on duty other duty than under rule F.R.9 (6) (b).

Government of India's decision

(1) **Pay during training of the officers of A.I.R.O.--** A Government servant, who as an officer of the Army in India Reserve, carries out his military training on the expiry of leave out of India taken from his civil appointment, and before joining his civil appointment for duty, should receive pay as follows—

(i) Joining time civil pay from the date of disembarkation in India to the date preceding that on which his military training commenced.

(ii) Full civil pay during the period of training.

(G.I.,F.D.No.F-14(25)-R.1/31 dt. 17th August.1931.)

(2) **Pay during training of Reservists of the Indian Army in civil Employ.** --A reservist of the Indian Army in Civil employ will, when called up for periodical military training receive military pay allowances. He will also receive the excess, if any, of the civil pay over his military pay, provided that this concession is specifically sanctioned by the Department of the Government of India or attached and subordinate office concerned, or by the Local Government in whose employ the

reservist is serving in his Civil capacity. Except where the Civil pay of the reservist is met from the Army Estimates, the extra expenditure involved will not constitute a charge against the Army Estimates.

The periods spent in training and on the journey to and from the place of training, will be treated as duty for purposes of Civil leave, pension and increments of Civil pay.

(G.I.F.D.No.F-22-R.1/32 dt. 14th April, 1932.)

(3) Pay of temporary/officiating railway servants during the period treated as duty under F.R.9 (6)(b).- In the case of a temporary/officiating railway servant without any lien on a permanent post treated as on duty under the said rule the authority to whom powers have been delegated under F.R.20 (511) may fix the rate of pay to be given to him for such period, provided that it shall not, in any case, be more than the officiating pay which the railway servant would have drawn in the normal course.

(Railway Board's letter No.F(E) 59/FR-1/2 dt.25th May 59.)

Audit Instructions

(1) Pay during training of an officiating officer- A Government servant who is treated as on duty during a course of instruction or training and who, at the time when he was placed on such duty, was drawing higher pay on account of an officiating appointment but for such instruction or training, be allowed to draw pay equivalent to what he would have drawn had he been holding the officiating appointment.

(2) Interpretation of certain expressions used in F.R.20 (Rule 1311). – The expressions “the pay of any officiating appointment” occurring in F.R.20 (Rule 1311) should be taken to mean “the pay which the Government servant drew in the post which he held substantively” and “the pay which the Government servant drew in the post in which he officiated” respectively. In neither case is there any restriction on the kind ‘pay’ to be drawn, and the expression should, therefore, be held to include special pay, if any, which the Government servant drew in the post which he held substantively or in an officiating capacity.

1312. (F.R.21)–Time Scale Pay. --Rules 1313 to 1323 (F.R.22 to 29) and Rule 1326 (F.R.31) shall not apply to any time scale of pay in so far as they are inconsistent with the specific terms sanctioned for such time scale by the President.

1313. (FR-22) (I)–The initial pay of a railway servant who is appointed to a post on a time scale of pay is regulated as follows **(effective from 24.11.2018)**:--

(a)(1) where a Railway servant holding a post, other than a tenure post, in a substantive or temporary or officiating is promoted or appointed in a substantive, temporary or officiating capacity, as the case may be, subject to the fulfillment of the eligibility conditions as prescribed in the relevant Recruitment Rules, to another post carrying duties and responsibilities of greater Importance than those attaching to the post held by him, his initial pay in the time-scale shall be fixed by giving one increment in the level from which the Railway servant is promoted and he or she shall be placed at a cell equal to the figure so arrived at in the level of the post to which promoted or appointed and if no such cell is available in the level to which promoted or appointed, he shall be placed in the next higher cell in that level.

Save in cases of appointment on deputation to an ex-cadre post or to a post on ad-hoc basis or on direct recruitment basis, the Railway servant shall have the option, to be exercised within one month from the date of promotion or appointment or as the case may be, to have the pay fixed under this rule from the date of such promotion or appointment or to have the pay fixed initially at the next higher cell in the level of post to which he or she is promoted on regular basis and subsequently, on the date of accrual of next increment in the level of the post from which Railway servant is promoted, shall be re-fixed and two-increments his pay (one accrued on account of annual increments and second accrued on account of promotion) shall be granted in the level from which the Railway Servant is promoted and he or she shall be placed, at a cell equal to the figure so arrived, in the level of the post to which he or she is promoted; and if no such cell is available in the level to which he or she is promoted, he or she shall be placed at the next higher cell in that level.

In cases where an ad hoc promotion is followed by regular appointment without break, the option is admissible from the date of initial appointment or promotion, to be exercised within one month from the date of such regular appointment.

In cases where an officer has retired as ad-hoc before being regularized to that post and later on has been assessed during the process of regularization and found fit by the competent authority along with his or her juniors, who are still in service and are eligible to avail of the option facility from a date on which the retired employee was still in service, the same option facility shall also be extended to the retired employee, to be exercised within three months from the date when his or her junior became eligible to avail of option facility and in cases where such retired employee was himself the junior most, he or she may exercise the option facility within three months from the date when his or her immediate senior become eligible to avail of option facility:

Provided that where a Railway servant is, immediately before his promotion or appointment on regular basis to a higher post, drawing pay at the maximum of the lower post, his initial pay in the level of the higher post shall be fixed at the cell equal to the figure so arrived at in the level of the post to which promoted or appointed by increasing his pay in respect of the lower post held by him on regular basis by an amount equal to the last increment in the level of the lower post and if no such cell is available in the level to which he is promoted or appointed, he shall be placed at the next higher cell in that level.”

(Authority Board’s letter No.2018/F (E)II/3(1)/1, dated 15/03/2019; RBE – 51/2019 : ACS-63)

(2) When the appointment to the new post does not involve such assumption of duties and responsibilities or greater importance, he shall draw as initial pay, the stage of the time scale which is equal to his pay in respect of the old post held by him on regular basis, or, if there is no such stage, the stage next above his pay in respect of the old post held by him on regular basis;

Provided that where the minimum pay of the time scale of the new post is higher than his pay in respect of the post held by him regularly, he shall draw the minimum as the initial pay;

Provided further that in a case where pay is fixed at the same stage, he shall continue to draw that pay until such time as he would have received an increment in the time scale of the old post; in cases where pay is fixed at the higher stage, he shall get his next increment on completion of the period when an increment is earned in the time scale of the new post.

On appointment on regular basis to such a new post, other than to an ex-cadre post on deputation, the Railway servant shall have the option, to be exercised within one month from the date of such appointment, for fixation of his pay in the new post with effect from the date of appointment to the new post or with effect from the date of increment in the old post.

(3) When appointment to the new post is made on his own request under (Rule 227 (a) (2)-RI (FR-15A) (2)) and the maximum pay in the time scale of that post is lower than his pay in respect of the old post held regularly, he shall draw that maximum as his initial pay.

(b) If the conditions prescribed in clause (a) are not fulfilled, he shall draw as initial pay on the minimum of the time scale.

Provided that, both in cases covered by clause (a) and in cases, other than the cases of re-employment after resignation or removal or dismissal from the public service, covered by clause (b), if he;

(1) has previously held substantively or officiated in –

(i) the same post, or

(ii) a permanent or temporary post on the same time scale; or

(iii) a permanent post or a temporary post (including a post in a body, incorporated or not, which is wholly

or substantially owned or controlled by the Government) on an identical time scale; or

(2) is appointed subject to the fulfillment of eligibility conditions as prescribed in the relevant recruitment rules to a tenure post on a time scale identical with that of another tenure post which he has previously held on regular basis; then the initial pay shall not, except in cases of reversion to parent cadre, governed by proviso (1) (iii) be less than the pay, other than special pay, personal pay or any other emoluments which may be classed as pay by the President under Rule 1303 (iii)- RII (FR-9 (21) (a) (iii)) which he drew on the last occasion, and he shall count the period during which he drew that pay on a regular basis on such last and any previous occasions for increment in the stage of the time scale equivalent to that pay. If, however, the pay last drawn by the Railway servant in a temporary post had been inflated by the grant of premature increments, the pay which he would have drawn but for the grant of these increments shall, unless otherwise ordered by the authority competent to create the new post, be taken for the purposes of this proviso to be the pay which he last drew in the temporary post which he had held on a regular basis. The service rendered in a post referred to in proviso (1) (iii) shall, on reversion to the parent cadre, count towards initial fixation of pay, to the extent and subject to the conditions indicated below:

- (a) The Railway servant should have been approved for appointment to the particular grade or post in which the previous service is to be counted;
- (b) All his seniors, except those regarded as unfit for such appointment, were serving in posts carrying the scale of pay in which benefit is to be allowed or in the higher posts, whether in the Department itself or elsewhere and at least one junior was holding a post in that Department carrying the scale of pay in which the benefit is to be allowed; and
- (c) The service will count from the date his junior is promoted on a regular basis and the benefit will be limited to the period the railway servant would have held the post in his parent cadre had he not been appointed to the ex-cadre post.

Railway Board's Orders

(1) These rules will not apply to ad-hoc promotions from Group 'B' to Group 'A' and ad-hoc promotions within Group 'A' for which separate orders issued by Railway Board will hold good.

(2) Duties and responsibilities of greater importance for the purpose of Rule 1313(FR-22):

- (i) For the purpose of fixation of substantive pay (including presumptive pay) a junior scale post shall be deemed to carry duties and responsibilities of greater importance than those attached to Group B post (including the post of an Assistant Accounts Officer).

(This takes effect from 2nd July, 1959)

- (ii) Appointments of the following classes shall be deemed to involve the assumption of duties and responsibilities of greater importance-
 - (a) appointment to the Assistant Officer's grade from a non- gazetted post;
 - (b) appointment to the Sr. Scale post from an Assistant Officer's or lower grade post;
 - (c) appointment to Junior Administrative Grade post from the Sr. Scale post;
 - (d) deleted
 - (e) appointment to a Senior Administrative Grade post from a Junior Administrative Grade post;
 - (f) appointment to a Higher Administrative Grade post from a Senior Administrative Grade post

- (3). I. A temporary post on a certain rate of pay (fixed or time-scale) which is converted into a permanent post on a different rate of pay is not the same post as the permanent post even though the duties remain the same.

II. The President may specify posts outside the ordinary line of service the holder of which may, notwithstanding the provisions of this rule and subject to such conditions as the President may prescribe, be given officiating promotion in the cadre of the service which the authority competent to order promotion may decide, and may thereupon be granted the same pay whether with or without any special pay attached to such posts as they would have received if still in the ordinary line.

III. For the purpose of this rule, the appointment shall not be deemed to involve the assumption of duties and responsibilities or greater importance if the post to which it is made is on the same scale of pay as the post, other than a tenure post, which the railway servant holds on a regular basis at the time of his promotion or appointment or on a scale of pay identical therewith.

IV. Notwithstanding anything contained in this rule, where a railway servant holding an ex-cadre post is promoted or appointed regularly to a post in his cadre, his pay in the cadre post will be fixed only with reference to his presumptive pay in the cadre post which he would have held but for his holding any ex-cadre post outside the ordinary line of service by virtue of which he becomes eligible for such promotion or appointment.

(Authority No. F (E)II/89/FR-1/1 dated 12-12-1991)

1314. (F.R.22A)--Fixation of pay on re-appointment.--The initial substantive pay of a railway servant who is appointed substantively to a post on a time scale of pay which has been reduced for reasons other than diminution in the duties or responsibilities attached to posts thereon, and who is not entitled to draw pay on the time scale as it stood prior to reduction is regulated by Rule 1313 (F.R.-22) provided that in the case of re-appointment on or after 1-6-1950 both in cases covered by clause 'a' of that Rule and in cases other than those of re-employment after resignation from the public service covered by clause 'b', that if he either-

(1) has previously held substantively or officiated in—

(i) the same post prior to reduction of its time scale, or

(ii) a permanent or temporary post on the time scale as the unreduced time scale of the post; or

(iii) a permanent post other than a tenure post or a temporary post, on time scale of pay identical with the unreduced time scale of the post, such temporary posts being on the same timescale as a permanent post other than a tenure post;

OR

(2) is appointed substantively to a tenure post, the time scale of which has been reduced without a diminution in the duties or responsibilities attached to it and has previously held substantively or officiated in another tenure post on a time scale identical with the unreduced time scale of the tenure post:

then the initial pay shall not be less than the pay, other than special pay, personal pay or emoluments classed as pay by the President, under Rule 103(35) (FR-9) (21) (a) (3) which he would have drawn under Rule 1313 (F.R.22) on the last such occasion, if the reduced time scale of pay had been in force from the beginning and he shall count for increments the period during which he would have drawn that pay on such last and any previous occasion.

1315. (F.R.22B) (1).-Notwithstanding anything contained in these rules, the following provisions shall govern the pay of a railway servant who is appointed as probationer in another service or cadre and subsequently confirmed in that service or cadre-

(a) during the period of probation he shall draw pay at the minimum of the time scale or at the probationary stages or the time scale of the service or the post, as the case may be:

Provided that if the presumptive pay of the permanent post, other than a tenure post, on which he holds a lien or would hold a lien had his lien been not suspended; should at any time be greater than the pay fixed under this clause, he shall draw the presumptive pay of the permanent post;

(b) On confirmation in the service or post after the expiry of the period of probation, the pay of the railway servant shall be fixed in the time scale of the service or post in accordance with the provisions of the Rule 1313 (FR 22) or Rule 1316 (F.R.22 C) as the case may be:

Provided that the pay shall not be so fixed under Rule 1313 (F.R. 22) or Rule 1316 (F.R.22C) with reference to the pay that the railway servant would have drawn in the previous post held by him in temporary capacity and he shall continue to draw pay in the time scale of service or post as admissible under the normal rules.

(Rly. Board's letter No. F(E)II/79/FR-1/3 dated 12-3-1980.)

(2) The provisions contained in sub-rule (1) shall apply mutatis-mutandis to cases of railway servants appointed on probation with definite conditions against temporary post in another service or cadre whether recruitment to permanent post as such service or cadre is made as probationers, except that in such cases the fixation of pay in the manner indicated in clause 'B' of sub-rule (1) shall be done under Rule 1326 (F.R.31) immediately on the expiry of the period of probation and on regular officiating appointment to a post either permanent or temporary in the service or cadre.

(3) Notwithstanding anything contained in these rules, a railway servant appointed as an Apprentice in another service or cadre shall draw-

(a) during the period of Apprenticeship, the stipend or pay prescribed for such period provided that if the presumptive pay of the permanent post other than a tenure post, on which he holds a lien or would hold a lien had his lien not been suspended, should at any time be greater than stipend or pay fixed under this clause, he shall draw the presumptive pay of the permanent post;

(b) on satisfactory completion of the Apprenticeship and regular appointment to a post in the service or cadre, the pay as fixed in the time scale of the service or post under Rule 1313 (F.R.22) or 1316 (F.R.22C) or Rule (F.R.31) as the case may be:

Provided that the pay shall not be so fixed with reference to the pay that the railway servant would have drawn in the previous post held by him in temporary capacity and he shall continue to draw pay in the time scale of service or post admissible under the normal rules.

PRESIDENT'S DECISIONS

(1) A question has been raised as to whether the provisions of Rule 1316 would be applicable even in cases of promotion to ex-cadre post

It is clarified that Rule 1316 shall be applicable in such cases also provided that railway servant is entitled to draw pay in the scale of pay attached to the higher ex-cadre post, in accordance with the terms of deputation or transfer sanctioned for him. Where, however, according to the terms of deputation or transfer railway servant is given his grade pay of the post held by him in his own cadre plus a deputation allowance or special pay at a fixed rate or related to such grade pay, the question of applying provisions of Rule 1316 shall not arise.

Similarly, in the case of a railway servant who draws pay in the scale of pay attached to an ex-cadre post if he reverts to his parent cadre, and is appointed in that cadre to a post higher than the ex-cadre post immediately held before reversion, his pay shall be fixed in accordance with Rule 1316 with reference to the pay drawn or admissible to him in the post in his

cadre except that the benefit of service rendered upto 17-11-1966 in an ex-cadre post in an identical time scale of pay or in higher scale shall be given for pay fixation/increments in the post in the parent service/cadre to which the officers reverts to the extent admissible under orders in force prior to 18-11-1966. These cases also, the orders shall not be applicable if in the ex-cadre post, the railway servant has been allowed to draw pay on the basis of his pay in parent cadre and a deputation allowance or special pay.

(E(P&A) II / 73/ PP-3 dated 16.5.73.)

(2) Whether the benefit of fixation of pay under Rule 1316 (F.R. 22C) can be given in the case of terms under 'Next Below Rule'.

It is clarified that Rule 1316 (F.R.22C) can be applied in fixing pay under 'Next Below Rule'.

(3) Under Rule 1316 certain points of doubt under the above order are clarified as under: --

Points	Clarification
(i) Whether It would be admissible to step up the pay of a senior railway servant in terms of Rule 1316 if the promotion of junior railway servant is in a lien/short term vacancy.	The benefit of stepping up of pay of seniors with reference to that of juniors can be given only in cases where the promotions of the senior and the junior are on a regular basis.
(ii) How the orders regarding stepping up of pay will be applied in cases where the pay of a senior employee promoted earlier has been withheld or has been reduced to a 'lower stage' in the time scale in the higher, post with or without cumulative effect.	In cases where the increment in the higher post has been withheld or where a railway servant's pay is reduced to a lower stage in the time scale of the higher post without cumulative effect, the orders of stepping up will be applicable from the date of expiry of the penalty by which time a junior had already been promoted subject to the fulfillment of other conditions laid down therein. In the case of persons whose increment has been withheld or whose pay has been reduced to a lower stage of the time scale in the higher post with cumulative effect, the orders of stepping up shall not be applicable.
(iii) Whether the orders of stepping up would apply to persons whose juniors pay in the lower post was inflated on account of the proviso to and exception below Rule 1313 (F.R.22)-- having been allowed.	If as a result of application of the proviso to and the exception below Rule 1313 (F.R.22) the pay of the junior is more than that of the senior in the lower post, there would be no question of stepping up the pay of the senior in the higher post. If despite the application of the proviso to and the exception below Rule 1313 (F.R.22) the junior's pay is less than that of the senior and on promotion the former's pay happens to be greater than the pay of latter by virtue of the provisions of Rule 1316 (F.R.22C), stepping up will have to be done with reference to the actual pay drawn by the junior in the higher post.
(iv) Whether the orders of stepping up would be applicable to a railway servant in the lower post who is promoted to the higher post earlier than his senior due to high ranking given to him, if the senior in the lower post who is promoted later gets a higher pay.	No. The orders of stepping up are not applicable in cases where the junior employee in the lower grade is promoted earlier due to high ranking given to him by the Selection Board and the senior employee (in the lower grade) is promoted later.
(v) In cases where the list of seniority in the	According to the provisions of stepping up orders, both the junior and senior railway servants should

lower post is maintained locally and in higher posts the same is maintained on all-railways basis, how the orders of stepping up will be made applicable?

belong to the same cadre. To illustrate, in a case where a senior employee of one seniority (promotion) group maintained locally is promoted earlier to a higher post on the basis of list of seniority which is maintained on all-railway basis, he can get his pay stepped up only with reference to the pay of a junior belonging to the same seniority group in the lower post which was maintained locally.

(Board's letter No. PC-65/PP-1 dated 18-9-1965 and PC-60/PP-1 dated 19-3-1966)

(vi) How the pay of a railway servant fixed under this Rule on promotion to a higher post should be regulated when a junior to him in the lower post is promoted to the same higher post after earning increments in the lower post and thereby getting his pay in the higher post fixed at a stage higher than that of the senior railway servant.

In order to remove anomaly, the railway servant may be given an option for fixation of his pay on promotion as under: --

(a) Either his initial pay may be fixed in the higher post on the basis of Rule 1316 (F.R.22C) straightaway without any further review on accrual of increment in the pay scale of the lower post

or

(b) His pay on promotion may be fixed initially in the manner as provided under Rule 1313 (F.R.22 (A)(1)) which may be re-fixed on the basis of the provisions of Rule 1316 (F.R.22C) on the date of accrual of next increment in the scale of pay of the lower post.

If the pay is fixed under (b) above, the next date of increment will fall due on completion of 12 months qualifying service from the date the pay is re-fixed on the second occasion.

Option may be given within one month of the date of the promotion. Option once exercised shall be final. This is applicable to promotions effected on or after 1-5-81.

(Railway Board's letter No. E(P&A)II-81/PP-4 dated 13-11-1981.)

(4) Deleted

(5) (i) In regard to re-fixation of pay on confirmation in a post after introduction of Rule 1316 (F.R.22C).--

(i) A question has been raised as to how the pay on substantive appointment to a post should be regulated after introduction of Rule 1316 (F.R.22C). It has been decided that as in the case of railway servants who are governed by Rule 1313 (F.R.22) and whose officiating pay has been fixed under Rule 1326 (F.R.31) read with Rule 1313 (F.R.22), confirmation is an occasion for re-fixation of pay. Their pay on confirmation should be re-fixed but this re-fixation shall be under the Rules applicable to the railway servant but for introduction of Rule 1316 (F.R.22C). However, if any junior promoted after 1-4-1961 gets pay more than his seniors, the seniors will be entitled to the benefit of stepping up of their pay if the same is advantageous to them.

(ii) It is further clarified that on the introduction of Rule 1316 (F.R.22C) with effect from 1-4-1961, confirmation is not an occasion for re-fixation of pay if pay had once been fixed under that rule.

(Railway Board's letter No. PC-60/PP-1 dated 27-6-1966.)

(6) The position in regard to application of Rule 1316(F.R.22C).--In cases of railway servants who are appointed to higher posts with the approval of Union Public service Commission and in whose case the Commission have made a specific recommendation regarding the initial pay is that in a case where the Union Public Service Commission recommend a specific rate of pay to be given to the railway servants, the person concerned should be eligible for that rate of pay. However, if on the contrary the Commission recommend that the pay should be fixed under the 'normal rules' then the pay may be fixed under Rule 1316 (F.R.22C) subject, of course to the condition that the post is higher than the post previously held by the employee.

In order to enable the Accounts/Audit authorities to see that the pay has been fixed in accordance with the above, in all cases of appointment of Government/railway servants to other posts through Union Public Service Commission/Railway Recruitment Board, re-recommendation of the Commission in the matter of pay i.e. whether it is a specific rate of pay or pay to be fixed under the 'normal rules', as the case, may be should invariably be indicated in the order or notification appointing the employee concerned to the railway post.

(Rly. Board's letter No.PC-64/PP-4 dated 7-9-1966.)

(7) Reference Para 3 of President's Decision No.1 under Rule 1316 (F.R.22C). A point has been raised as to how the pay of a person reverting from an ex-cadre post to an identical/equivalent cadre post in the parent department is to be fixed.

