12.2 Each register shall have cycles of 100 points and each cycle of 100 points shall be divided into four blocks, comprising the following points:

- 1st Block - point No. 01 to point No. 25

If the vacancy falling at point no. 1 is not identified for the Person with Benchmark Disability or the Head of the establishment considers it desirable not to fill it up by Persons with Benchmark Disabilities or it is not possible to fill up that post by the Persons with Benchmark Disabilities for any other reason, one of the vacancies falling at any of the points from 2 to 25 shall be treated as reserved for the person with benchmark disability and filled as such.

This means that if no vacancy can be reserved in a particular block, it shall be carried over into the next block

12.7 After all the 100 points of the roster are covered, a fresh cycle of 100 points shall start.

12.8 If the number of vacancies in a year is such as to cover only one block (say 25 vacancies) or two (say 50 vacancies), the category of the persons with benchmark disabilities should be accommodated as per the roster points. However, in case, the said vacancy is not identified for the respective category, the Head of the establishment shall decide the category on the basis of the nature of the post, the level of representation of the specific disabled category in the concerned grade/post etc.”