It has been decided that where a person goes from post 'A' in his parent department to a post 'B' else where and reverts to post 'C' in his parent department and post 'C' is higher than post 'A' but not higher than post 'B', the pay in the post 'C' should be fixed under Rule 1316 (F.R.22C) with reference to pay in post 'A' However, the service rendered against post 'B' upto 17-11-66 shall be taken into account in fixing the pay against post 'C', if this is more advantageous to the railway servant.

(8) Application of Rule 1316 (F.R. 22-C) to State Government servants on appointment to higher posts under the Administrative Control of the Railway Board. A question has been raised as to whether Rule 1316 (F.R. 22-C) is applicable to State Government servants on appointment to higher posts under the Government of India and whether for purpose of fixation of pay of state Government servants on appointment under the Government of India, the Dearness Allowance admissible under the State government may be included in basic Pay. It has been decided that—

- (i) When a State Government servant is appointed to a railway post which carries duties or responsibilities of greater importance than those attaching to the post held by him under the State Government, the initial pay of the official in the railway post shall be fixed under Rule 1316 (F.R. 22-C) at the stage next above the pay of the post of State Government as arrived at under (ii) below.
- (ii) The Pay of the post in the State Government shall first be increased by one increment and Dearness Allowance if any admissible under the State Government which shall be treated as basic pay for the purpose of fixation of pay in the railway post shall be added there-to subject to the following conditions: -
 - (a) The maximum amount of Dearness Allowance to be taken into account will be Rs.100 or the actual amount of Dearness Allowance that will be taken into account by the State Government concerned for fixation of pay in their revised scales, if revision has taken place, whichever is less.
 - (b) From the basic pay so arrived at, the dearness Allowance at the revised rates admissible according to the Railway Rules should be deducted.

NOTE (1).--For assessing the relative degrees of responsibility of the posts under the state Government and those under the railway Board, all relevant factors including the duties attached to the post, will be taken into consideration.

NOTE (2).--However when a State Government servant drawing pay in the revised scale (after merging of dearness Allowance) under the State Government is appointed to a post on the railways and the post carries duties or responsibilities of

greater importance than those attaching to the post held by him under the state Government, the initial pay of the official in the railway post should be fixed under Rule 1316 (F.R. 22-C) with reference to his basic pay only and the provisions contained in para (ii) (a) and (b) will not apply in such cases. (Board's letter No.PC-64/PP/4 dated 21st April 1964 and No.PC-66/PP/9 dated 2nd December, 1966).

(9) (i) By a strict application of the above rule, it may happen that a railway servant promoted or appointed to a higher post on or after 1st April, 1961 may draw a lower rate of pay in that post than another railway servant, junior to him in the lower grade and promoted or appointed subsequently to another identical post.

(ii) In order to remove this anomaly it has been decided that in such cases the pay of the senior employee in the higher post should be stepped up to a figure equal to the pay as fixed for the junior employee in that higher post. The stepping up should be done with effect from the date of promotion or appointment of the junior employee and will be subject to the following conditions namely:-

(a) Both the junior and senior employees should belong to the same cadre and the posts in which they have been promoted or appointed should be identical and in the same cadre;

(b) The scales of pay of the lower and higher posts in which they are entitled to draw pay should be identical; and

(c) The anomaly should be directly as a result of the application of Rule 1316 (F.R. 22-C). For example, if even in the lower post the junior employee draws from time to time a higher rate of pay than the senior by virtue of fixation of pay under the normal rules, say due to grant of advance increments or due to accelerated promotion, etc., the provisions contained in this letter will not be invoked to step up the pay of the senior employee.

(iii) The orders refixing the pay of the senior employees in accordance with the provisions of this letter shall be issued under Rule 1321 (F.R.27).

The next increment of the senior employee will be drawn on completion of the requisite qualifying service with effect from the date of refixation of pay.

NOTE: These provisions are also applicable to cases where a senior Railway servant promoted to a higher post before 1.1.1973 draws less pay in the revised scales promulgated on the recommendations of the 3rd Pay Commission when his junior promoted to that higher post after 1.1.1973 provided the scales of the lower and higher posts in question, both revised and unrevised, are identical. The benefit of stepping up is admissible only if the promotions are on regular basis.

Authority: Ministry of Railways' letter No. E(P&A)II/90/PP-2, dated 30-11-1990.

(iv) These orders take effect from 2nd February 1966. Cases of seniors drawing less pay than juniors in respect of promotions occurring on or after 1st April, 1961 may also be regulated under these orders but the actual benefit would be admissible from 2nd February, 1966.

(10) The benefit of stepping up of pay under President's Decision above, should also be allowed to such of the seniors as are confirmed in the higher grade before the junior is promoted to the higher grade. In such cases the conditions for the eligibility to the benefit of stepping up of pay, viz, conditions (a) and (c) of para 2 Decision No. 4 should be determined with reference to the date on which the senior employee was promoted to the higher post but the quantum of stepping up of pay will depend on the pay admissible to the junior man on the date of his promotion to the higher post.

(Board's letter No.PC-60/PP/1, dated 22nd July,66.)

Railway Board's Orders

A point has been raised as to how the pay of a railway servant who happens to be promoted to two different post carrying higher responsibilities on the same date should be regulated after the introduction of Rule 1316 (F.R.22C) with effect from 1st April 1961.

- (i) He should be deemed to have been promoted first to the lower post and pay fixed under Rule 1316 (F.R.22-C) RII provided it is certified that he would have held this post for a period not less than 22 days but for his promotion to the higher post.
- (ii) He should subsequently be promoted to higher post and pay fixed under Rule 1316 (F.R.22-C) with reference to the pay arrived at in (i) above.

(Board's letter No.PC-57/PP/13 dated 27th July, 1967.)

1317. (F.R.23)-Change of pay of Post.--The holder of a post, the pay of which is changed shall be treated as if he were transferred to a new post on the new pay; provided that he may at his option retain his old pay until the date on which he has earned his next or any subsequent increment on the old scale, or until he vacates his post or ceases to draw pay on that time-scale. The option once exercised is final.

Audit Instructions

(1) Officiating Railway servants.--This rule applies to an officiating as well as to a substantive holder of a post.

(2) "Subsequent Increment"--The expression "subsequent increment in the old scale' in the proviso to F.R.23-- , should be held to include grade promotion in cases in which a time-scale of pay has been substituted for a grade scale of pay.

Government of India's decision

The Government of India have decided that F.R. 23 equally applies in cases where a revision of pay is accompanied by change in status of a post. In such cases, the post virtually continues as before. Where, however, a revision of pay is concurrent with a specific change in the duties and responsibilities attached to the post, the old post will be deemed to have been substituted by a different post. In such cases the individual will be treated as having been appointed to a higher or lower post, as the case may be, and pay will be fixed under the relevant rules, and not under F.R.23.

(G.I., M.F. O.M.No, 1(40)EIII(A)65, dated 6-11-65.)

Government of India's Orders

Option available for upward/equivalent/downward revision. --A question has been raised whether the option under F.R.23 is available to the holder of a post, the time-scale of which is reduced or whether in such cases the Government servant should be brought on compulsorily to the reduced time-scale and his pay fixed thereon in accordance with F.R. 22-A matter has been carefully considered in consultation with the Ministries of Home Affairs, Law and the Comptroller and Auditor General and the following clarification is issued: -

- (1) Under F.R.23 the holder of a post, the pay of which is changed, is entitled to the option to retain his old pay until the date on which he has earned his next or any subsequent increment on the old scale, or until he vacates his post or ceases to draw pay on that time-scale.
- (2) In view of these provisions, it is clarified that in the case of a Government servant holding a post at the time of revision of the time-scale of that post, the option under F.R.23 as stated above shall be available to him irrespective of the fact whether the revision of the pay scale is in upward or equivalent or downward direction.
- (3) The question of fixation of pay in the revised scale under F.R. 22-A in cases of reduction of time-scale of pay of a post will arise only when the government servant does not opt under F.R.23 to retain the old scale.
- (4) In cases when a Government servant is not holding a post at the time of reduction of its time scale, but has held the same post prior to the reduction of the time-scale, the question of giving option under F.R. 23 to retain the old scale, on reappointment to the same post after the reduction of the scale of pay does not arise. In such

cases on reappointment after the date of reduction of the scale, the pay shall be fixed in accordance with the provisions of F.R. 22-A.

(G.I.,M.F.,O.M.No.2(62)-Estt.III/60 dt 29th August,1960)

Date of next increment in case of fixation at the minimum.- (1) When the scale of pay of a post is revised upwards without involving assumption of duties and responsibilities of greater importance, the fixation of pay of the incumbents is regulated under F.R.23 and F.R. 22 (a) (ii) read with Audit Instruction (I) below F.R.22. In other words, the pay of the incumbent is fixed at the same stage, if any, in the new scale and if there is no such stage, at the stage next below in the new scale and the difference allowed as personal pay to be absorbed in future increases in pay. In both the cases, the next increment will be drawn on the date of increment in the old scale or in the new scale, whichever is earlier.

2. In cases where the minimum pay of the revised scale is higher than the pay drawn by the Government servant in the old scale, his pay will be fixed at the minimum of the revised scale. A question has been raised as to when the Government servant will be eligible to draw the next increment after such initial pay fixation at the minimum of the scale.

3. It is hereby clarified that the next increment in the cases of the kind mentioned in the preceding paragraph should be allowed in the revised scale, only after completion of full incremental period of 12 months/24 months, as the case may be, at that stage, from the date of fixation of initial pay in the revised scale, subject to the provisions of F.R.26.

(G.I. M.H.A., Deptt. Of Personnel & A.R., O.M. No.F-13/14/83-Estt.P-I, dated the 9th January, 1984.)

1318. (F.R. 24) Increments in Time-scale. – An increment shall ordinarily be drawn as a matter of course unless it is withheld. An increment may be withheld from a railway servant by a competent authority if his conduct has not been good or his work not been satisfactory. In ordering the withholding of an increment, the withholding authority shall state the period for which it is withheld and whether the postponement shall have the effect of postponing future increments.

Notwithstanding anything contained in these rules, on or after 1-11-73, the increment shall be drawn as from the 1st of the month in which it falls due under the normal rules and the date of next increment shall be reckoned on this basis viz. 1st of the month in which initially the increment was drawn on or after 1-11-73. In such cases, the pay of railway servants on promotion/appointments to higher grades/posts shall be fixed in the higher scale after taking into account the increment to be drawn from the first of the month notwithstanding that the date on which that increment actually falls due is after the date of promotion.

(Railway Board's letter No. PC III/74/INC/1 dt 17-1-74 and dated 3-6-75.)

When the increment is withheld for a specified period as a measure of penalty, the increment should be drawn from the date from which the penalty imposed ceases to operate. The subsequent increment shall however be admitted/drawn from the first of the month in which they fall due under normal rules, the period of dies-non like break in service etc. being treated in the same way as leave without pay.

(Railway Board's letter No. PCIII/75/Inc/2 dt. 10.11.75)

1319. (F.R.25). --Increments above an efficiency Bar.-- Deleted

1320. (F.R.26) Reckoning Service for increments.--The following provisions prescribe the conditions on which service counts for increments in a time-scale—

(a) All duty in a post on a time-scale counts for increments in that time-scale:

Provided that, for the purpose of arriving at the date of the next increment in that time-scale, the total of all such periods as do not count for increment in that time-scale shall be added to the normal date of increment.

- (b) (i) Service in another post, other than a post carrying less pay referred to in clause (a) of Rule 227 (F.R.15) whether in a substantive or officiating capacity, service on deputation out of India and leave except extraordinary leave taken otherwise than on medical certificate, shall count for increments in the time-scale applicable to the post on which the railway servant holds a lien, as well as in the time-scale applicable to the post or posts, if any on which he would hold a lien had his lien not been suspended.

Provided that the service rendered in an ex-cadre post shall not be reckoned for fixation of pay in another ex-cadre post and the pay in subsequent ex-cadre post shall be fixed under the normal rules with reference to pay in the cadre post.

- (ii) All leave except extraordinary leave taken otherwise than on medical certificate and the period of deputation out of India shall count for increment in the time-scale applicable to a post in which a railway servant was officiating at the time he proceeded on leave or deputation out of India and would have continued to officiate but for his proceeding on leave or deputation out of India:

Provided that the competent authority may, in any case in which he is satisfied that the extra-ordinary leave was taken for any cause beyond the railway servant's control or for prosecuting higher scientific and technical studies, direct that extraordinary leave shall be counted for increments under clause (i) or (ii).

- (c) (i) If a railway servant, while officiating in a post or holding a temporary post on a time-scale of pay, is appointed to officiate in a higher post or to hold a higher temporary post, his officiating or temporary service in the higher post shall, if he is re-appointed to the lower post, or is appointed or re-appointed to a post on the same time-scale of pay, count for increment in the time-scale applicable to such lower post. The period of officiating service in the higher post which counts for increment in the lower post is, however, restricted to the period during which the railway servant would have officiated in the lower post but for his appointment to the higher post. This clause applies also to a railway servant who is not actually officiating in the lower post at the time of his appointment to the higher post, but who would have so officiated in such lower post or in a post on the same time-scale of pay had he not been appointed to the higher post.

- (ii) If a railway servant on reversion from an ex-cadre post to the present cadre is appointed to a post on a scale lower than that of the ex-cadre post but not on the same time-scale as the post held at the time of his transfer to the ex-cadre post, the service rendered on the higher scale in the ex-cadre post, shall count for increments in the time-scale applicable to the cadre post subject to the same conditions as are laid down for cases falling under proviso (1)(iii) to Rule 1313 (F.R.22).

- (d) Foreign service counts for increments in the time-scale applicable to-

- (i) the post in railway service on which the railway servant concerned holds a lien as well as the post or posts if any, on which he would hold a lien had his lien not been suspended;

- (ii) The post in railway service in which the railway servant was officiating immediately before his transfer to foreign service, for so long as he would have continued to officiate in that post or a post on the same time-scale but for his going on foreign service; and

- (iii) Any post in the parent cadre on a lower scale of pay to which the railway servant is appointed on reversion from the ex-cadre post subject to the fulfillment of the conditions mentioned in proviso (1) (iii) to Rule 1313 (F.R.22).

- (e) Joining time counts for increment-

- (i) if it is under clause (a) or clause (c) of F.R.105 (Rule 1101) in the time scale applicable to the post on which a railway servant holds a lien or would hold a lien had his lien not been suspended as well as in the time-scale applicable to the post, the pay of which is received by a railway servant during the period; and

- (ii) if it is under clause (b) of F.R.105 in the time-scale applicable to the post/posts on which the last day of leave before commencement of joining time counts for increments.

Explanation. -For the purposes of this rule, the period treated as duty under sub-clause (b) of clause (6) of F.R. 9 (Rule 103(15)) shall be deemed to be duty in a post if the railway servant draws pay of that post during such period.

Government of India's Orders

In connection with leave taken by X, --the Deputy Director, Intelligence- when the organisation was on a temporary basis, the question was raised whether the order is contained in paragraph 8 of the Finance Department Resolution No.1559-E.A., dated the 16th August,1921, vide Government of India's orders (1) above were applicable to him. The Government of India have consulted the Auditor General who agrees that outside the transitional stage when posts on graded pay were changed to time-scales, these orders do not permit any concessions which are not now admissible under the ordinary Fundamental Rules, while on the other hand they restrict the grant of the concessions which is permissible under Fundamental Rule 26(d). As, however, these orders are permissible under Fundamental Rule 21 (Rule1312) in the case of time-scale sanctioned by the Secretary of State, his sanction is necessary to their cancellation. The Secretary of State in Council has authorized the Government of India to apply in consultation with the Auditor General the principles of the Fundamental Rules in cases in which concessions admissible under the Fundamental Rules cannot be applied to a period of service in administrative post.

Audit Instructions

(1) Intention of F.R.26(c) (Rule 1320).--The intention of this rule is to allow the concession irrespective of whether the higher post is within or outside the Department to which the Government servant belongs.

(2) Overstayal of leave.--A period of overstayal of leave does not count for increment in a time-scale unless under F.R. 85(b) it is commuted into extraordinary leave and under the proviso to F.R.26(b) (1320 b), the extraordinary leave is specially allowed to count for increments.

(3) Increment admissible to a probationer.--If a probationer is confirmed at the end of a period of probation exceeding twelve months, he is entitled to claim retrospectively the increments which, but for his probation, he would have received in the ordinary course.

(4) **Increments of officiating government servants during absence on duty.** --In the case of a Government servant who, while officiating in one post, is appointed to officiate in another, the period of joining time spent in proceeding from one post to the other should be treated as duty in the post, the pay of which the Government servant draws during the period and will count for increment in the same post under F.R. 26(a) (1320 a). In the case of a Government servant while officiating in a post, proceeds on training or to attend a course of instruction and who is treated as on duty while under training the period of such duty will count for increment in the post in which he was officiating prior to his being sent for training or instruction if he is allowed the pay of the officiating post during such period.

(5) Although joining time taken under Rule 1101 (Fundamental Rules105(b) and (c) is treated as duty under Rule 103(15)(a)(i) [Fundamental Rule 9(6)(a)(ii)] it cannot be treated as duty for the purposes of increment in an officiating post in as much as only leave salary is drawn for the period.

Railway Board's orders.-Increments for service in temporary post converted into permanent post.-- Service in a temporary post which is converted into a permanent post on a different rate of pay shall not count for increments in the latter post even though the duties remain the same.

(Railway Board's letter No. 0154-F dated 23rd July, 1937.)

PRESIDENT'S DECISION NO.1

As to whether the certificate as contemplated in F.R.26(b)(ii) (1320(b)(ii) can be issued to more than one officer in respect of the same post and for the same period of leave if the condition laid down therein, namely their continuance otherwise in the post in question is fulfilled in each case, the President has been pleased to decide that the certificate envisaged in the aforesaid rule may be furnished by the competent authority, if necessary, in respect of more than one person, subject, of course, to other consideration namely, their continuance otherwise in the post in question.

(Railway Board's letter No. F(E)52-RC-3(1), dated 25th October, 1957.)

PRESIDENT'S DECISION NO.2

The benefit of Rule 1320 is admissible also to a Railway servant who while officiating in a higher post or holding a temporary post under the administrative control of the Ministry of Railways is appointed to officiate in higher posts or appointed to hold higher temporary posts or appointed to higher temporary posts under a State Government.

(Railway Board's letter No. F(E)58/PA-1/3 dated 23rd December, 1958.)

PRESIDENT'S DECISION NO.3

A question has been raised whether a certificate as envisaged in F.R. 26(b)(ii)/1320(b)(ii) would be necessary in the case of Railway servants engaged on contract who are governed by the leave rules applicable on the Indian Railways. It has been decided that the certificate under the above rule may be dispensed with in case where officers are appointed on contract to specific posts and proceed on leave from those posts.

In the case of officers who are given indefinite contracts without specifying any particular posts and other contract officers who, though appointed initially to specific posts, are transferred in an officiating capacity to other posts and who proceed on leave thereafter, the certificate under the above rule will be necessary to count the period of such leave for increments in the posts which they hold in an officiating capacity immediately prior to proceeding on leave.

(Railway Board's letter No. F (E)58/ICI/1, dated 19th December, 1958.)

1321. (F.R. 27)--Premature Increments. -Subject to any general or special orders that may be made by the President in this behalf, an authority may grant a premature increment to a railway servant on a time-scale of pay if it has power to create a post in the same cadre on the same scale of pay.

Government of India's Orders

(1) Intention as regards future increments.-In the case of increments granted in advance, it is usually the intention that the officer should be entitled to increments in the same manner as if he had reached his position in the scale in the ordinary course and in the absence of special orders to the contrary he should be placed on exactly the same footing, as regards future increments as an officer, who has so risen.

(G.I., F.D., No. 752-C.S.R., dated 6th July, 1919.)

(2) No obligation to state reasons for action taken under Fundamental Rules.--The President has decided that the Government are not prepared to state the reasons for their action under any of the Fundamental Rules when the said rules themselves contain no such condition or stipulation.

(G.I., F.D., letter No. F-69-RI/28, dated 22nd May, 1928.)

PRESIDENTS'S DECISION

The powers under Rule 1321 (F.R. 27) should not be exercised by the competent authorities to grant premature increments:

- (i) as reward for meritorious work;
- (ii) in disregard of the advices given by the associate finance in any individual case of fixation of pay;
- (iii) in disregard of the normal rules governing fixation of pay except in cases of hardship or where the circumstances are unusual; or

- (iv) to take into account the monetary equivalent of certain perquisites allowed, special pay drawn, or deputation allowance granted in a previous post, for the purpose of fixing the initial pay on appointment to another post where such monetary benefits are not permissible.

(Railway Board's letter No. F(E)II-68F.R.1/1 dated 20th March, 1968) (No. 365 dated 1st January, 1972.)

1322. (F.R. 28) Pay on Reduction to Lower Post.--The authority which orders the reduction of railway servant as a penalty from a higher to a lower post or time-scale, may allow him to draw any pay, not exceeding the maximum of the lower post, or time-scale which it may think proper.

Provided that the pay allowed to be drawn by a Railway servant under this rule shall not exceed the pay which he would have drawn by the operation of Rule 1313(F.R.22) read with Clause (b) or Clause (c) as the case may be, or Rule 1320 (F.R.26).

1323. (F.R. 29). --(1) If a Railway servant is reduced as a measure of penalty to a lower stage in his time-scale, the authority ordering such reduction shall state the period for which it shall be effective and whether, on restoration, the period of reduction shall operate to postpone future increments and, if so, to what extent.

(2) If a Railway servant is reduced as a measure of penalty to a lower service, grade or post or to a lower time-scale, the authority ordering the reduction may or may not specify the period for which the reduction shall be effective; but where the period is specified, that authority shall also state whether, on restoration, the period of reduction shall operate to postpone future increments and if so, to what extent.

1324. (F.R. 29-A). --Where an order of penalty of withholding of increment of a railway servant or his reduction to a lower service, grade or post, or to a lower time-scale, or to a lower stage in a time-scale, is set aside or modified by a competent authority on appeal or review, the pay of the railway servant shall, notwithstanding anything contained in these Rules, be regulated in the following manner: --

- (a) if the said order is set aside, he shall be given, for the period such order has been in force, the difference between the pay to which he would have been entitled had that order not been made and the pay he had actually drawn;
- (b) if the said order is modified, the pay shall be regulated as if the order, as so modified, had been made in the first instance.

Explanation.--If the pay drawn by a railway servant in respect of any period prior to the issue of the orders of the competent authority under this rule is revised, the leave salary and allowances (other than traveling allowance) if any, admissible to him during that period shall be revised on the basis of the revised pay.

1325. (F.R.30). Omitted (Authority:- Railway Board's letter No. F(E)II/89/FR-1/1 dated 12.12.91)

1326. (F.R. 31)—Omitted (Authority:- Railway Board's letter No. F(E)II/89/FR-1/1 dated 12.12.91)

1327. (F.R. 31-A). --Notwithstanding the provisions contained in these rules, the pay of a railway servant who promotion or appointment to a post is found to be or to have been erroneous shall be regulated in accordance with any general or special orders issued by the competent authority in this behalf.

1328. (F.R. 33). --When a railway servant officiates in a post the pay of which has been fixed at a rate personal to another railway servant, a competent authority may permit him to draw pay at any rate not exceeding the rate so fixed or if the rate so fixed be a time-scale, may grant him initial pay not exceeding the lowest stage of that time-scale, and future increments not exceeding those of the sanctioned scale.

Audit Instruction

“The lowest stage of that time-scale”.--If a Government servant, who is personally qualified to draw overseas pay, if appointed to officiate in a post on a time-scale, the pay of which is fixed personally for the substantive holder of the post and includes sterling overseas pay, the lowest stage in the time-scale, for the purposes of F.R. 33 (1328). Is the minimum of the time-scale, plus the sterling overseas pay included in the pay fixed personally for the substantive holder of the post.

1329. (F.R. 35). -A Competent authority may fix the pay of an officiating railway servant at an amount less than that admissible under these rules.

Audit Instruction

(1) Holding charge of current duties--One class of case falling under this rule is that in which a Government servant merely holds charge of the current duties and does not perform the full duties of the post.

(2) See entry (3) under Audit Instruction under F.R. 22 (1313).

Government of India's Decision

Special order necessary to exercise power under F.R. 35 (1329).—Charge allowance earlier admissible to officers on adhoc promotion to higher grades has been abolished w.e.f. 1st July 2017. The officiating pay in those cases will be regulated by the instructions contained in Railway Board's letter no. PC-VII/2017/1/7/5/8 dated 08.08.2019 (RBE – 127/2019) as modified from time to time.

1330. (F.R. 36).--A competent authority may issue general or special orders allowing officiating promotions to be made in the place of railway servants who are treated as on duty under Rule 103 (16) (b).

Government of India's order

(1) Officers of A.I.R.O.--Acting promotions may be made in the place of Government servants under-going training in the Army in India Reserve of Officers and the Indian Territorial Forces, who under paragraph 38, Appendix XXX, Regulations for the Army in India, Army Instruction (India), No.E-37 of 1927 and royal Air Force Instruction (India), No. 87 of 1927, are treated during the period of training as on duty for the purpose of civil leave and pension and for increments of civil pay.

(G.I., F.D. Memo No. F-60-RI/28 dated 30th April, 1928 and C.I., F.D., No-III-1/30 dated 16th August, 1930.)

(2) In the case of railway officers undergoing training at the National Academy of Indian Railways, Vadodara, Indian Railway Institute of Civil Engineering, Pune, Indian Railway Institute of Signal Engineering and Telecommunications, Secunderabad, Indian Railway Institute of Mechanical and Electrical Engineering, Jamalpur, Indian Railway Institute of Electrical Engineering, Nashik, Indian Railway Institute of Transport Management, Lucknow, Indian Railway Institute of Finance Management, Secunderabad and Jagjivan Ram RPF Academy, Lucknow the period so spent may be treated as duty and officiating arrangement may be made by the railway administrations vice the officers so deputed. This is, however, subject to restriction laid down in connection with acting promotions.

(Rly. Board's letter No. E (GR) 1167 TR 1-6, dated 11th April, 1967.)

(No. 369, dated 1st January, 1972.)

1331. (F.R.37)--Personal Pay.--Except when the authority sanctioning it orders otherwise, personal pay shall be reduced by any amount by which the recipient's pay may be increased, and shall cease as soon as his pay is increased by an amount equal to his personal pay.

1332. (F.R. 39)--Pay of Temporary Posts.--When a temporary post is created which may have to be filled by a person not already in government service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.

1333. (F.R.40).-When a temporary post is created which will probably be filled by a person who is already a government servant, its pay should be fixed by the competent authority with due regard to-

(a) the character and responsibility of the works to be performed; and

(b) the existing pay of railway servants of a status sufficient to warrant their selection for the post.

Government of India's orders

(1) Pay on special duty or "deputation".--Although it has been incorrect since the Fundamental rules superseded the Civil Service Regulations to refer to officials holding temporary posts created for special purposes outside the regular line of their service as being "on deputation" or "on special duty", recommendations are still commonly made in the absolute terms of the Civil service Regulations; and these terms are accordingly used for convenience in this order. All such posts are now technically temporary posts added to the cadre of the holder's services; and the rule governing the fixation of pay for the holders is Fundamental Rules 40 (1333). * * * The correct method is to fix a consolidated pay split up, if convenience so dictates, into rupee and sterling elements. Possibly through the influence of Fundamental Rule 22 (1313) and 30 (1325), before they were amended in March, 1930, to eliminate the unintentional extravagance of enhanced pay for a mere change in the character of duties performed, the tendency has gradually grown up of sanctioning enhanced pay for all posts temporarily created outside the ordinary with scant regard to the provisions of fundamental rule 40 (1333). It has accordingly been ordered that the following principles should strictly be observed in fixing pay of such posts-

(i) A Government servant placed on "special duty" or "on deputation" should have the pay of his temporary post fixed at what his pay would have been from time to time in the regular line had he not been so deputed.

NOTE. --If the sanctioning authority is satisfied that Government servant so deputed would otherwise have been advanced very shortly afterwards to a post carrying higher pay than that which he was drawing at the time his "special duty" or "deputation" begins and would continue to hold such a post for approximately the same period as his temporary post is expected to last, it may take this fact into account and fix a uniform pay throughout the period.

(ii) The sole criterion for sanctioning enhanced pay in such cases is proof of a decided increase of work or responsibility in comparison with the duties of the post which the Government servant would otherwise occupy in the regular line. Where the test of comparative responsibility is not practicable, Fundamental Rule 40 (1333) may be followed.

(iii) Any extra remuneration sanctioned because of such increased work or responsibility should in no case exceed, without the special sanction of the Finance Department, one-fifth or substantive pay.

Government servants deputed to posts substantially parallel in work and responsibility to the posts which they would otherwise have occupied, should receive no increase in pay, though the peculiar circumstances in which their duty is to be performed may justify reasonable compensatory allowances. An excellent example of this type will be found in the personnel deputed to Committees and Commissions. Government servants deputed as members of Committees and Commissions will ordinarily be performing no more responsible duties than they would have performed had they remained in the ordinary line of their service; and it is only in exceptional cases that any extra remuneration can be justified. The foregoing principles may, however, have to be relaxed in exceptional cases, where having regard to the importance of the duties, it is necessary to secure officers with special qualification on special items.

(G.I., F.D., Memo No. F.13-XIX-Ex. 1/31 dt. 7th Jan., 1932.)

(2) As the fixation of a consolidated rate of pay of temporary posts has on some occasions led not to economy but to extravagance, the orders contained in Item (1) above are amplified and restated as follows-

Temporary posts may be divided into two categories---

(i) posts created to perform the ordinary work for which permanent posts already exist in a cadre, the only distinction being that the new posts are temporary and not permanent, and

(ii) Isolated posts created for the performance of special tasks unconnected with the ordinary work which a Service is called upon to perform. An example of the latter type of post would be a post on a commission of enquiry. A distinction by strict verbal definition is difficult, but in practice there should be little difficulty in applying the distinction in individual cases. The former class of post should be considered to be a temporary addition to the cadre of a service who every may be the individual appointed to the post. The latter class of temporary post should be considered as unclassified and isolated ex-cadre posts.

(3) Temporary posts which by this criterion should be considered as the temporary additions to the cadre of a Service, should be created in the time-scale of service ordinarily without extra remuneration. Incumbents of these posts will, therefore, draw their ordinary time-scale pay. If the posts involve decided increase in work and responsibility in comparison with the duties of the parent cadre generally, it may be necessary to sanction a special pay in addition.

(4) For isolated ex-cadre posts, it may occasionally be desirable to fix consolidated rates of pay. Where, however, the post is to be held by members of a service it will ordinarily be preferable also to create the post in the time-scale of the holder's service.

(G.I., F.D., Office Memorandum No. F.27 (34)-Ex.1/36 dt. The 15th December, 1936.) (Railway Board's Case No. F (E) 52CDI/(1).)

Government of India's Decision

The instructions laid down in Government of India's order above should be generally followed when special temporary appointments are made; and departure there-from should be personally sanctioned by the General Manager.

(Rly. Board's letters 1111-E.G., dated 14th Sept., 1933 and 1196 E.G., dated 22nd Dec., 1933.)

ADDITIONS TO PAY

1334. (F.R.46)--Fees and Honoraria –

(a) **Fees.**--A competent authority may permit a railway servant, if it be satisfied that this can be done without detriment to his official duties or responsibilities, to perform a specified service or series of services for a private person or body or for a public body including a body administering a local fund and to receive as remuneration therefore, if the service be material, a non-recurring or recurring fee.

NOTE. --This clause does not apply to the acceptance of fees by railway medical officers for professional attendance which is regulated by the Rules in Chapter 6.

(b) **Honoraria.**--A Competent authority may grant or permit a railway servant to receive an honorarium as remuneration for work performed which is occasional or intermittent in character and either so laborious or of such special merit as to justify a special reward. Except when special reasons, which should be recorded in writing, exist for a departure from this provision, sanction to the grant or acceptance of an honorarium should not be given unless the work has been undertaken with the prior consent of the competent authority and its amount has been settled in advance.

(c) **Conditions governing the grant of fees and honoraria.**--In the case of both fees and honoraria, the sanctioning authority shall record in writing that due regard has been paid to the general principle enunciated in Rule 237 (F.R.11), and shall record also the reasons which in his opinion justify the grant of the extra remuneration.

Government of India's orders

(1) **Temporary increase in works.**--Several instances have come to the notice in which recommendations have been made by various Departments for the grant of honoraria to members of their office on account of a temporary increase in their work due to the holding of special Conferences under the auspices of a Department or Subordinate authority or of inter-departmental Committees. In the opinion of the finance Department, such temporary increases in work are normal incidents of Government service, and form part of the legitimate duties of Government servants according to the general principle enunciated in F.R.11 (Rule 237). Those so employed have, therefore, no claim to extra remuneration.

(G.I. F.D., Memo No. F. 5-VIII-RI/30, dated 3rd Sept., 1930.)

(2) Intimation to the Union Public Service Commission by Departments of the Government of India, or other Heads of Departments sub-ordinate to them, that particular Government servants have been appointed to the *viva voce* boards in connection with the recruitment examinations conducted by the Union Public Service Commission, should be regarded

automatically conveying the Government of India's sanction to the acceptance by the said officers of honoraria at the fixed rates prescribed by the Union Public Service Commission, and to their drawing the traveling allowance admissible to them.

The employment by the Public Service Commission as examiners or moderators or any officers serving under the Government of India or Heads of Departments subordinate to them will also automatically imply the Government of India's sanction to those officers undertaking the work and accepting honoraria at the fixed rates prescribed by the Commission.

(G.I., F.D., letter No. F.1-XII-Ex.11/25, dt. 16th July. '35, to the Secretary, Public Service Commission; G.I., F.D., letter No.D-6434-Ex. 11/36 dated the 3rd Dec., 1936, and Rly. Board's Case No. E.44-HO-11/2.)

Audit Instruction

Recording of the reasons for the grant of Honoraria.-The rule requires that the reasons for the grant should be recorded in writing as it is intended that the grant of an honorarium or fee should be carefully controlled by Government and scrutinized by Audit, and that Audit should be given an effective opportunity of comment if it be deemed necessary. Audit Officers may, therefore, require that the reasons for the grant of an honorarium or fee should be communicated to them in each case.

(Ruling (26), Section IV of Compilation of Audit Rulings.)

Railway Ministry's decision

1. (a) A Railway servant appointed as an arbitrator in a dispute in which the railway Administration is a party should be from a Department different from the one to which the dispute pertains. A Railway servant appointed to act as an arbitrator in a dispute in which his own Department is involved should not be granted any honorarium.

NOTE--'Department' for the purpose of application of these orders is a Department of Railway. The intention is that each service (department) on a Railway should be treated as a separate department for the purpose. However appointment of an Engineer from the 'Open Line' of the Civil Engineering Department as an Arbitrator to deal with a case of Construction and vice versa would be treated as an appointment of an Arbitrator from a different Department.

(b) If he is appointed as an Arbitrator in a dispute involving a department other than his own, he may be paid an honorarium at the rate of Rs.80/- per day or Rs.40/- per half day subject to a maximum of Rs. 1200/- per case. For this purpose a day means more than two hours continuous work on a day and half day means work for two hours or less. He shall record a certificate in writing indicating whether he has done a day's work or half day's work on a particular day.

(Authority: - Railway Board's letter No. E (G) 89/HO1-34 dated 8.1992.)

(c) In either of the above two cases, when any costs on account of arbitration are awarded against a private party, the entire amount on recovery by the Railway concerned, shall be credited to Railway revenues and shall not be paid to the arbitrator.

(d) A railway servant may, with the prior permission of the competent authority as required under Rule 1334 (F.R. 46(a)), accept appointment as an arbitrator in a dispute between private parties. At the time of giving such permission, the competent authority shall decide whether consistent with his official duties, he may undertake the arbitration work and also whether he may accept any fee for it from the parties to the dispute. The fee from the private party shall be subject to the provisions of S.R. 12 that one third of any fee shall be credited to railway revenues, provided the amount retained by the railway servant concerned will not, merely by the operation of this rule, be reduced to below Rs. 400/-, if non-recurring, or Rs. 250/- a year, if recurring.

Railway Board's letters No. E(G)60/HO-1/25 dated 16th January, 1961 & No.E(G)62/HO/1/26 dated 13th Nov.,1963.)

2. (a) In cases where no sanction is required for broadcasts on All India Radio etc. which are purely of a literary, artistic or scientific character, no permission is necessary for Railway servants to receive the honorarium.

(b) In cases where sanction to broadcast is necessary, such sanction, if given, should be taken to carry with it also the sanction to receive the honorarium.

(Railway Board's letter No. E(G)57/HO-1/2 dated 15th April, 1957.)

(Authority No. E(G)63-HO/1/10 dated 15th June, 1964.)

1335. (F.R. 48) --**Premium and Reward**-- Any railway servant is eligible to receive and except as otherwise provided by a general or special order of the President, to retain without special permission:--

- (a) the premium awarded for any essay or plan in public competition;
- (b) any reward offered for the arrest of a criminal or, for information or special service in connection with the administration of justice;
- (c) any reward payable in accordance with the provisions of any Act or Regulation or rules framed thereunder;
- (d) any reward sanctioned for services in connection with the administration of the customs and excise law; and
- (e) any fees payable to a railway servant for duties which he is required to perform in his official capacity under any special or local law or by order of Government.

PRESIDENT'S DECISION

Approval of the Railway Board.-- The acceptance of fees by railway servants in cases covered by Fundamental Rule 48 (1335), does not require the approval of the Railway Board.

(Rly. Board's letter No. E.38-FE/126(2) dt. 18th November, 1938.)

Government of India's decision

A fee payable to a railway servant under rule 1335 (c) can be retained by him without special permission. In other words, Supplementing Rule 12 which requires that one-third of all fees received by railway servants from private sources should be credited to Government, does not apply to such remuneration. It is not considered desirable that a railway servant, who in his official capacity is nominated as a Chairman or member of a Government, should be made eligible for any fee or other remuneration (except traveling allowance) which is admissible to non-Government servants for attending a meeting of the institution concerned or for performing other work thereof. This object can be secured by making suitable provisions in the Articles of Association or other Regulations of the body concerned or any Act relating to its institution without having recourse to an amendment of Rule.

(Rly. Board's File No. F(E)-51/FR-1/1.)

1336. (F.R. 48-A)- **Patent for Inventions**-- A railway servant shall not apply for or obtain, or cause or permit any other person to apply for or obtain, a patent for an invention made by such railway servant which is connected directly or indirectly with his official duties, save with the permission of the President and in accordance with such conditions as the President may impose.

Government of India's orders

(1) Patents for Inventions.-- Application for permission shall be made by the railway servants making an invention to the head of his department, or if he is himself the head of a department, to the Railway Board. The head of the department shall deal with the application confidentially and with expedition so that the inventor may not be prejudiced by delay in making his application at the Patent Office and shall forward it with his recommendations to the Railway Board.

- (2) In dealing with the applications for patents the Railway Board shall be guided by the following principles:-

- (i) Permission shall be granted to the applicant without any restriction if the invention has no connection with the railway servant's official duties and has not resulted from facilities provided as government expense.
- (ii) If the invention is made in the course of the railway servant's official duties or has resulted from facilities provided at government expense, then--
 - (a) if the invention is of such general interest and utility that the public interest will be best served by allowing the public a free use of the invention, the application for taking out a patent shall be refused and the invention shall be published. An exgratia payment shall ordinarily be made to the inventor as a reward in all such cases;
 - (b) if the invention is not of the kind mentioned in clause (a), but is of sufficient public utility as is likely to make its commercial exploitation profitable, the inventor shall be directed to take out a patent and to assign his rights under the patent to the President . In all such cases, the inventor shall be rewarded either by a suitable lump-sum payment or by a liberal percentage of the profits made by Government in connection with the invention;
 - (c) in other cases, the inventor shall be allowed to take out a patent for his own benefit subject to his undertaking to permit Government the use of the invention either without payment or on such terms as they may consider reasonable. Before permission is given to a railway servant under this clause to take out a patent, he shall undertake-
 - (i) to insert a condition, in respect of the Railway Board's right in the patent, in any agreement which he may enter with any party for exploiting the said patent, and also to forward a copy of such agreement to the Board for their information; and
 - (ii) to refund to the Railway Board any royalty which he may receive from the exploitation of the patent in respect of the articles purchased for the use of the Crown, whether or not he was in service at the time of such purchase.

Copies of orders relating to grant of permission to take out patents, wherein any condition is imposed regarding any special right reserved for the government, should be forwarded to the Controller of Patents and Designs so that a notice of such conditions may be entered in the Register of Patents for the information of the public.

- (3) When the invention has been assigned to the President under clause (ii) (b) of item (2) above, the President may-
 - (a) exploit the patent himself, or
 - (b) advertise the patent and grant licenses on payment to manufacturers, or
 - (c) sell the rights under the patent to a firm or to a private person.

(4) In order to secure for Government the full benefits of inventions, the Controller of Patents and Designs will ordinarily be consulted before any awards are made under Clauses (a), (b) of item 2 (ii) above or steps are taken for the exploitation of the patents under item 3 above.

(5) When a railway servant makes a suggestion, in regard to railway working or makes an invention, for which he does not propose to apply for permission to take out a patent, and in either case the suggestion or the invention is likely to prove beneficial to the railway, the General Manager of a railway may grant to such a railway servant a bonus or reward not exceeding Rs. 500/-. Proposals for the grant of bonus or reward in excess of this limit shall require the previous sanction of the president.

(Rly. Board's letters Nos. 34/572/S/23, dt. 14th March, 1935 and E. 39-PT-1(2) dt. 8th July, 1939)

COMBINATION OF APPOINTMENTS

1337. (F.R.49). -- A competent authority may appoint a railway servant already holding a post in a substantive or officiating capacity, to officiate, as a temporary measure in one or more of other separate posts at one time. In such cases his pay shall be regulated as follows—

- (a) the highest pay to which he would be entitled if his appointment to one of the posts stood alone, may be drawn on account of his tenure of that post;
- (b) for each other post he draws such reasonable pay, in no case exceeding half the presumptive pay (excluding overseas pay) of the post as the competent authority may fix; and
- (c) if compensatory or sumptuary allowances are attached to one or more of the posts, he draws such compensatory or sumptuary allowances as the competent authority may fix, provided that such allowances shall not exceed the total of the compensatory and sumptuary allowances attached to all the posts;

PRESIDENT'S ORDER

The term 'highest pay' in clause (a) of this rule should be interpreted as pay admissible to a railway servant under the rules including rule 1329 (F.R.35).

AUDIT INSTRUCTION

Presumptive pay for the purposes of Fundamental Rule 49(b), should, according, to Fundamental Rule 9(24), be taken to what the Government servant who is placed in additional charge, will draw as initial pay in the time-scale of the additional post under Fundamental Rule 22, were he formally transferred to it. In cases, however, in which the maximum of the lower post is less than the pay of the Government servant in his substantive post, the application of the Fundamental Rule 22 is not clear, and accordingly the President has decided under Fundamental Rule 8 that in such a case the maximum of the pay of the lower post should be taken as the presumptive pay for the purposes of Fundamental Rule 49(b).

(Rly. Board's Case No. F. 42/PA-1(4).)

DEPUTATION OUT OF INDIA

1338. (F.R.50)-- **Sanctioning Authority.**-- No deputation of a railway servant out of India shall be sanctioned without the previous approval of the Central Government.

1339. (F.R.51)-- **Pay during deputation out of India.**—

(1) when a railway servant is, with proper sanction, temporarily deputed for duty out of India either in connection with the post held by him in India or in connection with any special duty on which he may temporarily be placed, he may be allowed by the President to draw during the period of deputation the same pay which he would have drawn had he remained on duty in India;

Provided that a railway servant, who is placed on deputation while already on leave, out of India on average pay, may be required by the President to continue to be on leave, in which case he shall be given during that period, in addition to his leave salary, an honorarium of one-sixth of the pay which he would have drawn had he remained on duty in India; the cost of passages from and to India shall be borne by him.

NOTE:- (1) The portion of the pay which a railway servant may be permitted to draw in foreign currency while on deputation abroad will be determined in accordance with the orders issued by the President in this regard from time to time.

(2) A railway servant on deputation may also be granted a compensatory allowance in a foreign country of such amount as the President may think fit.

(3) The foreign exchange equivalent of the pay, honorarium or compensatory allowance admissible under sub-rule (1) or sub-rule (2) shall be calculated at such rate of exchange as the President may by order prescribe.

Government of India's orders

(1) Honorarium for duty during leave. - Officers on leave, who are unwilling to undertake special duty on deputation rates of pay may be allowed to continue to consume leave and receive an honorarium fixed at one-sixth of Indian pay.

(G.I., F.D., No.994-C.S.R., dated 9th May. 1924)

(2) Option to convert deputation into leave. - Officers on deputation out of India when placed on deputation while on leave out of India on average pay may, convert deputation into leave on average pay plus an honorarium of one-sixth of Indian pay, on the condition that in both cases the cost of passages both from and to India is borne by the officer.

Periods of deputation converted into leave should count for pension as leave and not as deputation.

(Indian Office No. F.4012-25 dated 14th September, 1925, received with G.I. F.D. No. F.120-C.S.R.-25 dated 4th and 19th November,1925.)

(3) Interpretation. - The terms of F.R. 50 (1338) must be interpreted as applying to cases where officers exercise the option of consuming leave and drawing an honorarium of one-sixth pay during a period of duty out of India, i.e., this option can only be exercised by a Government servant whose deputation out of India has been approved by the proper authority.

(G.I.,F.D., No. F/101-CSR-26 dt. 30th July, 1926.)

(4) Attending conferences. --In the case of officers who, while on leave in the United Kingdom, attend conferences or congresses there or on the continent the following uniform system should be adopted-

- (i) Officers who are nominated as official representatives of the Government of India will be placed on deputation for the period involved and will receive the usual traveling expenses and subsistence allowance.
- (ii) Officers who are not so nominated will not be placed on deputation but if it is thought desirable that they should attend as visitors they may be offered traveling expenses and subsistence allowance as an inducement for them to do so. Further though the officer may not be an official representative, the India office will be prepared to render him such service as recommending him as a visitor, to the Congress Authorities.

(India Office S. of S.'s Despatch No. 5 Overseas, dated 20th December, 1928 received with G.I., F.D., Endorsement No.F-4-II-RI/29 dated 9th February, 1929.)

(5) Officers on short term contracts. - In connection with the deputation pay of officers on short term contracts when called upon to undertake duty outside India, it has been decided to include in the model terms of agreement in use by the office of the high Commissioner for India for short term appointments under the Government of India, a clause providing specifically that deputation out of India shall be governed by the ordinary service rules.

(G.I., F.D., letter No. F. 4(28)-RI/31 dt. 14-7-1932.)

Government of India's Decisions

(1) "Pay" in F.R.. 51 (1339).-- The term "Pay" in the expression, "the pay which he would have drawn if he had remained on duty in India" occurring in this rule, should be interpreted literally with reference to the definition in F.R. 9(21) (Rule 1303) and the pay which an officer would have drawn if he were on duty in India should be determined for the purpose of this rule, with reference to what the competent authorities in India state the Officer's pay would have been if he were on duty in India. It will, therefore, be necessary for the Account Officer to intimate to the High Commissioner in each case after consultation with Government, the pay which an officer would have drawn if on duty in India.

In the case of Government servants who are not deputed out of India for special items of work but are placed on continuous service with commissions and committees whose functions require work both in and out of India, the expression "the pay which he would have drawn if he had remained on duty in India" occurring in this rule as well as the expression "the

pay which the Government servant would have drawn if on duty in India” occurring in proviso (a) F.R. 9(2) (Rule 1303) should be interpreted as having reference to the pay which they would have drawn in India had they continued on duty with the commission or committee there.

(G.I., F.D., No. F/47-RI/28 dt. 29th May, 1928 and No. F. 4-II/RI/30 dated 27th July, 1931.)

(2) Overseas pay to be taken into account.-- As overseas pay is included in ‘pay’ and as an officer would draw overseas pay under Fundamental Rule 5 (1) (1339), (if entitled to it) had he remained on duty in India, it should be taken into account for the purposes of calculation of the deputation pay under the revised Fundamental Rule 51.

(Government of India, Finance Department, No. F.90(10)- RI/33 dated 10th October, 1933.)

Audit Instruction

Period of Deputation. -- The period of the deputation runs from the date on which the Government servant makes over charge of his office in India to the date on which he resumes it or if the Government servant is on leave out of India at the time he is placed on deputation, the period of the deputation is the time actually occupied by the duty.

1340. (F.R.51-A). -- When a railway servant is with proper sanction deputed for duty out of India to hold a regularly constituted permanent or quasi-permanent post, other than a post borne on the cadre of the service to which he belongs, his pay shall be regulated by the orders of the Central Government.

DISMISSAL, REMOVAL AND SUSPENSION

1341. (F.R.. 52) **Date from which affected** -- The pay and allowances of a railway servant who is removed or dismissed from service cease from the date of the order of removal or dismissal.

1342. (F.R.53) **Pay during suspension.**—

(1) A railway Servant under suspension or deemed to have been placed under suspension by an order of the competent authority shall be entitled to the following payments, namely-

- (a) A subsistence allowance at an amount equal to the leave salary which the Railway servant would have drawn if he had been on leave on half average pay or on half pay and in addition dearness allowance, if admissible, on the basis of such leave salary.

Provided that where the period of suspension exceeds 3 months, the authority which made or is deemed to have made the order of suspension shall be competent to vary the amount of subsistence allowance for any period subsequent to the period of the first 3 months as follows:

- (i) the amount of subsistence allowance may be increased by a suitable amount, not exceeding 50 per cent of the subsistence allowance admissible during the period of the first three months, if, in the opinion of the said authority, the period of suspension has been prolonged for reasons, to be recorded in writing, not directly attributable to the railway servant;
- (ii) the amount of subsistence allowance may be reduced by a suitable amount not exceeding 50 percent of the subsistence allowance admissible during the period of the first three months, if, in the opinion of the said authority, the period of suspension has been prolonged due to reasons, to be recorded in writing, directly attributable to the railway servant;
- (iii) the rate of dearness allowance will be based on the increased or, as the case may be, decreased amount of subsistence allowance admissible under sub-clauses(i) and (ii) above
- (b) Any other compensatory allowances admissible from time to time on the basis of pay of which the railway servant was in receipt on the date of suspension subject to the fulfilment of other conditions laid down for the draw of such allowances.

(2) No payment under sub-rule (1) shall be made unless the railway servant furnishes a certificate that he is not engaged in any other employment business, profession or vocation.

Provided that in the case of a Railway servant dismissed, removed or compulsorily retired from service, who is deemed to have been placed or to continue to be under suspension from the date of such dismissal or removal or compulsory retirement, under sub-rule (3) or sub-rule (4) of rule 5 of Railway Servants (Discipline and Appeal) Rules 1968, and who fails to produce such a certificate for any period or periods during which he is deemed to be placed or to continue to be under suspension, he shall be entitled to the subsistence allowance and other allowances equal to the subsistence allowance and other allowances equal to the amount by which his earnings during such period or periods as the case may be, fall short of the amount of subsistence allowance and other allowances that would otherwise be admissible to him where the subsistence and other allowances admissible to him are equal to or less than the amount earned by him, nothing in this proviso shall apply to him.

1343 (F.R.54).--(1) When a railway servant who has been dismissed, removed or compulsorily retired is re-instated as a result of appeal or review or would have been so reinstated but for his retirement on superannuation while under suspension preceding the dismissal, removal or compulsory retirement, the authority competent to order reinstatement shall consider and make a specific order-

- (a) regarding the pay and allowances to be paid to the railway servant for the period of his absence from duty including the period of suspension preceding his dismissal, removal or compulsory retirement, as the case may be; and
- (b) Whether or not the said period shall be treated as a period spent on duty.

(2) Where the authority competent to order re-instatement is of opinion that the railway servant who had been dismissed, removed or compulsorily retired has been fully exonerated the railway servant shall, subject to the provisions of sub-rule (6), be paid the full pay and allowances to which he would have been entitled, had he not been dismissed, removed or compulsorily retired or suspended prior to such dismissal, removal or compulsory retirement, as the case may be:

Provided that where such authority is of opinion that the termination of the proceedings instituted against the railway servant had been delayed due to reasons directly attributable to the railway servant, it may, after giving him an opportunity to make his representation and after considering the representation, if any, submitted by him, direct, for reasons to be recorded in writing, that the railway servant shall, subject to the provisions of sub-rule (7), be paid for the period of such delay only such amount of such pay and allowances as it may determine.

(3) In a case falling under sub-rule (2), the period of absence from duty including the period of suspension preceding dismissal, removal or compulsory retirement, as the case may be, shall be treated as a period spent on duty for all purposes.

(4) In cases other than those covered by sub-rule (2) (including cases where the order of dismissal, removal or compulsory retirement from service is set aside by the appellate or reviewing authority solely on the ground of non-compliance with the requirements of clause (2) of Article 311 of the Constitution and no further inquiry is proposed to be held) the railway servant shall, subject to the provisions of sub-rules (6) and (7), be paid such amount to which he would have been entitled, had he not been dismissed, removed or compulsorily retired or suspended prior to such dismissal, removal or compulsory retirement, as the case may be, as the competent authority may determine, after giving notice to the railway servant of the quantum proposed and after considering the representation, if any, submitted by him in that connection within such period which in no case shall exceed 60 days from the date on which the notice has been served as may be specified in the notice.

(5) In a case falling under sub-rule (4), the period of absence from duty including the period of suspension preceding the dismissal, removal or compulsory retirement, as the case may be, shall not be treated as a period spent on duty, unless the competent authority specifically directs that it shall be so treated for any specific purpose; provided that if the railway servant so desires, such authority may direct that the period of absence from duty including the period of suspension preceding his dismissal, removal or compulsory retirement, as the case may be, shall be converted into leave of any kind due and admissible to the railway servant.

NOTE:-- The order of the competent authority under the preceding proviso shall be absolute and no higher sanction shall be necessary for the grant of—

(a) extraordinary leave in excess of three months in the case of temporary railway servant; and

(b) leave of any kind in excess of five years in the case of permanent railway servant.

(6) The payment of allowances under Sub-rule(2) or sub-rule (4) shall be subject to all other conditions under which such allowances are admissible.

(7) The amount determined under the proviso of sub-rule (2) or under sub-rule (4) shall not be less than the subsistence allowance and other allowances admissible under Rule 1342 (F.R. 53).

(8) Any payment made under this rule to a railway servant on his re-instatement shall be subject to adjustment of the amount, if any earned by him through an employment during the period between the date of removal, dismissal or compulsory retirement, as the case may be, and the date of re-instatement. Where the emoluments admissible under this rule are equal to or less than the amounts earned during the employment elsewhere, nothing shall be paid to the railway servant.

Government of India's decisions

(1) **No condition of lien to be satisfied for applying F.R. 54 (1343).** – A Government servant was dismissed from service on 8th March, 1927 and on appeal, was reinstated with effect from 27th October, 1927. The appellate authority declared, under F.R. 54 (1343) that the period of unemployment between the dates of dismissal and reinstatement should be treated as spent on duty and allowed to count for leave and increments. As there was no post against which the lien of the Government servant could be shown for the period of dismissal, the question arose whether in the absence of lien on a permanent post the period of unemployment could count for leave or increments. It was decided that F.R. 54 (1343), is absolute and unconditional and that it could not be absolute if the condition of “lien” had first to be satisfied.

(G.I., F.D., No. F/28-RI/28, dt. 5th April, 1928)

(2) A question having arisen whether in cases where the period of suspension is ordered to be treated as one spent on leave and when on conversion it is found that the greater part of the period is to be treated as extraordinary leave for which no leave salary is admissible, the recovery of the subsistence allowance already paid would be in order, it has been decided that there is no bar to the conversion of any portion of a period of suspension into extraordinary leave. In the case of person who are not fully exonerated the conversion of the period of suspension into leave with or without allowances has the effect of removing the stigma of suspension and all the adverse consequences following therefrom. The moment the period of suspension is converted into leave, it has the effect of vacating the order of suspension and it will be deemed not to have been passed at all. Therefore, if it is found that the total amount of suspension exceeds the amount of leave salary and allowances, the excess will have to be refunded and there is no escape from this conclusion.

(3) When the period of suspension after re-instatement is not treated as duty by the competent authority nor as leave at the request of the employee, it will not be deemed to cause an interruption/break in service. It shall be counted as “service” for the purpose of special contribution to Provident Fund, leave on average/half average pay under the State Railway Leave Rules contained in Chapter V.

(Authority Rly. Board's letter No. F(E)52SPN(1) dated 29th February, 1960)

1344(F.R. 54 A).--(1) where the dismissal, removal or compulsory retirement of a railway servant is set aside by a Court of law and such Government servant is reinstated without holding any further inquiry, the period of absence from duty shall be regularized and the Government servant shall be paid pay and allowances in accordance with the provisions of sub-rule (2) or (3) subject to the directions, if any, of the court.

(2) (i) Where the dismissal, removal or compulsory retirement of a railway servant is set aside by the court solely on the ground of non-compliance with the requirements of clause (1) or clause (2) of Article 311 of the Constitution, and where he is not exonerated on merits, the Government servant shall, subject to the provisions of sub-rule (7) of Rule 1343 (FR 54), be paid such amount (not being the whole) of the pay and allowances to which he would have been entitled had he not been dismissed, removed or compulsorily retired, or suspended prior to such dismissal, removal or compulsory retirement, as the case may be, as the competent authority may determine, after giving notice to the railway servant of the quantum proposed and after considering the representation, if any, submitted by him, in that connection within such period (which in no case shall exceed sixty days from the date on which the notice has been served) as may be specified in the notice.

(Authority:- Railway Board's letter No. F(E)III/91/PN-1/44 dated 13.04.92)

(ii) The period intervening between the date of dismissal, removal or compulsory retirement including the period of suspension preceding such dismissal, removal or compulsory retirement, as the case may be, and the date of judgment of the court shall be regularized in accordance with the provisions contained in sub-rule (5) of rule 1343.

(3) If the dismissal, removal or compulsory retirement of a railway servant is set aside by court on the merits of the case, the period intervening between the date of dismissal, removal or compulsory retirement including the period of suspension preceding, such dismissal, removal or compulsory retirement, as the case may be, and the date of reinstatement shall be treated as duty for all purposes and he shall be paid the full pay and allowances for the period, to which he would have been entitled, had he not been dismissed, removed or compulsory retired or suspended prior to such dismissal, removal or compulsory retirement, as the case may be.

(4) The payment of allowances under sub-rule (2) or sub-rule (3) shall be subject to all other conditions under which such allowances are admissible.

(5) Any payment made under this rule to a railway servant on his reinstatement shall be subject to adjustment of the amount, if any, earned by him through an employment during the period between the date of dismissal, removal or compulsory retirement and the date of reinstatement. Where the emoluments admissible under this rule are equal to or less than those earned during the employment elsewhere nothing shall be paid to the Government servant.

1345. (1) When a railway servant who has been suspended is re-instated (or would have been so reinstated but for his retirement (including premature retirement) while under suspension,) the authority competent to order reinstatement shall consider and make a specific order—

(a) regarding the pay and allowances to be paid to the railway servant for the period of suspension ending with reinstatement or [the date of his retirement (including premature retirement),] as the case may be; and

(b) Whether or not the said period shall be treated as a period spent on duty.

(2) Notwithstanding anything contained in Rule 1343 where a railway servant under suspension dies before the disciplinary or the court proceeding instituted against him are concluded, the period between the date of suspension and the date of death shall be treated as duty for all purposes and his family shall be paid the full pay and allowances for that period to which he would have been entitled had he not been suspended, subject to adjustment in respect of subsistence allowance already paid.

(3) Where the authority competent to order reinstatement is of the opinion that the suspension was wholly unjustified, the railway servant shall, subject to the provisions of sub-rule (8) be paid the full pay and allowances to which he would have been entitled, had he not been suspended:

Provided that where such authority is of the opinion that the termination of the proceedings instituted against the railway servant had been delayed due to reasons directly attributable to the Government servant, it may, after giving him an opportunity to make his representation within sixty days from the date on which the communication in this regard is served on him and after considering the representation, if any, submitted by him, direct, for reasons to be recorded in writing, that the railway servant shall be paid for the period of such delay only such amount (not being the whole) of such pay and allowances as it may determine.

(4) In a case falling under sub-rule (3) the period of suspension shall be treated as a period spent on duty for all purposes.

(5) In cases other than those falling under sub-rules (2) and (3) the railway servant shall, subject to the provisions of sub-rules (8) and (9) be paid such amount (not being the whole) of the pay and allowances to which he would have been entitled had he not been suspended, as the competent authority may determine, after giving notice to the railway servant of the quantum proposed and after considering the representation, if any, submitted by him in that connection within such period (which in no case shall exceed sixty days from the date on which the notice has been served) as may be specified in the notice.

(6) Where suspension is revoked pending finalisation of the disciplinary or the court proceedings, any order passed under sub-rule (1) before the conclusion of the proceedings against the railway servant, shall be reviewed on its own motion after the conclusion of the proceedings by the authority mentioned in sub-rule (1) who shall make an order according to the provisions of sub-rule (3) or sub-rule (5), as the case may be.

(7) In a case falling under sub-rule (5), the period of suspension shall not be treated as a period spent on duty unless the competent authority specifically directs that it shall be so treated for any specified purpose:

Provided that if the railway servant so desires, such authority may order that the period of suspension shall be converted into leave of any kind due and admissible to the Government servant.

NOTE: - The order of the competent authority under the preceding proviso shall be absolute and no higher sanction shall be necessary for the grant of –

(a) extraordinary leave in excess of three months in the case of temporary railway servant; and

(b) leave of any kind in excess of five years in the case of permanent or quasi-permanent railway servant.

(8) The payment of allowances under sub-rule (2), sub-rule (3) or sub-rule (5) shall be subject to all other conditions under which such allowances are admissible.

(9) The amount determined under the proviso to sub-rule (3) or under sub-rule (5) shall not be less than the subsistence allowance and other allowances admissible under Rule 1342.

Government of India's Orders

(1) **F.R. 54 absolute.**--A Government servant was dismissed from service on the 8th March, 1927, and, on appeal, was reinstated with effect from the 27th October, 1927. The appellate authority declared, under F.R. 54, that the period of unemployment between the dates of dismissal and reinstatement should be treated as spent on duty and allowed to count for leave and increments. As there was no post against which the lien of the Government servant could be shown for the period of dismissal, the question arose whether in the absence of lie on a permanent post the period of unemployment could count for leave or increments. It was decided that F.R. 54 is absolute and unconditional and that it could not be absolute if the condition of "lien" had first to be satisfied.

(G.I., F.D. No. F/28-R.I/28 dated the 5th April, 1928.)

(2) **When suspension regularized as leave consequential recovery inescapable.**--A question having arisen whether in case where the period of suspension is ordered to be treated as one spent on leave and when on conversion it is found that the greater part of the period is to be treated as extraordinary leave for which no leave salary is admissible, the recovery of the subsistence allowance already paid would be in order. The moment the period of suspension is converted into leave it has the effect of vacating the order of suspension and it will be deemed not to have been passed at all. Therefore, if it is found that the total amount of subsistence and compensatory allowances that an officer received during the period of suspension exceeds the amount of leave salary and allowances, the excess will have to be refunded and there is no escape from this conclusion.

(G.I., M.F., U.O., No. 3409-E.IV/53, dated the 25th April, 1953, U.O. No. 320-E.IV/54 dated the 22nd February, 1954 to the Communications Division and M.F., (C's) U.O. No. 1681-C.II/54 dated the 2nd March, 1954.)

(3) **Treatment of period of absence and payment thereof.**--The Government of India have conveyed the following clarifications in regard to certain points which have been raised in connection with the application of F.R. 54, 54-A and 54-B.

(1) The decision of the competent authority under F.R. 54, 54-A and 54-B is in respect of two separate and independent matters, viz., (a) pay and allowances for the period of absence, and (b) whether or not the period of absence should be treated as duty. It is not necessary that the decision on (a) above should depend upon the decision on (b) above. The competent authority has the discretion to pay the proportionate pay and allowances and treat the period as duty for any specified purpose(s) or only to pay the proportionate pay and allowances. It

has no discretion to pay full pay and allowances when the period is treated as “non-duty”. If no order is passed directing that the period of absence be treated as duty for any specified purpose the period of absence should be treated as ‘non-duty’. In such event, the past service (i.e.) service rendered before dismissal, removal, compulsory retirement or suspension will not be forfeited.

- (2) As Fundamental Rule 54 is absolute the law of limitation need not be invoked at the time of paying the arrears of pay and allowances for the period from the date of dismissal/removal/compulsory retirement/suspension to the date of reinstatement in respect of all cases where the pay and allowances are regulated on reinstatement in accordance with the provisions contained in F.R. 54, F.R. 54-A and F.R. 54-B with the exception of those covered under sub-rule (4) of F.R.54 and sub-rule (2) (i) of F.R. 54-A.

(G.I., O.M. No. 15(14)E.IV (59), dated the 25th May, 1962 and the 9th August, 1962 read with provisions of F.R. 54, 54-A and 54-B.)

(4) Regulation of pay on reinstatement on grounds of equity or court judgment, etc.—1. The following questions in connection with the reinstatement of dismissed/removed/discharged Government servants or the Government servants whose service had been terminated, came up for consideration:

- (1) Whether before the Government of India decide to reinstate an individual on grounds of equity, concurrence of the Ministry of finance should be obtained for payment of pay and allowances for the intervening period; or whether the administrative authorities, could themselves, after following the prescribed procedure, e.g. consultation with the Union Public Service Commission etc., reinstate the person and sanction payment of pay and allowances under F.R.54.
- (2) Whether in cases of reinstatement on the ground of dismissal /removal/ discharge from or termination of service being held by a court of law or by an appellate/reviewing authority to have been made without following the procedure required under Article 311 of the Constitution, payment of full pay and allowances for the intervening period is automatic and compulsory.

2.As regards question (1) above, it has been decided that the concurrence of the Ministry of Finance will not be necessary for reinstating a Government servant if the authority, which reinstates the Government servant, is competent to appoint him. The question as to what pay and allowances should be allowed for the intervening period and whether or not the period should be treated as duty, will be dealt with under F.R. 54.

3. Regarding question (2) stated in para 1 above, it has been decided that F.R. 54 is inapplicable in cases where dismissal/removal/discharge from or termination of service is held by a court or law or by an appellate/reviewing authority to have been without following the procedure required under Article 311 of the Constitution. In such cases--

- (i) if it is decided to hold a further inquiry and thus deem the Government servant to have been placed under suspension from the date of dismissal/removal/discharge/termination under Rule 12 (3) or 12 (4) of Central Civil Services (Classification, Control and Appeal) Rules, 1957 or a corresponding rule, the Government servant will be paid the subsistence allowance from the date he is deemed to have placed under suspension;
- (ii) if the Government servant is not “deemed” to have been under suspension as envisaged under (i) above, the payment of full pay and allowances for the intervening period and treatment of that period as duty for all purposes will be automatic and compulsory, provided that-
 - (a) the arrears should be paid subject to law of limitation;
 - (b) Where the reinstated Government servant has secured employment during any between the dismissal/removal/discharge/termination and reinstatement, the pay and allowances admissible to him after reinstatement for the intervening period shall be reduced by the emoluments earned by him during such employment if such pay and allowances exceed such emoluments. If the pay and allowances admissible to him are equal to or less than the emoluments earned by him nothing shall be paid to him: provided that the amount to be paid under (i) and (ii) above will be determined subject to the directions, if any, in the decree of the court regarding arrears of salary.

4. As the termination of service of a Government servant without following the procedure laid down in the Central Civil Service (Classification, Control and Appeal) Rules, the Central Civil Services (Temporary service) Rules, the C.S.R. or the terms of his appointment, etc., results in the payment of arrears by way of pay and allowances, the need for meticulously observing the “proper procedure” in such cases is once again impressed on all concerned.

5. In all cases where the circumstances leading to a Government servant’s reinstatement reveal that the authority which terminated his services, either willfully, did not observe, or through gross negligence failed to observe the ‘proper procedure’ as explained above, before terminating his service, proceedings should be instituted against such authority under Rule 16 of the Central Civil Services (Classification, Control and Appeal) Rules, and the question of recovering from such authority the whole or part of the pecuniary loss arising from the reinstatement of the Government servant should be considered.

(G.I., M.H.A., O.M. No. F.2/9/59-Ests. (A) dated the 27th May, 1961 and the 30th May, 1962.)

5.Suspension treated as “dies-non” not reckoned as service:-- It has been decided in consultation with the Comptroller and Auditor-General that the period of suspension of a Government servant, which is treated as “dies-non, should not be reckoned as ‘service’ for the purpose of any of these rules.

(G.I., M.F., Endorsement No. F.7 (41)-Est. IV/53 dated the 18th July, 1953 and U.N. No. 1824/E.IV/54, dated the 23rd February, 1954 to the A.G., P&T.)

1401. Dearness allowance - Group 'A', 'B' & 'C' railway servants shall be granted dearness allowance on the scales and under the conditions laid down by the Central Government from time to time.

1402. Application – The Dearness Allowance shall be admissible to all whole-time railway servants including temporary staff, staff paid from contingencies, piece-workers, workshop staff and apprentices drawing stipends, but excludes an employee whose remuneration is fixed specially with reference to market conditions and not at a rate already sanctioned for his class and the apprentices recruited under the Apprentice Act, 1961 and Apprentice Rules, 1962 who are not eligible for dearness allowance under these rules.

1403. Definitions.--Unless there is anything repugnant in the subject or context, the terms defined below are used in the sense herein explained.

(i) Pay – It includes

(a) Pay as defined in Rule 103 (35) of IREC

(b) Pension and/or Pensionary equivalent of other forms of retirement benefits subject to the provision in Note 2 below, if any, drawn by re-employed pensioners.

NOTE 1.--30% of the basic pay of running staff will be treated as pay representing the pay element in the Running Allowance. From 1-8-1981, Dearness Allowance, and Additional Dearness Allowance at the appropriate rates as sanctioned by the government from time to time shall be paid on the basic pay plus the pay element of the Running Allowance viz. 30% of the basic pay. (Ministry of Railways letter No. E(P & A)II-80/RS-10 dated 17-7-1981.)

NOTE 2.--In the case of retired Railway servants, non-Govt. servants, employees of Quasi-Government bodies, the dearness allowance during the period of their re-employment on Railways, shall be granted on the pay fixed on re-employment, plus the gross amount of pension and/or pensionary equivalent of other forms of retirement benefits, provided that in either case the total does not exceed the maximum of the scale of the post in which the person is re-employed.

In the case of retired Military Pensioners, whose pay on re-employment in a railway post is fixed without taking into account the military pension, Dearness Allowance shall be granted on the basis of the pay of the post only.

In cases where a part of the Pension is taken into account for the purpose of the fixation of pay on re-employment, that part of the pension subject to the limits laid down above will be treated as pay.

For this purpose, the amount of pension will be the amount originally sanctioned (i.e. before commutation, if any) less the amount of pension, if any, held in abeyance as a condition of re-employment.

NOTE 3.--The compensatory (construction or survey) allowance granted to staff employed on loco building works surveys and construction works, vide rule 1423 shall not be included in 'Pay' for the purpose of calculating dearness allowance.

NOTE 4.--(i) The emoluments received from foreign Government in the shape of pay, leave salary or pension will not be taken into account for determining the eligibility to dearness allowance.

(ii) Dearness Allowance is in the nature of compensation for established increase in the cost of living and shall be comprised of Dearness Allowance, Additional Dearness Allowance and Dearness Pay and such other elements as the government may from time to time decide. It shall be classified as a Compensatory Allowance.

1404. Dearness Allowance to contract officers.--Dearness Allowance may be granted to officers engaged on contract for specified periods who may be otherwise eligible for it irrespective of whether there is a provision in the contract for the grant to them of any concession or allowance of a general nature which may be sanctioned for officers of corresponding status in the regular service and subject to the condition that they have not already been allowed in the fixation of their pay an element of compensation to meet the increase in the cost of living.

1405. Dearness Allowance to officers on ad-hoc rates of pay.--The dearness allowance will also be admissible to those officers on ad-hoc rates of pay provided their pay was fixed without taking into account any allowance drawn by them prior to their appointment on the ad-hoc rates of pay, as compensation, for the high cost of living.

1406. Dearness Allowance to military officers.--Military officers in civil employ drawing civilian rates of pay will be eligible for the Dearness Allowance as admissible to Railway servants in corresponding grades, while Military officers drawing Military rates of pay and allowance will be governed by the rules or orders on the subject applicable to the personnel of the Armed Forces.

1407. Dearness Allowance on varying rates of pay.--The admissibility and the amount of allowance to be drawn by railway servants drawing varying rates of pay during the course of a month will be determined by the emoluments drawn during each particular broken period of a month.

1408. Dearness Allowance on joining and leaving service.--In the case of a railway servant joining or leaving service in the course of a month, the allowance will be determined with reference to the monthly rate of pay and will be proportionate to the actual days of employment in the month.

1409. Dearness Allowance during Foreign service.--A railway servant in foreign service may draw dearness allowance from the foreign employer on the basis of foreign service pay, if the foreign employer is willing to bear the cost and provided that the rates as well as the monetary limits (including marginal adjustments) for the eligibility for the allowance are not higher than those sanctioned for railway servants.

1410. Drawal of Dearness allowance during deputation out of India.--A Railway employee deputed for training abroad under the various officially sponsored training schemes may be allowed dearness allowance at the rate at which he would have drawn dearness allowance had he not proceeded on deputation abroad for training excluding any regular leave taken abroad.

The allowance will not be admissible to railway servants posted ex-India to specified posts. Also Dearness Allowance or Dearness Pay is not admissible in conjunction with foreign allowance.

1411. Drawal of Dearness allowance during suspension.--In addition to subsistence allowance, a railway servant under suspension shall be entitled to dearness allowance appropriate to the actual subsistence allowance admissible from time to time.

1412. (1) Drawal of Dearness allowance during leave and joining time

I. Admissibility of the Dearness allowance during leave

- (a) The allowance may be drawn during any period of leave other than (i) extra-ordinary leave, in or outside India and (ii) any portion of leave preparatory to retirement spent outside India, except that in cases of leave preparatory to retirement in India it will be admissible only during the first 300 days and in the case of terminal leave it will be admissible only during the first 120 days of the leave spent in India.

NOTE (1).--During leave preparatory to retirement in India in excess of first 300 days or leave preparatory to retirement outside India, the dearness allowance an amount equal to the Dearness Pay if admissible, appropriate to the leave salary, if the leave is on full pay and half of such amount if otherwise, may be paid.

NOTE (2).--In the case of a deceased Government servant, his family is entitled to the payment of cash equivalent of the leave salary that the deceased employees would have got, had he gone on earned leave but for the death, due and admissible on the date immediately following the date of death subject to a maximum 300 days of earned leave in terms of Rule 549 of Railway Servants (Liberalised Leave) Rules, 1949. Such cash equivalent would also carry the appropriate amount of dearness allowance.

- (b) The allowance during leave will be based on the leave salary actually drawn, both for the purpose of monetary limits within which the allowance is admissible and for calculation of the amount of the allowance.

NOTE (i) During terminal leave, the Dearness Allowance will be calculated on the gross leave salary before deduction of pension and pension equivalent of retirement benefits but the amount of Dearness Allowance payable to the employee on terminal leave should be reduced by the amounts of "reliefs to pensioners" that are admissible over and above the pension.

- (ii) During study leave, the Dearness Allowance would be admissible in terms of Rule 1413.

(O.M.F.O.M. No. 13011/1/E.II (B)/76 dt. 18-2-78, F(E)III/2008/LE-1/2 dated 13.04.2010; ACS-111; E(P&A)-I/2014/CPC/LE-2 dated 21.10.2014; ACS-123)

II. Admissibility of the Dearness allowance during joining time

During joining time as defined under Rule 1101 (F.R.105), the allowance will be based on the joining time pay admissible under Rule 1113 (F.R. 107) except that in a case where an employee joins a new post in a new station on return from leave of not more than six months duration from leave of any duration when he had not sufficient notice of the appointment to the new post, allowance will be drawn at the same rate at which it was drawn before the commencement of the joining time.

III. When running staff are on leave, they shall be entitled to be paid their leave salary based on their basic pay plus 30% thereof representing the pay element of running allowance and Dearness Allowance/Additional Dearness Allowance due on such pay plus 30% thereof.

(Ministry of Railways letter No. E (P & A)II-80/RS-10 dated 17-7-1981.)

1413. Dearness Allowance during study leave.--Dearness allowance is admissible to railway servants based on leave salary sanctioned during study leave whether in India or abroad.

1416. Deleted

1417. Dearness Pay.--Such portion of the Dearness Allowance as is decided by the Government to be treated as Dearness Pay shall be termed as Dearness Pay. The Dearness Pay so designated, shall be reckoned as pay for such purposes as are specified by the Government from time to time and for no other purposes.

Provided, however, that this rule is not applicable to persons who are—

- (a) employed on contract;
- (b) granted consolidated rates of pay and are not in receipt of dearness allowance separately;
- (c) drawing pay and allowances under the authorized scales of pay; and
- (d) drawing dearness allowance otherwise than as provided in these rules.

1423. Compensatory (Construction or Survey) Allowance to open line staff employed on construction and survey projects.--Railway servants employed on construction or survey projects may, subject to the following conditions, be granted compensatory (Construction or survey) allowance at the rates shown below:-

Level in Pay Matrix	Cell Name	Rate per month (Rs)
Level 9 and above	R3H2	3400
Level 8 and below	R3H2	2700

Draft Revised IREC uploaded on 12.05.2020

The above rates are w.e.f. 01.07.2017. The rates shall increase by 25% whenever the Dearness Allowance payable on the revised pay structure goes up by 50%.

NOTE. (i) The term 'Pay Level' in the revised pay structure means the 'Level' in the Pay Matrix as per VIIth CPC.

(ii) In respect of those employees who opt to continue in their pre-revised pay structure, corresponding Level in the Pay Matrix as indicated in Railway Services (Revised Pay) Rules, 2016 would determine the allowance.

(Authority:- Board's letter No. E(G)2017/AL 12-2 dated 12.12.2017)

(iii) The allowance shall ordinarily be sanctioned only for 'new lines' or restorations' or 'surveys'.

(iv) The allowance will not be admissible for 'doublings' except under very special circumstances to be decided by the Railway Board.

(v) The cases of 'projects' other than 'new lines' or 'restoration' or 'surveys' will be decided by the Railway Board on merits.

(vi) (a) The allowance will be admissible also to temporary staff recruited through Railway Recruitment Boards, or otherwise by a competent authority, if they are not locally recruited staff, as well as to staff engaged on re-employment terms. As Group 'C' staff as a rule are not recruited locally this will exclude such staff as are recruited locally (through the local Employment Exchange or otherwise). Construction allowance will not be admissible to casual labour.

(b) Staff employed in connection with surveys, new lines under construction, restoration of dismantled lines and such other projects as are specifically approved by the Railway Board will be eligible for the allowance wherever employed in connection with these works i.e., whether residing within the project site or area or not.

(c) This allowance will not be admissible in localities where compensatory and/or house rent allowances have been sanctioned to all railway servants by general orders. As an exception to this general principle, however, staff residing in 'Z' class towns, most of whom draw relatively very small amounts as house rent allowance, will be permitted to draw either the construction/survey allowance, or the other compensatory (house rent) allowance, whichever is higher.

(d) The staff employed partially on a survey/construction or other project approved by the Railway Board, for the purpose of drawing this allowance, and partially on other projects for which this allowance is not admissible, will be entitled to draw this allowance so long as they are closely associated with the construction/survey or other project work.

(vii) Staff transferred to the project even where such transfers involve promotion, will be eligible for the allowance.

(viii) The allowance will be admissible during leave also, subject to the condition that the railway servant should certify that while on leave he continued to incur a considerable portion of the expenditure for which the allowance had been sanctioned.

(ix) Survey, construction and project staff and gazetted railway servants will draw this allowance for the duration of sanction to the staff in connection with the survey, & C. In the case of surveys, however, the allowance will be admissible only during the period of field work and not during recess periods.

NOTE 1.--The allowance may be sanctioned by the General Managers but the question whether a particular project/survey/new line construction will qualify for the grant of construction/survey allowance or not should be referred to the Railway Board for decision.

NOTE 3.2 --The staff of the construction organisation, who are otherwise eligible for it, may continue to get the allowance for a maximum period of 12 months after the opening of the line/project for both goods and passenger traffic, provided that-

(i) When a line/project is opened in sections, the opened section(s) would be treated as a separate line/project for this purpose.

- (a) Staff engaged in connection with the opened section(s) only will , therefore be eligible for the allowance up to a maximum period of 12 months after the opening of the section(s) to goods and passenger traffic.
- (b) Staff engaged partly in connection with opened section(s) and partly in connection with the rest of the line/project would be deemed to be engaged in connection with the rest of line/project for so long as they are closely associated with the rest of line/project; such staff will, therefore, be eligible for the allowance up to a maximum period of 12 months after the opening of the rest of the line/project to goods and passenger traffic.

(ii) During the period of 12 months referred to above the allowance will be paid only to those staff otherwise eligible for it who were a part of the construction organisation and were in receipt of the allowances before opening of the line/project or the Section thereof or as the case may be the section(s) thereof for goods and passenger traffic.

1423-A. Project Allowance

I. Conditions

(i) The project allowance is to be given only for large scale projects and not for the construction of individual buildings. It will not be admissible except in such projects which have been declared by special orders by Government as qualifying for the grant of the same. Generally, the allowance will be sanctioned only if the execution of the project involves the establishment of a large construction organization and the construction is spread over a number of years. The allowance is intended primarily to compensate the staff for lack of amenities such as housing, schools, markets and dispensaries etc. Where reasonable amenities already exist, there would be no justification for the grant of the allowance. Government would fix a time limit at the time of sanctioning the project allowance initially, and it would be extended only if conditions warrant the continuance of the same.

(ii) These orders would apply to Central Government employees working in Central Govt. Projects, State Govt. projects and projects managed by autonomous bodies/corporations, wholly or substantially owned or controlled by Government and where entitlement is governed by Central Govt. rules/orders.

(iii) The allowance will not be admissible to staff recruited on ad-hoc scales of pay, such as daily rated or casual labor and paid from contingencies.

(iv) The allowance will be admissible only to such staff as are employed on the project and reside within the project area or in a nearby locality. The allowance may also be granted to such Central Government staff of other Departments as have their offices located in the project area for the work of the project, provided they reside within the project area or in a nearby locality. As an exception, the allowance may also be granted to an employee residing outside the project area, subject to the following conditions :—

(a) He should be residing outside the project area due to the non-availability of the residential accommodation in the area and not because such an arrangement is more convenient to him, and

(b) No facility of free or subsidized transport is available to such an employee for journeys to and from the project.

Note : 1. The term 'project area' will be the area defined as such by Government in respect of each project for which the project allowance is sanctioned.

2. Central Government staff of other departments, whose offices have been located in the project area not specifically for the work of the project authorities may be allowed project allowance at 50% of the rates admissible from time to time to employees directly connected with the work of the project, subject to the other conditions laid down.

(v) The continuance of the allowance would not be justified for the staff of the project when reasonable amenities have been provided in the project area. Hence, the allowance sanctioned originally for such staff shall be reduced in stages after a review of the amenities provided, until it is withdrawn finally. As an exception, in the case of temporary construction staff who have not been absorbed in the project on a regular basis, the allowance may be continued on a reduced scale until such staff are

finally discharged so long as constructions of any magnitude goes on. This concession will, however, be allowed only for a reasonable limited period.

(vi) The allowance will not be admissible during the periods of transfer out of the project area exceeding two months or during leave for a period exceeding two months, provided that the allowance may be paid for another period not exceeding two months, if the extended period of leave is on medical certificate.

During the period of suspension, the allowance will be regulated in the same manner and subject to production of a certificate, as prescribed for city compensatory allowance in the Ministry of Finance O. M. No. 2(37)-E.II(B)/64 dated 27-11-65 as amended from time to time and will be admissible only so long as the headquarters of the Government servant under suspension continues to be located in the project area.

During the period of joining time, the allowance will be regulated in the same manner as City Compensatory allowance.

(vii) In regard to State projects and projects managed by autonomous bodies/corporations, the Central Government employees will be eligible, subject to the conditions mentioned in these orders for the grant of project allowance from the date they join their duties at the project site, if the employees of the State Government/autonomous body/corporation concerned are already getting it.

(viii) If the project is located at a place where compensatory city allowance and/or house rent allowance or any other special compensatory allowance are admissible, no project allowance will be admissible. Where, however, the project is situated in the proximity of such a place, a project allowance may be sanctioned if justified, but the ceiling for the project allowance for such cases would be limited to 50% of the ceiling mentioned below. In such a case, the individuals will have an option to draw either the project allowance or CCA/HRA, as may be admissible. In cases where rent free accommodation or HRA in lieu is given to an employee, as a condition of service or a project concession, the project allowance will be reduced by 25%.

II. Rate of Allowance

(i) The rates of project allowance shall be as under :—

Level in Pay Matrix	Cell Name	Rate per month (Rs)
Level 9 and above	R3H2	3400
Level 8 and below	R3H2	2700

The above rates are w.e.f. 01.07.2017. The rates shall increase by 25% whenever the Dearness Allowance payable on the revised pay structure goes up by 50%.

NOTE. (i) The term 'Pay Level' in the revised pay structure means the 'Level' in the Pay Matrix.

(ii) Railway employees, whose offices are in the project area, but not specifically for the work of the project, and the projects are covered by the Ministry of Finance's O.M. No. 20011/5/73-E.IV(B) dated 17.01.1975 on project allowance (circulated under Board's letter No. E(G)73AL12-27 dated 27.11.78 and No. PC-IV/86/Imp/AL-15 dated 14.10.86) shall, however be entitled to Project Allowance only at 50% of the above rates.

(iii) In respect of those employees who opt to continue in their pre-revised pay structure, corresponding Level in the Pay Matrix as indicated in Railway Services (Revised Pay) Rules, 2016 would determine the allowance.

(Authority:- Board's letter No. E(G)2017/AL 12-2 dated 12.12.2017) RBE No. 156/2017

(iv) The Government will fix the quantum of allowance at the time of sanctioning it and also each time it is reviewed.

III. Procedure for sanctioning the Project Allowance

All cases in which it is proposed to sanction project allowance shall be referred to the Ministry of Finance (Establishment Division) through respective associate Finance Branch in the proforma mentioned below, subject to the fulfillment of the

Draft Revised IREC uploaded on 12.05.2020

conditions enumerated above and after such consultation with other Departments as may be considered necessary, sanction for grant of project allowance will be issued in all cases by the Ministry of Finance.

(iii) The shift duty staff who work round-the-clock and might have performed part duty on the holiday in question can be paid the National holiday Allowance at the full prescribed rates.

(iv) The cash compensation is meant only for those who do not enjoy public holiday and are also required to work on the National Holidays.

(v) The monetary compensation will also be payable in the following circumstances:-

(a) When the day of rest and the National Holiday fall on the same day, and

(b) When the running staff are on 'waiting duty on a National Holiday'.

(c) The monetary compensation will also be applicable when the running staff are on 'Light Duties' on a National Holiday.

NOTE: 1 . Deleted

2. There should be a stricter control and supervision with regard to earmarking the staff for duty on National Holidays. There should be rigorous and strict scrutiny of the list of staff required to be booked for duty on National Holidays which should be finalized by the concerned Head of the Department in consultation with the Principal Chief Personnel Officer and the PFA. In respect of Divisional staff there should be a similar scrutiny at the level of the DRM in consultation with the Associate Finance. While operational services are required to be manned on National Holidays on a scaled down basis and minimum maintenance services will also have to be provided, without compromising the requirements of the safety of the Railway Assets and the traveling public as well as the operational considerations, it should be possible to ensure that regular work including normal maintenance work is attended to either on the previous day or postponed to the day following National Holiday. Only such of those staff as are indispensable for maintaining the required scale of operation on a National Holiday, without compromising the requirements of security or the safety of the travelling public are generally to be deployed on National Holiday. For instance, Inspectorial/Line staff need not be booked on a National holiday if their duties are of such a nature that they can be attended to either on the previous day or on the following day. The strictest possible control should be maintained over the list of staff eligible for National Holiday Allowance as well as the over-all incidence of expenditure on the allowance.

3. (i) The National Holiday Allowance shall be made applicable for 50% of the gangs in turn rather than giving compensatory rest in lieu of National Holiday Allowance.

(ii) The open line staff booked on line duty on national Holidays irrespective of the fact whether such staff draws TA/DA or not are also eligible for national Holiday Allowance.

(Railway Bd's Authority Letter No. E(LL)2001/HER/9, New Delhi Dated: 09-08-2005 / RBE No: 131/2005)

1504. (1) A railway administration is also under an obligation to pay overtime allowance to staff (other than those who hold positions of supervision or management or are engaged in a confidential capacity) who are employed in such workshops or printing presses as have been declared to be factories under the Factories Act, 1948, when they are required to work in excess of the number of hours prescribed in that Act.

Workmen employed in printing presses, workshops and sheds, who are not entitled to overtime allowance under rule 1503 or 1504 above, may at the discretion of the General Manager and subject to such terms and conditions as he may prescribe, be granted an overtime allowance for the actual time for which they are called upon to work in excess of the normal working hours, or for Sundays and holidays when they are called upon to work on such days.

Audit Instructions

Rules applicable in respect of claims to travelling allowance -- A Government servant’s claim to travelling allowance should be regulated by the rules in force at the time journey, in respect of which it is made, was undertaken.

1602. (1) For the purpose of admissibility to Travelling Allowance, entitlement of Railway servants will be based on the pay level in 7th CPC Pay Matrix.”

(Authority: Railway Board’s letter No. F(E)I/2017/AL-28/41 dated 24.08.2017).

(2) Where a railway servant is promoted or reverted or is granted an increased rate of pay with retrospective effect, no revision of claims for travelling allowance is permissible, in respect of the period intervening between the date of promotion or reversion or grant of increased rate of pay, and that on which it is notified, unless it is clear that there has been an actual change of duties.

NOTE.-- In the case of late authorisation/drawal of increments with retrospective effect, other than those higher increments were withheld or where the increments take an officer above the stage of efficiency bar, there is no objection to the supplementary claims relating to Travelling Allowance, if any, being admitted, on the basis of the enhanced pay including the increments.

1603. (1) Deleted.(Authority: Railway Board’s letter No. F(E)I/2008/AL-28/15dated 1.12.2008).

2. Non-Practicing Allowance will not be reckoned as Basic Pay for computing Composite Transfer Grant.

(Authority: Railway Board’s letter No. F(E)I/2017/AL-28/41 dated 24.08.2017)

Section II - Different kinds of travelling allowance

1604. Different kinds of travelling allowance.—The following are the different kinds of travelling allowance:-

- (1) Permanent or consolidated travelling allowance.
- (2) Conveyance allowance.
- (3) Mileage allowance.
- (4) Daily Allowance.
- (5) Actual cost of travelling.

Section III - Permanent or consolidated travelling allowance

1605. (1) A permanent monthly traveling allowance may be granted by the Ministry of Railways to any railway servant whose duties require him to travel extensively. Except as provided in sub-rules (3) and (5), such an allowance shall be in lieu of all other forms of travelling allowance for journey within the railway servant's sphere of duty and may be drawn all the year round whether the railway servant is absent from his headquarters or not. For journeys by rail on the open line, a railway servant in receipt of permanent travelling allowance shall be granted passes under the Railway Servants (Pass) Rules, 1986.

(2) The General Manager of an Indian Railway may also sanction a permanent travelling allowance to a railway servant, subject to the following conditions-

(a) No such allowance shall be granted unless the railway servant has to be absent from his headquarters on duty for more than 20 days in a month on the average.

(b) The allowance must be so fixed as not to be a source of profit and shall be so calculated as to be equivalent ultimately to the travelling allowance admissible under the rules if no permanent travelling allowance were granted.

(c) Adequate arrangements shall be made by the Head of the Department or the Immediate superior of the person drawing the allowance to see that the necessary amount of touring is performed.

(3) A permanent travelling allowance shall not be drawn during leave, temporary transfer, or joining time or, unless otherwise expressly provided in the rules in this chapter, during any period for which travelling allowance of any other kind is drawn.

(4) When a railway servant holds either substantively or in an officiating capacity, two or more posts to each of which such permanent travelling allowance is attached, he may be granted such permanent travelling allowance, not exceeding the total of all the allowances, as the competent authority may consider to be necessary in order to cover the travelling expenses which he has to incur.

Railway Ministry's decision

(1) No deduction shall be made from the amount of consolidated travelling allowance for the days of casual leave an employee avails of in a month. However, the possible spell of casual leave an employee is likely to avail of in a month shall be taken into account while fixing the quantum of consolidated travelling allowance.

(2) In cases, where the staff go on tour on the basis of a roster, the amount of C.T.A., in such cases should be fixed on the basis of the number of days an employee is likely to be out of headquarters on tour as per the roster.

(3) When a railway servant in receipt of permanent travelling allowance travels on duty by Road, Steamer or Air with proper sanction beyond his sphere of duty, he may draw appropriate Travelling allowance for the entire journey, including such part of it as within his sphere of duty and may draw in addition permanent travelling allowance for any day of his absence for which he does not draw travelling allowance. This rule does not apply to a railway servant who travels beyond his sphere of duty in the course of a journey from one place within that sphere to another such place, or to a railway servant who makes, by road alone, a journey not exceeding 32 kms.

Section IV – Conveyance allowance

1606. Conveyance allowance. --(1) A competent authority may grant on such conditions as it thinks fit to impose, a monthly conveyance allowance to any railway servant who is required to travel extensively at or within a short distance from his headquarters under conditions which do not render him eligible for daily allowance.

(2) Except as otherwise provided in the rules in this chapter or directed by the sanctioning authority, a conveyance allowance may be drawn all the year round, shall not be forfeited during absence from headquarters, and may be drawn in addition to any other travelling allowance admissible under the rules in this chapter, provided that a railway servant, who is in receipt of a conveyance allowance specifically granted for the upkeep of a motor car or motor cycle, shall not draw mileage or daily allowance for journey by a motor car or motor cycle except on such conditions as the sanctioning authority may prescribe.

(3) A conveyance allowance may be drawn during leave or temporary transfer, or holidays prefixed or suffixed to leave or joining time.

(4) **Motor Car/Motor Cycle/Scooter/Allowance.**--A railway servant who maintains a private motor car or a motor cycle/scooter and uses it in the performance of his official duties, may, at the discretion of the General Manager of an Indian Railway, be granted a motor car or a motor cycle/scooter allowance at the scale shown below provided that the General Manager is satisfied that it is necessary in the interest of the railway administration for him to travel by motor car or motor cycle/scooter frequently on duty:--

601-800 km	3646	1126
>800 km	4500	1276

(Authority: Railway Board's letter No. F(E)I/2017/AL-4/3 dated 10.08.2017)

NOTE-1: These rates shall automatically increase by 25% whenever the Dearness Allowance payable on the revised pay structure goes up by 50%."

(Authority: Railway Board's letter No. F(E)I/2017/AL-4/3 dated 10.08.2017)

NOTE 2.- In calculating the mileage travelled, only the journeys performed on duty within a radius of 8 kilometers from Headquarters shall be taken into account and journeys from residence to Office or vice-versa shall not be considered as journeys on duty.

NOTE 3.- The average monthly mileage shall be checked and certified by the Accounts Officers before the allowance is sanctioned.

The conditions for the grant of this allowance shall be as follows:-

- (i) The conveyance allowance at the rates prescribed in column 2 of the above table shall not be admissible to officers whose pay in the revised scale is less than Rs.2800/- p.m. There shall be no pay limit for the grant of allowance at the rates specified in column 3 of the above Table.
- (ii) The conveyance allowance will be determined for specific posts on the basis of "controlled traveling (see (iii) below) by the sanctioning authority and the officers appointed to these posts will draw the same unless the mode of conveyance is different subject to the satisfying the prescribed conditions. Where there are a number of posts in the same category, the post(s) for which the allowance is intended should be clearly identified in the sanction and the rate for each such post should be clearly stated.
- (iii) The log books should be scrutinized by the sanctioning authority for determining the average mileage per month justified for official work for the post and the rate of conveyance allowance should be fixed on that basis. The conveyance allowance so fixed should be reviewed every two years. Accordingly the sanctions for grant of conveyance allowance should be issued for periods of two years at a time.
- (iv) For initial fixation of conveyance allowance, a Railway servant claiming allowance should be required to maintain a log book of journey on duty qualifying for the grant of conveyance allowance for a minimum period of 3 months. The controlling officer shall scrutinize the log book as frequently as possible during this period. The book shall contain: -
 - (a) The distance travelled daily on official duty.
 - (b) Place visited with distance covered and purpose of such visit.
 - (c) Mode of conveyance maintained/used.

Once the amount of conveyance allowance is fixed and sanctioned, it will not be necessary for an officer to maintain the log book for the purpose of drawing the allowance from month to month unless the controlling officer specifically desires it to be maintained. The allowance may be drawn for the currency of the sanction so long as the controlling officer is satisfied that there has been no change in the nature of the duties of the Railway servant or the extent of his touring to justify the withdrawal of or a reduction in the rate of allowance. A certificate to this effect should be endorsed by the controlling officer in the pay bills of the Railway servant concerned for the months of January, April, July and October in each year. He will also countersign the pay bills for these months. The review to be conducted at the end of two years should be made in accordance with the procedure laid down for the initial grant of an allowance.

- (v) In the case of Gazetted Officers, on change or incumbency of a post to which conveyance allowance is attached, an intimation should be sent by the Controlling Officer to the Accounts Officer to the effect that the new incumbent possess a conveyance (with particulars thereof) or does not possess a conveyance, as the case may be, to enable the Accounts Officer to authorize conveyance allowance at the appropriate rate to the new incumbent.
- (vi) If a Railway servant travels by road in his own conveyance beyond a radius of 8 kms. either in combination with the rail steamer/air journey or otherwise, he may at his option exchange his conveyance allowance at the rate of 1/30th for each day for any traveling allowance i.e. daily allowance and/or mileage allowance admissible to him under the rules.
- (vii) A Railway servant in receipt of conveyance allowance should not normally use staff car for journeys within his local jurisdiction. If, however, he is permitted by a competent authority to use a staff car for journeys within his jurisdiction, recoveries should be made from the officer at the rates laid down under the Staff Car Rules. If the journey is beyond the radius of 8 kms. of the headquarters, the officer will be allowed daily allowance and or mileage allowance admissible under the rules subject to the following deductions being made therefrom-
 - (a) Full charge for the use of staff Car calculated under Staff Car rules.
 - (b) Deduction at 1/30th of the monthly rate of his conveyance allowance
- (viii) If the motor cycle or motor car/scooter is out of order or is not used for any other reason for more than 15 days at a time, no allowance shall be admitted for the period in question.
- (ix) These orders do not apply to railway doctors for whom separate orders have been issued by the Railway Board for grant of conveyance allowance.

(G.I.F. & C.D. No.6170-P dated the 19th December, 1894.)

(ii) The question of admissibility of travelling allowance to the officials of a department who are required by their superior officer to proceed from one station to another to appear before police officers or to accompany them to another station, has for some time past, been under the consideration of the Government of India, and it has been decided that whether the employee's presence is required to give a statement or to assist generally in the police investigation, it is within the discretion of his superior officer who orders the Government servant to undertake the journey to grant travelling allowance for the journey as having been performed on duty. It has been held that this rule provides, merely for cases in which the court or other authority has the power of paying witnesses' expenses. It is not the intention of the rules to forbid the grant of travelling allowance to a Government servant attending, under proper orders, inquiry whether police or departmental.

(G.I.F.D. U.O.No. 6847-CSR dt. 15th December,1926.)

(iii) Where a railway servant whether under suspension or not, performs journey to attend police/special Police Establishment Enquiry in connection with a case in which he is suspected to be involved, travelling allowance as for a journey on tour may be allowed for such journeys provided that they are performed under the direction of, or with the approval of, the Head of the Office in which he is for the time being employed, or was employed, before suspension.

(iv) Where a railway servant undertakes journey during suspension for appearing in a Court of Law as an accused and is later on acquitted by the Court and reinstated in service or would have been reinstated in service but for death or his having attained the age of compulsory retirement or being allowed to retire voluntarily, traveling allowance as on tour based on the grade to which the railway servant belonged before suspension may be reimbursed to him provided the legal expenses incurred by him in defending such proceedings are reimbursed in full or in part under Article 320 (3) (d) of the Constitution.

- (ii) If the Railway servant purposes to conduct his defence in such proceedings himself, travelling allowance may be paid on the lines indicated in sub-rule (iv) above subject to the further condition that the travelling expenses are not decreed by the court of Law as payable by the plaintiff.
- (d) Proceedings instituted by a Railway servant on his being required by Government to vindicate his official conduct. In respect of such cases, travelling allowance may be granted to the railway servant on the lines indicated in Government of India's Decision No. (iv) above.

The Central/State Govt. will, however, make the necessary payments and shall raise a debit in respect thereof against the Railway administration.

(5) Where a person who has been a Railway servant but has ceased to be so, is called to give evidence as to facts which might or might not have come to his knowledge in the discharge of his duties, or a person who is not a servant of the Union, is called to give evidence before any authority holding a departmental enquiry, such a person shall be entitled to claim from the Ministry or Department or office under whom the railway servant against whom the inquiry is being held is for the time being serving, travelling allowance under Rule 1696.

1669. In cases where railway servants whether on duty or on leave or under suspension, undertake journeys to an outstation to persue official records for the preparation of their defence in connection with the disciplinary proceedings instituted against them, travelling allowance as on tour and daily allowance (restricted to a maximum of three days only) will be allowed from the headquarters of the railway servant or from any other places where the railway servant may be spending his leave or where the suspended officer has been permitted on his request to reside, but not exceeding what would be admissible, had the journey been undertaken from the headquarters of the railway servant subject to the following further condition:-

- (i) The disciplinary authority competent to permit inspection of documents/the Inquiring authority certifies that the official records to be consulted are relevant and essential for the preparation of the defence statement. Such a certificate is necessary only in case where the accused railway servant asks for access to the documents which are not mentioned in the list of documents proposed to be relied upon by the Railway Administration.

- (ii) the competent authority certifies that the original records could not be sent to the Headquarters station of the railway servant or the bulk of the documents ruled out the possibility of copies being made out and sent:
- (iii) the Head of office under whose administrative control the railway servant is, certifies that the journey was performed with his approval; and
- (iv) in case of officers not under suspension at the time of undertaking the journey, the period spent in transit to and fro and the minimum period of stay required at the place where the official records are made available for perusal, should be treated as duty or leave according as the officer is on duty or on leave at that time, and in case of officers under suspension who are subsequently reinstated in service, the period will be treated as duty, leave or otherwise in accordance with the orders passed by the competent authority under Rule 1345 (i) RII.

1670. A railway servant summoned to give evidence in circumstances other than those described in Rule 1663 or to serve as assessor or juror in a court of law, is not entitled, by reason of his position as a Government servant, to any payment other than those admissible by the rules of the court. If the court pays him any sum as subsistence allowance or compensation apart from payment for travelling expenses, he must credit that sum to railway revenues before drawing full pay for the day or days of absence.

NOTE: - This period spent by railway servant in attending court as juror and assessor with the permission of their respective Heads of Department, should be treated as special casual leave, which should not be debited to their casual leave accounts and no extra payment, except those admissible under these rules, should be made to them for such period.

Government of India's Orders

The question has arisen whether an employee who is subject to the Payment of Wages Act, 1936 can legally pay to the department fees or sums received by him from court as subsistence allowance or compensation. Such payment will amount to a deduction from wages within the meaning of the explanation to sub-section (i) to Section 7 of the Payment of Wages Act, 1936 and is thus inadmissible under the provision to that Section. The employee, therefore, cannot legally be asked to credit to railway the subsistence allowance granted to him by the court. This difficulty can be solved by the issue of rules by the High Court to the effect that in the case of Government servant who are subject to the payment of Wages Act, 1936, such sums should be deposited by the court themselves in the treasury to the credit of the railway or office concerned.

1671. A railway servant who is summoned to give evidence of facts which came to his knowledge in the discharge of his duties or to produce official documents in a civil suit in which Government is not a party, will be paid travelling expenses etc. by the court at the rates admissible to the railway servant for a journey on tour. In order to enable the court to assess the amount admissible to him the railway servant should carry to the court a certificate duly signed by the Controlling Officer of the railway servant showing the rate of travelling and daily allowance admissible to him for a journey on tour. If the railway servant is his own Controlling Officer, the certificate will be signed by him as such.

NOTE. --These orders do not apply in respect of attendance at courts in the West Bengal state.

Section XVIII - Journeys by Railway servants under suspension

1672. A railway servant under suspension who is required to perform journey to attend a departmental inquiry, may be allowed travelling allowance as for a journey on tour from his headquarters or the place at which he has been permitted to reside during suspension to the place of inquiry whichever is less. No travelling allowance will, however, be admissible if the inquiry is held at his own request. The rate of daily allowance admissible will be the same to which a railway servant was entitled on his pay just before his suspension.

Railway Ministry's decision

(1) Travelling allowance is admissible to a railway servant summoned to give evidence in a court of law while he is under suspension, but the period of his attendance at the court will be treated as suspension only.

Section XIX - Journey to obtain medical treatment advice or certificates or to appear before medical boards.

1673. Notwithstanding anything contained in this rule, no travelling allowance shall be admissible to a railway servant performing a journey to visit a Dental Practitioner or in connection with any treatment or advice other than a treatment or advice by a Medical Officer, a physician specialist or a surgeon specialist.

1674. Journeys for procuring Health Certificates.-- Travelling allowance is not admissible for a journey undertaken to procure health certificate on first appointment to Government servants.

1675. (1) A railway servant who is sent by the authorised medical attendant to a specialist in the service of Government or other Medical Officer at the nearest station under note 3 to Rule 603(3) RI shall draw a travelling allowance as for a journey on tour, but no daily allowance shall be drawn for halts on the journey. If a member of a railway servant's family is similarly sent, free passes of the class admissible to the railway servant himself under the Railway servant (Pass) Rules, 1986 may be issued for the outward and return journeys.

NOTE. --Travelling allowance is payable to the railway servant even if the journey performed is treated as leave provided that other conditions governing the grant of travelling allowance in such cases are satisfied.

(2) In the alternative, if a specialist or other Medical Officer is summoned to attend upon the railway servant (patient), he shall, on production of a certificate in writing from the authorized medical attendant in this behalf, be entitled to travelling allowance under the rules applicable to him.

1676. (1) A railway servant suffering from Cancer, Tuberculosis or Polio myelitis who is sent to a hospital referred in Rule 643 RI for treatment on the advice of the authorized Medical Attendant shall be entitled to travelling allowance as for a journey on tour to and from the place of treatment, but no daily allowance shall be admissible for any halts;

(2) In respect of a member of the family of a railway servant suffering from Cancer, Tuberculosis or Polio myelitis who is similarly sent for treatment, a railway servant shall be entitled to free passes of the class to which he himself is entitled for the journey by rail to and from the place of treatment and the actual expenditure on road journeys not exceeding mileage allowance admissible to the railway servant himself.

(3) If the authorised Medical Attendant certifies in writing that in the case of a railway servant or a member of his family suffering from Cancer, Tuberculosis or Polio myelitis, it is unsafe for the patient to travel unattended and that it is necessary for an attendant to accompany the patient to the place of treatment, an attendant may be allowed to accompany the patient to the place of treatment. The attendant, (a) if a railway servant, shall be deemed to have been travelling on duty and may draw travelling allowance for the outward and inward journeys as for a journey on tour, and (b) if not a railway servant, may be allowed a free railway pass of the same class as allowed to the patient, or of a lower class for the journeys by rail to and from the place of treatment of the patient, and for road journey, actual expenditure exceeding the mileage allowance admissible to the railway servant himself.

NOTE. --(i) No cost of conveyance of personal effects may be allowed.

(ii) Extra railway pass and daily allowance may be allowed for journeys undertaken by the railway servant after completion of treatment for periodical check-ups at the nearest Government recognized or Cancer, Tuberculosis or other hospital providing facilities for the treatment of Cancer and Tuberculosis where the railway servant received treatment, on the advice of the Authorised Medical attendant or the specific advice of the authorities of the hospitals where the treatment was received.

(4) If, in order to obtain anti-rabic treatment, a railway servant is compelled to leave a station at which he falls ill and at which anti-rabic treatment is not available, and travels to the nearest station where the said treatment is available, he may, on production of a certificate from the Railway Medical Officer of the Division that the journey was in his opinion absolutely necessary, draw travelling allowance for the journey. The concession is also admissible to a railway servant on leave.

1677. (1) A railway servant suffering from mental diseases, when sent for consultation/treatment in a Mental Hospital on advice of the authorized Medical Attendant, may be given free passes for the outward and return journeys to the Mental hospital as admissible under the rules but no daily allowance is to be paid. For the road portion of the journey, travelling expenses incurred, subject to a maximum at half the rate of mileage allowance calculated for the road journey, may be reimbursed.

(2) If the authorized Medical attendant certifies in writing that in the case of railway servant suffering from mental disease it is unsafe for the patient to travel unattended and that an attendant is necessary to accompany him to the place of consultation/treatment, a free railway pass by the same or lower class may be allowed for the attendant for both ways. For the road journey of the attendant, same concession as for the railway servant may be allowed.

- NOTE. --
- (i) The outward journey should be deemed to have commenced from the headquarters of the railway servant or from which the patient actually travels, which is nearer to the place of consultation/treatment. Likewise, the return journey will be deemed to have ended at the headquarters or at the place to which the patient actually travels whichever is nearer.
 - (ii) As regards travelling expenses for the road portion of the journey or for the journey between station connected by road only claimed by an attendant, he/she may be allowed the actual cost of transit not exceeding the travelling allowance admissible to the railway servant concerned. This will cover journey not only to the nearest railway station but also long journey by road to the nearest railway station or the hospital concerned where there is no rail link.

1678. The journeys contemplated by Rule 1677 should not be undertaken without the previous permission of the Controlling Officer if such permission can be obtained without risk to the railway servant requiring medical advice.

1679. (1) A railway servant who is directed by his official superior, in the interests of the public service, to apply for an invalid pension, may, if he be required to make journey in order to appear before a Medical Board, draw his actual travelling expenses subject to a maximum of the amount of travelling allowance calculated for the journey. If it be necessary for him to return to his headquarters after appearing before the Medical Board, he may draw his actual expenses subject to the same maximum. For either journey, his traveling allowance bill must be supported by a certificate that he was directed to apply for an invalid pension in the interest of the public service and that he did not voluntarily ask to retire.

(2) A Head of a Department may allow actual expenses, as limited by sub-rule (1) of this rule, to be drawn by a railway servant who voluntarily applies for an invalid pension provided that he is satisfied that the circumstances for applicant are such as to justify the concession.

Auditor-General's Decision

Journeys after having been invalidated. A non-gazetted Government servant after having been invalidated by a Civil Surgeon with effect from the 30th Jan., 1935, had to undertake subsequent to that date, for obtaining the attestation of the Medical certificate under Rule 2514-RII (1975 edition) several journeys to appear before the Medical Board which ultimately confirmed the Civil Surgeon's certificate retrospectively with effect from the 30th January, 1935. The Government servant put in a claim for the reimbursement of travelling allowance in respect of these journeys and a doubt was felt whether the case could be covered by the ordinary rules for travelling allowance. It has been decided that rule 1679 does not become inoperative if, in a case like this, retirement takes retrospective effect from a date prior to the date on which the journey to appear before the Medical Board is performed.

1680. When a non-gazetted railway servant performs a journey to undergo a periodical medical examination required by or under the rules applicable to him, he may draw travelling allowance for such period as may be certified by medical authority concerned to be absolutely necessary for the purpose.

1681. Except as provided in rule 1680, no travelling allowance is admissible for a journey undertaken in order to appear before a Medical Board.

1682. Travelling allowance under Rules 1674 to 1680 shall be calculated as for a journey on tour, but except in a case covered by rule 1680 no allowance shall be drawn for halts on the journey.

1683. (1) A Medical Officer who considers that a railway servant on whom it is his duty to attend professionally should leave his station to obtain medical advice or treatment or to proceed on leave, and that it is unsafe for him to travel unattended, may, if he does not himself accompany him, arrange for an attendant to do so; and the attendant (a) if a railway servant, shall be deemed to have been traveling on duty and may draw travelling allowance for the outward and return journey on tour, and (b) if not a railway servant, may draw actual expenses.

(2) When the Medical Officer's opinion as to the necessity for the journey and for attendant during it can be obtained before its commencement, a certificate from him that the journey with an attendant was necessary, is sufficient for the purpose of this rule.

(3) This rule also applies to attendant on members of railway servant's family when entitled to travelling allowance under rule 1676.

NOTE. --Grant of traveling allowance for the attendant shall be regularized on the lines of the provision contained in rule 1676 (i), (ii) and (iii).

Section XX - Journeys by Railway medical officers for attending on Railway servants and their families at outstation.

1684. When a Railway Medical Officer is called to render medical assistance to a Railway servant or his family at outstation, he may be granted travelling allowance, as on tour, when the medical service rendered is gratuitous.

Section XXI - Journeys on a course of training

1685. When a Railway servant is selected to undergo a course of training, he may draw travelling allowance as on tour-

- (a) For the original journey to and last journey from the place of training.
- (b) If the training (journey) is at a school or college or similar institution, for similar journeys on the occasion of holidays and vacations; and
- (c) For journeys during the course of training.

For halts at the place of training, daily allowance will be admissible at full rate for the first 180 days. Beyond 180 days, no daily allowance is admissible. These provisions do not apply to probationers, temporary officers or persons in receipt of a stipend or to such Railway servants undergoing training in Railway Training Schools as are granted free messing or messing allowance in lieu of daily allowance under special orders or to such other Railway servant in respect of whom general or special orders may be issued by the President.

The limit of 180 days indicated above should be applied with reference to the halt of the journey at a particular place. However, if the trainees have to stay at a particular place of training, for different spells of the same training programmes, all the different spells of stay should be kept together for determining entitlement to daily allowance for the purpose of this rule.

NOTE.--(i) The Railway officers and staff deputed to attend training courses in the non-railway institutions where the Registration/Course fee includes the cost of board and lodging or the cost of board and lodging has to be borne by the Railway Administration, will be granted 20% of the Daily Allowance to which they would otherwise be entitled under the normal rules.

(ii) No Daily Allowance or any part thereof will be admissible to those trainees whose normal headquarters are at the place of training itself.

- (iii) The Apprentices selected from amongst the serving railway employees as Probationary ASMs, Guards etc. Shall be eligible for free messing plus 20% Daily allowance, otherwise admissible to them under the normal rules. This provision also covers employees selected through the process of GDCE.

(Authority:- Railway Board's letter No.E(MPP)2001/1/10 dated 3.5.01)

(3) A Probationary Officer/temporary officer during the period of his training should be treated as under: -

- (i) No travelling allowance should be allowed for onward journeys in cases where the probationers/temporary officers join the training institutions direct on first appointment to railway service.

- (iii) Probationers/temporary officers shall not be paid any daily allowance or allowed free board and lodging in lieu thereof, where messing is compulsory, for the period of their stay in the training institutes; and
- (iv) For tours to outstations undertaken from the training institutions as part of the training, travelling allowance as admissible as on tour shall be allowed.
- (v) Rent should be recovered from the probationers/temporary officers for the accommodation provided to them during their period of stay in the hostel.
- (vi) The term 'probationers' applies to officers in respect of whom training required to be given during the probation period is given either during probation or afterwards.
- (vii) A person not already in railway service who is selected to undergo a course of training with a view to appointment in railway service may be allowed travelling allowance as in sub-rule (1) and (2) at a scale not exceeding that admissible to railway servants of similar status on duty at the place of training.

1686. (1) Special Class Apprentices — When they are moved from one headquarters to another in connection with their training, will be granted travelling allowance as on tour for the period covered by the journey. In cases, however, when they are required to proceed from one station to another for training for the period not exceeding six weeks, they will be treated as on tour.

(2) The apprentices (whether mechanical or other categories) who are in receipt of the concession of free boarding and lodging at their headquarters may be allowed Travelling Allowance applicable to the category to which they are apprentices provided they are required to undertake such journeys as a part of their training and no free boarding is arranged for them.

(Authority: Board's letter No. F(E)I/89/AL-28/8 dated 2.11.89)

1687. A military officer in railway employment, while detailed to a military course of instruction, is entitled to draw mileage and daily allowances at rates admissible to a military officer in military employ in similar circumstances. No free railway pass shall be issued for such journeys.

Section XXII - Journey to attend levees

1688. (1) A railway servant who is permitted to attend a levee elsewhere than at his headquarters may draw traveling allowance for the journey as for a journey on tour.

Railway Ministry's decision--(1) This rule applies only to railway servants on duty.

(2) The Railway servants who come to Delhi, to receive the gallantry medals from the President at formal investitures will be allowed traveling allowance as on tour.

(3) When officers are invited to attend social functions by the President and others, the journeys undertaken in attending such functions should not be regarded as public duty and no traveling allowance paid for such journeys.

Section XXIII - Journeys to attend conferences. Congresses or Meetings

1689. Railway servants attending meetings or conferences or congresses held in India may draw traveling allowance as on tour when they are officially deputed to attend them but not when they attend at their own request. Railway Board's orders

Rule 1801 has been made permissive to enable the competent authorities to come to a decision in each case, depending upon the merits, as to whether a railway servant under suspension should be retained in service or retired on attaining the age of superannuation. As there are differences in the Government's hold over the retirement benefits of retired employees under the Pension Scheme and the Provident Fund Scheme, the decision regarding the retention in service beyond the age of superannuation or not will have to be mainly based on the scheme of retirement benefits by which the Railway servant is governed.

The Railway Board have decided that Railway servants governed by the Pension rules must be retired on the due date of superannuation even if they remain on suspension on that date and the enquires into the charge are still in progress, as the extant orders provide for the continuance of and initiation of proceedings against even retired railway servants under certain conditions.

In the case of non-pensionable railway servants the competent authority will have to take a specific decision in each case, on merits, whether or not to continue in service beyond the date of superannuation, railway servants under suspension. In arriving at a decision, the considerations indicated below shall be kept in view. Only in those cases, where the prospect of a dismissal is nearly certain with the attendant possibility of denying the employee Government's contribution to Provident Fund, need a railway servant under suspension be retained in service beyond the date of superannuation. In other cases, where dismissals are not likely to result, the railway servants concerned shall be retired on the date of attaining superannuation, subject to withholding of special contribution to Provident Fund and also postponement of settlement of Government contribution Provident Fund in terms of Provident Fund Rules, unless there is need for making an exception in any particular case. Departmental proceedings in such cases shall nevertheless be continued and processed to finality expeditiously so that the liabilities established in such proceedings can be adjusted against the Government contribution to Provident Fund held back. While deciding to make exceptions in individual cases for retaining the railway servants beyond the date of superannuation, due regard will have to be paid to the considerations that such employees will have to be paid subsistence allowance during the period of suspension and full pay and allowances to which they would become entitled in the event of their being completely exonerated of the charges against them, and that deductions can be made from the Government contribution to Provident Fund only in terms of Provident Funds Rules.

1802. (a) Notwithstanding anything contained in this Rule, the appointing authority shall if he is of the opinion that it is in the public interest to do so, have the absolute right to retire any Government servant by giving him notice of not less than three months in writing or three months pay and allowances in lieu of such notice: -

- (i) If he is in Group 'A' or Group 'B' service or post in a substantive or temporary capacity and had entered Government service before attaining the age of 35 years, after he has attained the age of 50 years.
- (ii) In any other case, after he has attained the age of 55 years.

(Authority:- Railway Board's letter No. E(P&A)I-88/JCM/NC-2 dated 6.7.89)

- (b) (1) Any railway servant may by giving notice of not less than three months in writing to the appropriate authority, retire from service after he has attained the age of fifty years if he is in Group 'A' or Group 'B' service or post (and had entered Government service before attaining the age of 35 years) and in all other cases after he has attained the age of 55 years:

Provided that it shall be open to the appropriate authority to withhold permission to a railway servant under suspension who seeks to retire under this clause.

(2) A railway servant, referred to in sub-rule (1) may make a request in writing to the *appointing authority* to accept a notice of less than three months, giving reasons therefore. On receipt of a request under this sub-rule, the *appointing authority* may consider such request for curtailment of the period of notice of three months on merits and, if it is satisfied that the curtailment of the period of notice will not cause any administrative inconvenience, the appointing authority may relax the requirement of notice of three months, on the condition that the railway servant shall not apply for commutation of a part of his pension before the expiry of the period of notice of three months.

1803. (a) Notwithstanding anything contained in these rules, or any other rule or order for the time being in force, the appointing authority shall, if it is of the opinion that it is in public interest to do so, have the absolute right to retire a railway servant governed by any Pension Rules after he has completed thirty years service qualifying for pension after giving a notice in writing in this behalf to the railway servant at least three months before the date on which he is required to retire, or three months pay and allowances in lieu of such notice.

(b) (1) A railway servant who is governed by any of the pension rules, may retire from service at any time after completion of 30 years of service qualifying for pension, after giving notice in writing to the appropriate authority, at least three months before the intended date of retirement:

Provided that it shall be open to the appropriate authority to withhold permission to a railway servant under suspension, who seeks to retire under this clause.

(b) (2) A railway servant, referred to in Sub-rule (b) (1) may make a request in writing to the appointing authority to accept a notice of less than three months, giving reasons therefore. On receipt of a request under this sub-rule, the appointing authority may consider such request for curtailment of the period of notice on merits and if it is satisfied that the curtailment of the period of notice will not cause any administrative inconvenience, the appointing authority may relax the requirement of notice of three months, on the condition that the railway servant shall not apply for commutation of a part of his pension before the expiry of the period of notice of three months.

(Authority:- Railway Board's letter No.E(P&A)I-92/RT-5 dated 13.7.92)

NOTE.--Both in the cases falling under Rule 1803 (a) and (b) (1) orders permitting /requiring a railway servant to retire after completing 30 years qualifying service should, as a rule, not be issued until/after the fact, that the railway servant has indeed completed the qualifying service of thirty years, has been verified in consultation with the Accounts Officer.

1804. --(a) Notwithstanding anything contained in clause (a), of rule 1802, the appointing authority shall, if it is of the opinion that it is in public interest to do so, have the absolute right to retire a railway servant in Group 'C' service or post who is not governed by any Pension Rules after he has completed thirty years service by giving him notice of not less than three months in writing or three months pay and allowances in lieu of such notice.

(b) A railway servant in Group 'C' service or post who is not governed by any Pension Rules, may by giving notice of not less than 3 months in writing to the appointing authority, retire from service after he has completed thirty years service.

1805. (1) If on a review of the case referred to in Rule 1802 (a), 1803 (a) and 1804 (a), either on representation from the railway servant retired prematurely or otherwise, it is decided to reinstate the railway servant in service, the authority ordering reinstatement may regulate the intervening period between the date of premature retirement and the date of reinstatement as duty or as leave of the kind due and admissible, including extra-ordinary leave, or by treating it as dies-non depending upon the facts and circumstances of the case:

Provided that the intervening period shall be treated as a period spent on duty for all purposes including pay and allowances, if it is specifically held by the authority ordering reinstatement that the premature retirement was itself not justified in the circumstances of the case, or if the order of premature retirement is set aside by a Court of law.

(2) Where the order of premature retirement is set aside by a Court of law with specific directions in regard to regulation of the period between the date of premature retirement and the date of reinstatement and no further appeal is proposed to be filed, the aforesaid period shall be regulated in accordance with the directions of the Court.

NOTE (1).--Appropriate authority, referred to in these Rules, means the authority which has the power to make substantive appointments to the post or service from which the railway servant is required or wants to retire.

NOTE (2).--'Appointing Authority' means the authority competent to make the first appointment to the grade which the railway servant for the time being holds.

NOTE (3).--The 3 months notice referred to in these rules may be given before the railway servant attains the age specified in Clauses (a) and (b) of Rule 1802 or has completed thirty years of service specified in Clause (a) and (b) (1) of Rule 1803 or has completed thirty years of service specified in clauses (a) and (b) of Rule 1804:

Provided that the retirement takes place after he has attained the relevant age or has completed 30 years service as the case may be.

NOTE (4).--In computing the notice period of three months referred to in Rules 1802 to 1804, date of service of the notice and the date of its expiry shall be excluded.

NOTE (5).--A railway servant who has served a notice of retirement under Rule 1802 (b) or Rule 1803 (b) (1) or Rule 1804(b), as the case may be, shall be precluded from withdrawing his election subsequently, except with the specific approval of such authority:

Provided that the request for withdrawal shall be within the intended date of his retirement.

GOVERNMENT OF INDIA'S ORDERS

(1). No specific orders are necessary for retirement on due date:-- A question has been raised whether the retirement of a Government servant is automatic on the date on which he attains the age of compulsory retirement or some specific orders by a competent authority are necessary specifying the date on which they should retire.

The rules regulating the age of superannuation or the terms and conditions may provide for the compulsory retirement of a Government servant on his attaining a specific age or after completion of a specified period of service. In all such cases retirement is automatic and in the absence of specific orders to the contrary by the competent authority, a Government servant must retire on the due date. It is the responsibility of the administrative authorities concerned to ensure that the Government servant under their control so retire. The date of compulsory retirement of a Government servant is known in advance and there should be no question of failure to make arrangements for his relief sufficiently in advance and complete any formalities required in that behalf. For this purpose, the authorities concerned should maintain a proper record of the date of retirement of the Government servants working under them and take such appropriate action as may be necessary for their retirement on the due dates.

At the same time, a Government servant cannot take advantage of the non-receipt of formal orders regarding his relief, etc., to say that he has been granted an extension of service. If the Government servant desires to take any leave preparatory to retirement he will naturally apply for it in good time. If not, he should bring the fact that he is attaining the age of superannuation or completing the period of service after which he has to retire, to the notice of the head of the office in which he is serving or if he is himself the head of the office, to that of his immediate superior. Unless he receives specific orders that he should continue in service, he should make over charge on the due date to the head of the office (or such officer as may be nominated by the latter), or if he is himself the head of the office to the next senior most officer in the office who would normally be placed in charge of the office in his absence.

(Govt. of India, Min. of Home Affairs, O.M. No.33/6/56-Ests.(A), dated the 10th December, 1965.)

(2) **Relinquishment of charge on a holiday**:-- A question has been raised regarding the procedure to be followed for relinquishment of charge of office in the case of a retiring Government servant when the day on which he is due to retire happens to be a closed holiday. Since a Government servant shall retire from service with effect from the afternoon of the last day of the month in which his/her date of retirement falls, the retiring Government servant should formally relinquish charge of office on the afternoon of that day itself even if it happens to be a closed holiday.

(ii) In cases in which handing over of cash, stores, etc., is involved, these may be made over by the retiring officer (to the relieving officer or, in the absence of the relieving officer, to the next senior officer of the Department present) on the close of the previous working day on the analogy of Government of India's Decision (3) below Rule 78 of the General Financial Rules. Therefore, the actual relinquishment of charge of office shall be made in the prescribed form on the last day of service for which the physical presence of the officer in the office need not be insisted upon.

(Govt. of India, Min. of Finance O.M. No. 19050/8/76-E.IV(B), dated the 21st February, 1977.)

(3) Withholding of permission to retire when placed under suspension after receipt of notice.--Attention is invited to proviso (b) to clause (k) (1) of Rule 56 of the Fundamental Rules embodied in the Notification No. 25013/25/83-Estt.(A),dated the 25th February, 1984, wherein it is provided that it shall be open to the appropriate authority to withhold permission to a Government servant under suspension who seeks to retire there under. A question has been raised whether the right conferred on the appropriate authority under this proviso can be exercised by that authority in respect of a Government servant who is placed under suspension after he has given the notice of retirement. The question has been considered carefully and it is clarified that the right conferred on the appropriate authority under the above proviso can be exercised by that authority even if a Government servant is placed under suspension after giving the notice for retirement, but such right shall be exercised by the said authority before the expiry of the period of notice given by a Government servant.

(Govt. of India., Min.of Home Affairs., (Deptt. Of Personnel & AR), O.M. No. 25013/31/83-Estt. (A), dated the 30th March, 1984.)

AUDIT INSTRUCTIONS

Clause (a) of F.R.56 (corresponding to clause (a) of Rule 1801 of this Chapter) apply to all Government servants to whom the Fundamental Rules as a whole apply, whether they be holding temporary or permanent posts substantively or in an officiating capacity. When a Government servant holding a permanent post substantively is officiating in another post, Fundamental Rule 56 (a) (corresponding to rule 1801 (a)) should be applied according to the character of the post in which he is officiating and not according to the character of the permanent post held substantively by him.

Section A – Foreign Service

2001. (F.R. 110) Conditions of Transfer.–

(a) No Railway servant may be transferred to foreign service against his will:

Provided that this sub-rule shall not apply to the transfer of a railway servant to the service of a body, incorporated or not which is wholly or substantially owned or controlled by the Government.

(b) A transfer to Foreign Service outside India shall not be sanctioned by an authority other than the President.

(c) subject to any restrictions which the President may by general order impose in the case of transfer to the service of an Indian State, a transfer to foreign service in India may be sanctioned by a competent authority.

2002. (F.R.111). -- A transfer to foreign service is not admissible unless—

- (a) the duties to be performed after the transfer are such as should, for public reasons, be rendered by a railway servant; and
- (b) the railway servant transferred holds, at the time of transfer, a post paid from the Consolidated Fund of India or holds a lien on a permanent post, or would hold a lien on such a post had his lien not been suspended.

2003. (F.R.112).-- Transfer to foreign Service during leave.-- If a railway servant is transferred to foreign service while on leave, he ceases, from the date of such transfer, to be on leave and to draw leave-salary.

2004. (F.R. 113).-- Promotions during Foreign Service.—

(1) A railway servant transferred to foreign service shall remain in the cadre or cadres in which he was included in a substantive or officiating capacity immediately before his transfer, and may be given, subject to the conditions prescribed under the second proviso of rule 1325 (F.R..30(1)) such substantive or officiating promotion in those cadres as the authority competent to order promotion may decide. In giving promotion, such authority shall also take into account the nature of the work performed in Foreign Service.

(2) Nothing in this rule shall prevent a member of a subordinate service from receiving such other promotion in Government service as the authority, who would have been competent to grant the promotion had he remained in Government service, may decide.

2005. (F.R. 114).-- A railway servant in foreign service will draw pay from the foreign employer from the date on which he relinquishes charge of his post in Government service. Subject to any restrictions which the President may by general order impose, the amount of his pay, the amount of joining time admissible to him and his pay during such joining time, will be fixed by the authority sanctioning the transfer in consultation with the foreign employer.

Government of India's decision: The President is pleased to issue, under Rule 2005 (F.R. 114), the following orders regulating the amount of remuneration which may be sanctioned by a competent authority for a railway servant transferred to foreign service:

- (i) When the transfer of a railway servant to foreign service is sanctioned, the pay which he shall receive in such service must be precisely specified in the order sanctioning the transfer. If it is intended that he shall receive any remuneration, or enjoy any concession of pecuniary value in addition to his pay proper, the exact nature of such remuneration or concession must be similarly specified. No railway servant will be permitted to receive any remuneration or enjoy any concession which is not so specified; and if the order is silent as to any particular remuneration or concession, it must be assumed that the intention is that it shall not be enjoyed.
- (ii) The following two general principles must be observed by the competent authority in sanctioning the conditions of transfer-
 - (a) The terms granted to the railway servant must not be such as to impose an unnecessarily heavy burden on the foreign employer which employs him.
 - (b) The terms granted must not be so greatly in excess of the remuneration which the railway servant would receive in Government service as to render foreign service appreciably more attractive than Government service:

Provided that if his transfer to foreign service involves the assumption of duties and responsibilities of far greater importance than those attached to his post in Government Service, his pay in foreign service may be specially fixed with due regard both to his status and pay in Government Service and to the nature of the work for which he is transferred.

- (iii) Provided that the two principles laid down in paragraph (ii) above are observed, a competent authority may sanction the grant of the following concession by the foreign employer. Such concession must not be sanctioned as a matter of course, but in those cases only in which the competent authority considers that circumstances justify their grant-

- (a) The payment of contributions towards leave-salary and pension under the ordinary rules regulating such contributions.
 - (b) The grant of traveling allowance under the ordinary traveling allowance rules applicable to railway servants and of permanent traveling allowance, conveyance allowance.
 - (c) The use of State tents, boats and transport on tour; provided that this is accompanied by a corresponding reduction in the amount of traveling allowance admissible.
 - (d) The grant of free residential accommodation, which may be furnished, in cases in which the competent authority considers this to be desirable, on such scales as may seem proper to the competent authority.
 - (e) The use of foreign employer's motors, carriages and animals.
- (iv) The grant of any concession not specified in paragraph (iii) above requires the sanction of the President.

2006. (F.R. 115).--Foreign Service Contributions.—

(a) While a railway servant is in foreign service, contribution towards the cost of his pension must be paid to general revenues on his behalf.

(b) If the foreign service is in India, contributions must be paid on account of the cost of leave-salary also.

(c) Contributions due under clause (a) and (b) above shall be paid by the railway servant himself unless the foreign employer consents to pay them. They shall not be payable during leave taken while in foreign service.

(d) By special arrangement made under Rule 2017 (b) (F.R.123(b)) contributions on account of leave-salary may be required in the case of foreign service out of India also; the contributions being paid by the foreign employer.

NOTE. Pensions, throughout this Chapter include Government contribution, if any, payable to a railway servant's credit in a Provident Fund.

2007. (F.R. 116).--Rates of Contributions.--The rate of contributions payable on account of pension and leave-salary shall be as prescribed in **Appendix II**.

2008. (F.R. 117).--(a) The rates of pension contribution prescribed in Appendix I have been designed to secure to the railway servant the pension that he would have earned by service under Government if he had not been transferred to foreign service.

(b) The rates of contribution for leave-salary will be designed to secure to the railway servant leave-salary on the scale and under the conditions applicable to him. In calculating the rate of leave salary admissible, the pay drawn in foreign service, less in the case of railway servants paying their own contributions, such part of pay as may be paid as contribution, will count as pay for the purpose of Rule 103(35) (F.R. 9(2)).

2009. (1) Procedure for payment of contribution.-- A copy of the orders sanctioning a railway servant's transfer to foreign service must always be communicated to the Accounts Officer by the authority by whom the transfer is sanctioned. The railway servant himself should, without delay, communicate a copy to the Accounts Officer and take his instructions as to the officer to whom he is to account for the contribution; report to the latter officer the time and date of all transfers of charge to which he is a party when proceeding on, while in, and on return from, foreign service and furnish from time to time particulars regarding his pay in foreign service, leave taken by him, his postal address and any other information which that Accounts officer may require.

(2) Rule regarding leave and the grant of leave .-- A railway servant on foreign service in India is himself personally responsible for his observance of the rule contained in Rule 2016 (F.R. 122). By accepting leave to which he is not entitled under the rules, he renders himself liable to refund leave-salary irregularly drawn, and in the event of his refusing to refund, to forfeit his previous service under Government, and to cease to have any claim on Government in respect of either pension or leave-salary.

2010. Foreign service contribution towards pension/provident fund/gratuity etc. by recognized Unions/Federations will not be realised in respect of: --

- (1) two persons in the case of each recognized Federation;

- (2) two persons in the case of each recognized central Union at the Zonal level; and
- (3) one person in each division of Railway for each recognized Union.

As regards contribution towards leave salary, the Union concerned should bear the liability for the same in respect of individuals concerned for the leave earned during the period of service with the Union and pay him the leave salary whenever the individual takes leave. Leave earned during the period of such deputation will lapse on reversion to the parent office.

(ELR 3-78-UTF-4 dated 29th June, 1978.)

2011. (F.R. 119).--In the case of transfer to foreign service, a competent authority sanctioning a transfer to foreign service may

- (a) remit the contributions due in any specified case or class of cases, and
- (b) interest on overdue contributions shall be levied in accordance with rule 2012.

2012. (S.R. 307).--**Interest on overdue contributions.**-(1) contribution for leave salary or pension due in respect of a railway servant on foreign service may be paid annually within 15 days from the end of each financial year or at the end of the foreign service if the deputation on foreign service expires before the end of a financial year, and if the payment is not made within the said period, interest must be paid to Government on the unpaid contribution, unless it is specifically remitted by the president at the rate of two paise a day per Rs.100 from the date of expiry of the period of 15 days upto the date on which the contribution is finally paid. The interest shall be paid by the railway servant or the foreign employer according as the contribution is paid by the former or the latter.

(2) The leave salary and pension contributions should be paid separately as they are creditable to different heads of accounts and no dues recoverable from Government, on any account, should be set apart against these contributions.

2013. (S.R. 307 A).--**Travelling Allowance.**-The traveling allowance of a railway servant both in respect of the journey on transfer to foreign service and the journey on reversion therefrom to railway service will be borne by the foreign employer.

NOTE 1.--The above rule applies even in cases where the railway servant lent takes leave on reversion before joining duty under Government.

NOTE 2.--A railway servant proceeding on deputation to other Government Department/Undertaking/Organisations and returning therefrom will be governed by Railway Travelling Allowance Rules during joining time (both ways) only (and not for any other journey undertaken during deputation). The railway office concerned will issue Railway passes on transfer account for the Railway servant and his family and pay him traveling allowance, etc., as admissible under railway rules. The borrowing authority will arrange to credit to the Principal Financial Advisor concerned an amount equal to the Travelling allowance, and incidental charges admissible under their rules in respect of the two journeys taken by the Railway servant, viz., for taking up the new assignment and his return there from. The difference between the amount payable to the railway servant under Railway Rules and the amount credited by the borrowing authorities which will cover partly the cost of haulage of the kit wagon/wagons will be credited by the concerned Railway to miscellaneous earnings. In the case of the deputation to purely private Bodies, the concession of Railway Travelling Allowance Rule during joining time (both ways) will be admissible only if the private Bodies agree to reimburse the entire cost of travelling under Railway Rules.

2014. (F.R.120).--**Withholding of Contributions.**-- A railway servant in foreign service may not elect to withhold contributions and to forfeit the right to count as duty in railway service the time spent in foreign employ. The contributions paid on his behalf maintains his claim to pension or to pension and leave-salary as the case may be, in accordance with the rules of the service of which he is a member. Neither he nor the foreign employer has any right of property in contribution paid and no claim for refund can be entertained.

2015. (F.R. 121).--**Payment by Foreign Employer of Pension or Gratuity.**--A railway servant transferred to foreign service may not, without the sanction of the President, accept a pension or gratuity from his foreign employer in respect of such service.

2016. F.R. 122)--Leave during Foreign Service in India.--A railway servant in foreign service in India may not be granted leave otherwise than in accordance with the rules applicable to the service of which he is a member, and may not take leave or receive leave-salary from Government unless he actually quits duty and goes on leave.

2017. (F.R. 123)--Leave during Foreign Service out of India.--(a) A railway servant in foreign service out of India may be granted leave by his employer on such conditions as the employer may determine. In any individual case, the authority sanctioning the transfer may determine beforehand, in consultation with the employer, the conditions on which leave will be granted by the employer. The leave-salary in respect of leave granted by the employer will be paid by the employer and the leave will not be debited against the railway servant's leave account.

(b) In special circumstances, the authority sanctioning a transfer to foreign service out of India may make an arrangement with the foreign employer, under which leave may be granted to the railway servant in accordance with the rules applicable to him as a railway servant, if the foreign employer pays to Central Government leave contribution at the rate prescribed under Rule 2007 (F.R. 116).

2018. (F.R. 124)--Fixation of Pay on Officiating Promotion.--A railway servant in foreign service, if appointed to officiate in a post in Government service, will draw pay calculated on the pay of the post in Government service on which he holds a lien or would hold a lien had his lien not been suspended and that of the post in which he officiates. His pay in Foreign Service will not be taken into account in fixing his pay.

2019. (F.R. 125)--Reversion from Foreign Service-- A railway servant reverts from foreign service to Government service on the date on which he take charge of his post in government service; provided that, if he takes leave on the conclusion of foreign service before rejoining his post, his reversion shall take effect from such date as the competent authority may decide.

2021. (F.R. 127).-- When an addition is made to a regular establishment on the condition that its cost or a definite portion of its cost shall be recovered from the persons for whose benefit the additional establishment is created , recoveries shall be made under the following rules:-

- (a) the amount to be recovered shall be the gross sanctioned cost of the service, or the portion of the service as the case may be, and shall not vary with the actual expenditure of any month.
- (b) the cost of the service shall include contributions at such rates as may be laid down under rule 2007 (F.R. 116) and the contributions shall be calculated on the sanctioned rates of pay of the members of the establishment.
- (c) The Central Government may reduce the amount of recoveries or entirely forego them.

2022. (F.R. 130).-- Persons transferred to railway service from a local Fund which is not administered by Government will be treated as joining a first post under Government and their previous service will not count as duty performed. A competent authority may, however, allow previous service in such cases to count as duty performed on such terms as it thinks fit.

- (c) Deputation to posts operated outside India;
- (d) Appointments of a specific category or employees to a specified class of posts where special orders are already in existence such as appointments made in the personal staff of Ministers etc., to the extent the provisions contained therein are at a variance with those contained in these orders;
- (e) Appointments of the nature of deemed deputation or transfers to ex-cadre posts made in exigencies of services with the specific conditions that no deputation (duty) allowance to be admissible e.g. (i) interim arrangements in the event of conversion of a Government office/Organisation or a portion thereof into a PSU/Autonomous Body or vice versa; and (ii) appointments to the same post in another cadre.

2. Scope of Term 'deputation/foreign service'-Restrictions on treating an appointment as on deputation/foreign service.

2.1 The terms deputation/foreign service will cover only those appointments that are made by transfer on a temporary basis provided the transfer is outside the normal field of deployment and is in the public interest.

The question whether the transfer is outside the normal field of deployment or not will be decided by the authority which controls the service or post from which the employee is transferred.

2.2 Appointment of service employees made either by promotion or by direct recruitment with open market candidates whether on permanent or temporary basis shall not be regarded as deputation/foreign service.

2.3 Permanent appointments made by transfer will also not be treated as deputation/foreign service.

2.4 Temporary appointment made on the basis of personal requests of employees will also not be treated as deputation/foreign service.

2.5 In case of appointments on deputation/foreign service from Central Government to Central Government and in those cases where the scale of pay and dearness allowance in the parent cadre post and ex-cadre post are similar, a person in a higher scale of pay shall not be appointed on deputation to a post in a lower scale of pay.

Arrangements necessitated by staff imbalances arising on re-organisation of offices on the same or different stations, subject to the specific condition that no deputation (duty) allowance will be admissible in such cases.

2.6 In case of appointment on deputation/foreign service from Central Government to Public Sector Undertaking and in those cases where the pay scale and DA in the parent cadre post and ex-cadre post are dissimilar, no appointment/foreign service shall be made if by raising the grade pay by one increment plus dearness allowance(s) including interim relief, if any, admissible to a person in parent cadre post exceeds the emoluments comprising pay plus dearness allowance(s) including interim relief, if any at the maximum of the ex-cadre post.

3. Exercise of option

3.1 An employee appointed on deputation/foreign service may elect to draw either the pay in the scale of pay of deputation /foreign service post or his basic pay in the parent cadre plus deputation (duty) allowance thereon plus personal pay, if any.

3.2 The borrowing authority should obtain the option of the employee within one month from the date of joining the ex-cadre post unless the employee has himself furnished the option.

3.3 The option once exercised shall be final. However, the employees may revise the option under the following circumstances which will be effective from the date of occurrence of the same.

- (a) when he receives proforma promotion or is appointed to non-functional selection grade in his parent cadre.
- (b) When he is reverted to a lower grade in his parent cadre.
- (c) When the scale of pay of the parent post on the basis of which his emoluments are regulated during deputation/foreign service or of the ex-cadre post held by the employee on deputation /foreign service is revised either prospectively or from a retrospective date.
- (d) Based on the revised/same option of the employees, in the event of proforma promotion appointment to non-functional selection Grade revision of scales of pay in the parent cadre, the pay of deputationists will be refixed with reference to the revised entitlement of pay in the parent cadre. However, if the initial option was for the pay scale of the deputation post and no change in option already exercised is envisaged the pay already drawn in deputation post will be protected if the pay refixed is less.

NOTE: -- Revision in the rates of DA, HRA or other allowances either in the parent or borrowing organization shall not be on occasion for revision of the earlier option.

3.4 If the pay of an employee in his cadre post under-goes downward revision, the pay in the ex-cadre post is also liable to be re-fixed in the basis of revised pay and in accordance with the revised option or existing option if the employee does not revise his option.

4. Pay Fixation: --

4.1 When an employee on deputation/foreign service elects to draw pay in the scale of pay attached to the ex-cadre post, his pay may be fixed as under :

- (i) Deputation from Central Govt. to Central Govt.

Pay may be fixed under normal rules.

- (ii) In foreign service/Reverse Foreign Service.

- (a) when the pay scale of the post in the parent cadre and that attached to ex-cadre post are based on same index level and the DA pattern is also same, the pay may be fixed under the normal fundamental Rules.
- (b) if the appointment is made to a post whose pay structure and/or DA pattern is dissimilar to that in the parent organization, pay may be fixed by adding to his parent pay, one increment in the scale of his regular parent post) and if he was drawing pay at the maximum of the scale, by the increment last drawn) and equating the pay so raised plus dearness allowance (and additional or ad-hoc dearness allowance, Interim relief etc., if any) with emoluments comprising of pay plus DA, ADA, Interim relief etc., if any, admissible in the borrowing Organisation and the pay may be fixed at the stage in the pay scale of admissible in ex-cadre post as above equal the emoluments drawn in the cadre and if there is no such stage, pay may be fixed at the next higher stage.

- (iii) Pay fixed under (i) and (ii) shall neither be less than the minimum of the scale of the ex-cadre post nor shall it exceed the maximum of that scale.

4.2 In cases of appointments from one ex-cadre to another ex-cadre post where the employee opts to draw pay in the scale of the ex-cadre post, the pay in the second or subsequent ex-cadre post, should be fixed under the normal rule as with reference to pay in the cadre post only. In respect of appointments to ex-cadre posts on time scale of pay identical with the time scale of pay of ex-cadre post held on an earlier occasion(s) the benefit of proviso I (iii) to FR 22 will be admissible.

4.3 In cases of appointment to a second or subsequent ex-cadre post(s) in a higher pay scale than that of the previous ex-cadre post, the pay may be fixed with reference to the pay drawn in the cadre post and if the pay so fixed happens to be

less than the pay drawn in the previous ex-cadre post, the difference may be allowed as personal pay to be absorbed in future increases in pay. This is subject to the condition that on both the occasions the employees should have opted to draw pay in the scales of pay attached to the ex.-cadre post.

Note: --1. The term parent post basic pay means the post held on regular basis in the parent Organisation and pay drawn/admissible in such a post respectively.

2. An officer who may be holding a higher post on ad-hoc basis in the cadre at the time of proceeding on deputation/foreign service would be considered to have vacated the post held on ad-hoc basis and proceeded on deputation/foreign service from his regular post. During his deputation/foreign service, he shall earn notional increments, in his regular post only. On his reversion if he is re-appointed to the higher post on regular or ad-hoc basis his pay will get fixed w.r.t. the pay admissible in the lower post as on date of promotion. In such cases, if his pay gets fixed at a stage lower than that of his junior(s) who continued to serve in the cadre, no stepping up will be admissible as per extant rules in so far as Central Govt. employees are concerned. However, if the pay so fixed is less than the pay drawn earlier while holding the post on ad-hoc basis the pay earlier drawn will be protected. Therefore, those Central Govt. employees who are already holding a higher post on ad-hoc basis on or expecting it shortly in the parent cadre may weight all the relevant considerations before opting for deputation/foreign service. This note of caution will be applicable to employees of other organizations wishing to apply for posts on deputation in Central Govt. if governed by similar rules in parent organization.
3. Pay of officer appointed on deputation/foreign service on ad-hoc basis pending selection of a regular incumbent may also be regulated in accordance with provisions of para 4.1 & 5.1 subject to the condition that if the said officer does not fulfill the eligibility conditions laid down in the Recruitment Rules of the ex-cadre post, his pay in the scale of the ex-cadre post, if so opted, shall be subject to the restrictions under FR 35. Where the Recruitment Rules of the post have not been notified such restrictions may be enforced if he is ineligible to hold a post in equivalent/ analogous grade in his own cadre. This will also cover appointments on personal staff of dignitaries other than Ministers who have been allowed to make appointments of their personal staff at their discretion.
4. The provisions of this Rule as well as Rule-5 will not apply to appointments on Personal Staff of Minister. Such appointment will be regulated by separate specific order issued by the govt. in that behalf.

5. Deputation (duty) allowance:

5.1 The deputation (duty) allowance admissible shall be at the following rates:

- (a) In case of deputation within the same station the Deputation (Duty) Allowance will be payable at the rate of 5% of basic pay subject to maximum of Rs.4500 p. m.
- (b) In case of deputation involving change of station, the Deputation (Duty) Allowance will be payable at the rate of 10% of the basic pay subject to a maximum of Rs. 9000 p. m.
- (c) The ceilings will further rise by 25 percent each time Dearness Allowance increases by 50 percent.
- (d) Basic Pay, from time to time, plus Deputation (Duty) Allowance shall not exceed the basic pay in the apex level i.e. Rs. 2,25,000/-. In the case of Government servants receiving Non Practicing Allowance their basic pay plus Non-practicing Allowance plus Deputation (Duty) Allowance shall not exceed the average of basic pay of the revised scale applicable to the Apex Level and the Level of the Cabinet Secretary i.e. Rs. 2,37,500/-.

Note: 1 Basic Pay in the revised pay structure (the pay structure based on 7th Central Pay Commission recommendations) means the pay drawn by the deputationist, from time to time, in the prescribed Level, in Pay Matrix, of the post held by him substantively in the parent cadre, but does not include any other type of pay like personal pay etc.

- Note: 2** In case where the basic pay in parent cadre has been upgraded on account of non-functional up gradation (NFU), Modified Assured Career Progression Scheme (MACP), Non Functional Selection Grade (NFSG), etc, the upgraded basic pay under such up gradations shall not be taken into account for the purpose of Deputation (Duty) Allowance.)
- Note 3** In the cases of a Proforma Promotion under Next Below Rule (NBR); if such a Proforma Promotion is in a Level of the Pay Matrix which is higher than that of the ex-cadre post, the basic pay under such Proforma Promotion shall not be taken into account for the purpose of Deputation (Duty) Allowance. However, if such a proforma Promotion under NBR is in a Level of the pay matrix which is equal to or below that of the ex-cadre post, Deputation (Duty) Allowance shall be admissible on the basic pay of the parent cadre post allowed under the proforma promotion, if opted by the deputationist.
- Note 4** In case of Reverse Foreign Service, if the appointment is made to post whose pay structure and / or Dearness Allowance (DA) pattern is dissimilar to that in the parent organisation, the option for electing to draw the basic pay in the parent cadre [alongwith the Deputation (Duty) Allowance thereon and the personal pay, if any] will not be available to such employee.
- Note 5** The term ‘same station’ for the purpose will be determined with reference to the station where the person was on duty before proceeding on deputation.
- Note 6** Where there is no change in the headquarters with reference to the last post held, the transfer should be treated as within the same station and when there is change in headquarters it would be treated as not in the same station. So far as places falling within the same urban agglomeration of the old headquarters are concerned, they would be treated as transfer within the same station.

These orders shall take effect from 1st July 2017.

5.2 Special rates of deputation (duty) allowance may be admissible under separate orders in any particular area on account of the condition of living there being particularly arduous or unattractive. Where special rate is more favourable than that under para 5.1 above, employees deputed to the area will be given the benefit of the special rate.

5.3 Whenever extension of the period of deputation beyond the fifth year or the second year in excess of the period prescribed in the Recruitment Rules is granted, it would be on the specific understanding that the officer would ~~not~~ be entitled to draw deputation (duty) allowance only up to the fifth year, if the deputationist has opted to draw Deputation (Duty) Allowance.. The officers who opted to draw pay in the scale of the ex-cadre post shall however continue to draw pay in that scale during the extended tenure also.

(Authority: Railway Board’s letter no. 2010/F(E)II/1(1)/1 dated 19.06.2017) RBE 58/2017

5.4 If an employee with the permission of the competent authority proceeds on deputation/foreign service from one ex-cadre post to another ex-cadre post in the same or another organization without reverting to his parent cadre, and if the second ex-cadre post is at the same station as the first ex-cadre post, then the rate of deputation (duty) allowance would remain unchanged.

5.5 In cases where a person on deputation/foreign service is transferred by the borrowing authority from one station to another without any change in the post held by him, the rate of deputation (duty) allowance will remain the same as was decided at the time of initial posting and will not undergo any change.

6. Admissibility of other pay allowances and benefits while on deputation /foreign service.

6.1 Any project allowance admissible in a project area in the borrowing organization may be drawn in addition to deputation (duty) allowance.

6.2 Any special allowance granted to an employee in the parent department under FR 9 (25) or a corresponding rule of parent organization should not be allowed in addition to deputation (duty) allowance. However, the borrowing department may allow in addition to deputation (duty) allowance under special circumstances any special pay attached to the post held by the employee in his/her Parent Department , by suitably restricting the deputation (duty) allowance. This will require the specific and prior approval of Department of Personnel & Training.

6.3 In case special allowance is attached to the scale of pay of the ex-cadre post and the employee has opted to draw pay also in that scale, in addition to his pay in that scale he will also be entitled to draw such special allowance. However, such special allowance will not be admissible if he has opted to draw pay in the parent cadre scale/grade pay plus deputation (Duty) allowance.

6.4 Personal Pay, if any, drawn by an employee in his parent department will continue to be admissible on deputation/foreign service if he opts to draw pay in the parent cadre scale/grade pay plus deputation (Duty) allowance. No deputation allowance on this personal pay will however, be admissible.

6.5 Increments:--The employee will draw increment in the parent cadre grade or in the scale of pay /grade pay attached to the deputation post as the case may be, depending on whether he has opted for parent cadre pay plus deputation (duty) allowance or the pay scale/grade pay of the deputation post. If he has opted for time scale of the deputation post, notional increment shall also continue to accrue to him in the post held on regular basis in parent cadre/organization for the purpose of regulation of pay on reversion back to parent post at the end of tenure.

6.6 Admissibility of allowance and benefits while on deputation /foreign service.

- (a) Such allowances as are not admissible to regular employees of corresponding status in the borrowing organization, shall not be admissible to the officer on deputation/foreign service, even if they were admissible in the parent organization.

- (iii) Leave- An officer on deputation/foreign service shall be regulated by the leave Rules of the parent Organisation. If however, an employee proceeds from vacation department to non-vacation department, or vice-versa, he shall be governed by leave Rules of the borrowing organization. At the same time of reversion from the deputation post to the parent cadre, the borrowing organization may allow him/her leave not exceeding two months. The employee should apply for further leave to his cadre controlling authority.

6.7 Leave, Salary and Pension Contribution:--

(i) As at present allocation of leave salary and pension contribution between different Ministries/Departments of Central Government and between Central and State Governments has been dispensed with. In such cases of deputation from Central Government to State Government and vice-versa, liability for bearing leave salary vests with the department from which the officer proceeds on leave or which sanctions leave and no contributions are payable to the lending organization. Liability for pension/employee's contribution to GPF will be borne by the parent department, to which the Officer permanently belongs at the time of retirement and no proportionate contribution will be recovered.

(ii) In case of deputation of Central Government employees on foreign services to Central Public Sector Undertakings/State Public Sector Undertakings and Autonomous Bodies etc. leave salary contribution (except for the period of leave availed on foreign service) and pension Contribution/CPF (Employers share) contribution are required to be paid either by the employee himself or by the borrowing organization to the Central Government.

7. Tenure of deputation /foreign service:

7.1 The period of deputation/foreign service shall be as per the Recruitment Rules of the ex-cadre post or 5 years in case no tenure regulations exist for the ex-cadre post.

7.2 In case where the period of deputation/foreign service prescribed in the Recruitment Rules of the ex-cadre post is 5 years or less than 5 years, the Administrative Ministry/borrowing organization may grant extension upto the 6th year after obtaining orders of their Secretary (in the Central Government)/Chief Secretary (in the State Government)/equivalent officer (in respect of other cases) and for the 7th year with the approval of the Minister of the borrowing Ministry/Department and in respect of other organisations with the approval of the Minister of the borrowing Ministry/Department with which they are administratively concerned.

(Authority: Railway Board's letter no. F(E)II/2018/Dep./1(1)/1 dated 26.06.2018) RBE 97/2018

7.3 The borrowing Ministries/Departments/Organisations may extend the period of deputation for the 7th year or for the second year in excess of the period prescribed in the recruitment Rules where absolutely necessary, subject to the following conditions.

(i) While according extension for the 7th year, or the second year in excess of the period prescribed in the Recruitment Rules, the directive issued for rigid application of the tenure rules should be taken into consideration and only in rare and exceptional circumstances such extension should be granted.

7.4 No case of extension shall be referred to the Department of Personnel and Training.

7.5 When extension of period of deputation/foreign service for the first and the second year in excess of period prescribed in the Recruitment Rules is considered by the borrowing organization under powers delegated to them, the period for extension may be so decided upon so as to ensure that officer concerned is allowed to continue on deputation till the completion of academic year in cases where the officer has school/college going children. No proposal for further extension beyond the second year in excess of period prescribed in the RRs shall be forwarded to this Department on the consideration that the officer has school/college going children. Extension beyond this period will be considered only if it is strictly in public interest.

7.6 For computing the total period of deputation/foreign service the period of deputation/foreign service in another ex-cadre post(s) held preceding the current appointment without break in the same or some other organization shall also be taken into account.

The requirement of cooling off shall, however, not be insisted upon for appointment in personal staff of Union Ministers. However, those officers who have not completed the required 'cooling off' period from previous deputation and are posted in personal staff of Minister will have to revert to their parent cadre once their term in the personal staff of Minister ends for whatever reason. A prior consent may be obtained from such officers that they are willing to be appointed in personal staff of Minister in waiver of "cooling off" requirement, fully aware of the condition that they would be reverted back to their parent cadre once their term in personal staff of Minister ends for whatever reason and they will have to complete the "cooling off" period afresh.
